## Foreword

The Secretary of United Conference, as Editor of this Journal, wishes to express appreciation to Dr. W. E. Morris, Secretary of the North Alabama Conference, to Rev. J. L. Brasher, Secretary of the Alabama Conference, Methodist Episcopal Church, and to his efficient and faithful Assistants. Special recognition is due Rev. Jas. E. Tate for his painstaking preparation of the combined Chronological Roll.

In combining the material of the Four Sessions it has been our effort to promote the sense of Union, so that the Reader may feel the impression not of FOUR but of ONE.

The Historical Matter herein will not appear in our Journals again until the Session of 1943.

## PRESIDENT'S REPORT

We meet here today to open the final session of the Alabama Conference of the Methodist Protestant Church. It is with a feeling of mixed emotions that we assemble here today. It is entirely fitting that we meet in this church, which is the successor church to the old Bibb Street Church, one of the land marks of our Conference. Around this church many of our Conference activities have centered. We seem to sense the unseen presence of the noble line of men and women who have shared in the noble achievements of this Conference. Almost a century of Church history is looking down upon us today as symbolized in these names back of this holy place where we now stand. Out of the past into the future Methodism marches on.

We have also gathered here to express our concurrence in the actions taken at Kansas City, and to pledge our love and loyalty to the New Methodist Church. Although we need not be surprised if some tender words of farewell are spoken, "and for each other flows a sympathizing tear," as our Conference divides itself into separate groups, after being together more than a century; yet we remember what our Saviour said about a seed falling into the ground, and dying, in order that a richer and a more fruitful harvest might follow. We look forward today to a larger union and a wider fellowship that shall surely be ours in the new Methodist Church.

## OFFICIAL ACTS

On Dec. 27th, Rev. G. B. Golden was transferred from Coosa to Chilton and Rev. R. M. Stillwell from Chilton to Coosa. In July, Rev. J. D. Lighter was released from North Twentieth Street in Birmingham, because of ill health. On January 24, I attended the Joint Commission on Union meeting in Jackson, Mississippi. Along with the other representatives of this Conference, I attended the sessions of the Uniting Conference in Kansas City. In addition to these meetings I have attended a number of committee meetings to assist in working out the many details incident to Methodist Union in Alabama. I have also visited a majority of our pastoral charges in Alabama.

## THE STATE OF THE CONFERENCE

So far as is given the speaker to see and know, everything has been done that is possible to do to prepare for the merging of our Conference with the North Alabama Conference and the Alabama Conference of The Methodist Church. The reports of the pastors will show quite a nice net gain in membership during the year. Many splendid revivals have been held over the Conference. An increase in our contributions for the world service budget has been realized. Our leadership Training School was well attended. Our Women's Missionary work has been most outstanding this year. Things have gone steadily forward, in spite of the transition period through which we have been passing. This speaks well for our pastors and their faithful people. Our plans for the future are with the Uniting Annual Conferences.

We have no desire to hurry things through, every item of business should be given proper attention. Yet it is my duty to remind you of the necessity of expediting the business before us in order to finish up everything in the allotted time, so we can adjourn tomorrow at noon.

We are to have as our honored guests Bishop J. L. Decell, who presides over Four Annual Conferences in Alabama and Georgia, and our own beloved Bishop James H. Straughn. We are happy to have them with us and look forward to their messages with keen anticipation.

With your permission, I would like to close with a personal word. I desire to express to the ministers and laymen of this Conference my profound gratitude for the fine spirit of cooperation given the speaker. These have been years of hard work but happy years indeed. As we separate into two different groups, I shall always remember with great joy these years of happy fellowship. We are answering the call of a changing world, and are happy to have had a small part in helping to restore to Christ the seamless robe of a United Methodism.

We have enjoyed the fine brotherly fellowship of the leaders in the other two branches of the Methodist Church. They have indeed been exceedingly kind and considerate. We believe with them that John Wesley came to these western lands as God's clear-eyed prophet who went before the face of the Lord to prepare His way. The immortal words of John Wesley have come true: "The Methodist Are One People."

Yours in His Service,

J. S. EDDINS.

## MINUTES

The one hundred and eleventh session of the Alabama Conference of the former Methodist Protestant Church met in the Capitol Heights Church, Montgomery, Alabama, Thursday, October 26, 1939, at ten o'clock A.M., with President Dr. J. S. Edkins, in the chair. The President conducted the devotional services, taking as his scripture lesson the first twenty-three verses of the 17th Chapter of John.

The Secretary, Dr. T. C. Casaday, called the roll.

All the ministers of the Conference were present, and all lay delegates except a few. (See Roll.)

The printed program was adopted subject to any necessary changes.

By unanimous vote, the Conference authorized the President to present the Conference gavel to Bishop J. Lloyd Decell at the close of the morning service. The Secretary was requested to give a brief history of the gavel at the time of presentation.

The Bar of Conference was fixed to include the first five pews of the auditorium.

The President read his report showing the nature and extent of his work as President during the Conference year. The report was filed with the Secretary for record. (See a few pages back).

The President then named the Appointive Committees. (See list of Committees). P. A. Lynch, Chairman of the Committee on Fraternal Relations, presented the following named visitors: Dr. Foster K. Gamble, Editor of the Alabama Christian Advocate, who made a few remarks of interest concerning the Advocate and distributed copies of the current issue. Dr. Frank W. Stephenson, Executive Secretary of the General Conference Board of Christian Education; Dr. W. F. Calhoun, District Superintendent of the Montgomery District; Dr. D. P. Slaughter, Pastor of the Foster Street Church in Dothan, Ala.; Dr. D. H. McNeal, Pastor of the Dexter Avenue Church; Rev. H. E. Wilson, Pastor of the Frazer Memorial Church; Rev. J. W. Reinhardt, Pastor of North Montgomery; Rev. W. B. Atkinson, Pastor of the Chisholm Church; Dr. O. E. Rice, Pastor of the First Church; Rev. A. B. Tanton, Pastor Fifth Avenue Church; Dr. C. M. Dannelly, Superintendent of the City and County Schools, Montgomery; Dr. Hubert Searcy, President Huntingdon College; Rev. J. H. Bullington, Pastor LaPlace; Rev. H. W. Williamson, Pastor Union Springs; Rev. C. P. Roberts, Pastor Lowndesboro; Dr. Carl Preer, District Superintendent Troy District; Rev. W. L. Spearman, Pastor in the Decatur District, North Alabama Conference; Rev. J. L. Daniel, Pastor Clanton; Dr. B. F. Marshall, Pastor Moundville; Rev. B. M. Herlong, Pastor Castle-

berry; Dr. C. A. Sutton, President Westminster College, Tehuacana, Texas; Dr. O. S. Welch, Montgomery Methodist Minister; Dr. A. E. Middlebrooks, Executive Secretary Board of Christian Education, Alabama Conference; Dr. Luther Bridgers, Atlanta, Ga., and others. All were given a hearty welcome and seated within the bar of the Conference.

Conference took a short recess, then reassembled at 11:00 o'clock with the President in the chair. Dr. Luther Bridgers led the Conference in several hymns, closing with an inspiring solo, "Satisfied With Jesus". Dr. D. P. Slaughter, Pastor Foster Street Methodist Church in Dothan, led in prayer. Dr. Eddins read I Cor. 13. Bishop J. Lloyd Decell was introduced by the President. The Bishop preached the Conference Sermon from Isaiah 8:2, his theme being, "A Call to the Heights". His sermon was scholarly, instructive and inspiring. He spoke with unction and power. Our hearts were strangely warmed as the speaker led us to higher planes of thought, and to a deeper sense of our opportunities and our high privileges as Christians.

At the close of the sermon, the Secretary, Dr. T. C. Casaday, gave a brief history of the Conference gavel, stating that it was made from wood taken from a cedar tree that stood at the home of Josiah Enzor, Troy, Ala., Brother Enzor being a life-long member of Union Hill Church, where the Conference was in session in November, 1906, when the gavel was presented in memory of the long and faithful services rendered by Brother Enzor. All presidents of the Conference have used this gavel as they presided over the Conference during the past 33 years. Our Conference this morning voted unanimously to present the gavel to Bishop Decell, to be used in presiding over the two Conferences which succeed the Alabama Conference of the former Methodist Protestant Church. The gavel was then given to Dr. J. S. Eddins, President, who with appropriate remarks, presented it to Bishop Decell. The Bishop responded very feelingly, as he said: "This gavel shall be regarded not so much as an emblem of authority as an emblem of unity". The Bishop, by his reassuring words and by his fine brotherly spirit, made us feel that we are under the leadership of one who will prayerfully discharge his every duty without fear or favor, and yet with the interest of everyone at heart.

On motion, Conference adjourned for lunch with the Benediction by Bishop Decell.

### THURSDAY AFTERNOON SESSION

Conference was called to order at 2:00 P.M. by the President. Bishop James H. Straughn, of Baltimore, Md., was presented. The Bishop addressed us briefly, giving account of the several

United Conferences he had attended, stating that a gracious spirit of unity and love prevailed everywhere.

The hour for election of Officers having arrived, Conference entered into the election of such Officers and Boards as were necessary to continue the work up to the meeting of the General Conference. By action of the Uniting Conference, all presidents are continued in office until the merger is completed.

On motion, the President cast the unanimous ballot of the Conference for T. C. Casaday, Secretary. Several nominations were made for Treasurer, but all were withdrawn except that of Mrs. L. H. Goree. On motion, the Secretary cast the ballot of Conference for Mrs. L. H. Goree, Treasurer. It was stated that her duties would be to handle the funds going for World Service, just as she is now handling this fund until the General Conference orders the consolidation of all Boards. All other funds will go to the Treasurer of the Successor Conferences. A. C. Rogers and W. D. Godwin were elected on the Stationing Committee. The Committee on Official Character was elected as follows: A. H. Lynch, W. J. Sellers, C. W. Walton.

The Boards of Itinerancy and Orders, Church Extension, and Samaritan Association, were elected. (See Committees). Mrs. Arthur Heustess, President of the Conference Branch, gave a most inspiring and instructive message on the work of our women in Alabama.

A. H. Lynch, Dean of the Council of Religious Education, and J. R. Helms, President of the Board, gave reports of the School held during the month of July at Lagoon Park near Montgomery. They also spoke of the future work of the Youth Department of the Methodist Church and the part we, as a Conference, should have in the enlarged field of activities among the youth of the Church.

The Board of Itinerancy and Orders made its report which was adopted (See Reports).

On recommendation of the Board William Warren was admitted on trial, and Ray M. Jones and W. H. Aldridge were admitted into full connection and elected to Elder's Orders. Also, by the Board's recommendation J. E. Joiner was discontinued and placed on the list of Accepted Supplies, and W. W. Davis and L. P. Bennett were retired and referred back to their respective Quarterly Conferences as Local Preachers.

Dr. Frank W. Stephenson addressed the Conference in the interest of the World Service Budget, which will continue as it is now operated until the General Conference. On motion, Conference adjourned for committee work.

I. Hughen, of Autaugaville Methodist Church; Brother R. E. Carter, of Montgomery, and Dr. W. O. Phillips, Pastor Prattville Methodist Church, were introduced, and accorded seats in Conference. Dr. F. pare suitable resolutions providing for all legal matters arising in the merger of the three Churches. Judge Locke stated that he had requested Dr. T. C. Casaday and he had ably assisted in the preparation of these Resolutions, which he then read as follows:

Cook, Rev. J. F. T. Brown, Rev. S. W. Brooks, Rev. B. F. Tingle, and Rev. W. L. Spearman, all of whom are Ministers in the M. E. C. S., Decatur District. After reading these letters of recommendation, and after hearing a statement by Rev. W. L. Spearman, and after examining the applicant, we recommend that Rev. William Warren be admitted and placed in the class of the First Year. We recommend that J. E. Joiner be placed on the list of accepted supplies. We recommend that W. W. Davis and L. P. Bennett be retired and referred back to their respective Quarterly Conferences. We recommend that Ray M. Jones and W. H. Aldridge be elected to Orders and Ordained at the 11:00 a.m. service Friday, October 27, 1939.

C. W. WALTON, Chairman.

T. C. CASADAY, Secretary.

### EDUCATION

Recognizing that the Church of this age needs trained leaders to guide us along wise and safe paths as we travel across this confused and troubled age, we urge all our ministres and laymen to acquaint themselves with the educational program of the Methodist Church as outlined in the Discipline, and that we cooperate to the fullest extent of our ability in carrying into effect this wonderful program. We are fortunate in having in our State such institutions of Higher Education as the Birmingham-Southern College, Huntingdon College and Athens College to guide the youth of our Church in the faith of our Fathers as they pursue their studies in these institutions. We wish to pledge our full cooperation with these institutions.

A. E. MADDIX, Chairman.

### COUNCIL OF RELIGIOUS EDUCATION

The Council promoted a leadership Training School at Lagoon Park near Montgomery, Alabama the first week in July. The school was small but interesting and very helpful. We recommend that all Churches observe Young People's Day during the month of January. Second: That we keep in close touch with the program of leadership education as developed in the New Church. That we as ministers attend the Pastor's Schools and encourage our Church leaders to do so. And that we make provisions early in the year for the sending other age groups to the assemblies provided for them.

A. H. LYNCH, President of Council.

## LITERATURE

We call attention to the vast variety of literature published to meet the needs of children and adults of all ages and grades. This literature is both instructive and inspiring. We would heartily recommend the Methodist Protestant Recorder, The Alabama Christian Advocate, The Circulating Library, at 3267 W. Liberty St., Pittsburgh, Pa., and such helpful papers as the "Boys and Girls" for the Juniors, "Cargo" for Intermediates, "The High Road" for Seniors and Young People, published by the Methodist Publishing House. Samples will be furnished free if you will write for the kind of literature you are interested in. We recommend the "Upper Room" for use in Family Devotions and for Daily readings.

T. W. EDDINS, Chairman.

## MISSIONS

We, your Committee on Missions, submit the following report:

We are proud of the work of our missionary forces in the State of Alabama and of their utter consecration to their task. Our forces are well organized under wise and efficient leadership and we are sure that our leaders and workers will take their place of service in the larger groups that we shall find in our New Church.

We are facing a new day in Mission work and the horizon is expanding as we realize a new sense of responsibility. We are confident that we shall continue to make advances against the forces of evil. We shall be fighting on a broad front, but our forces are correspondingly increased and our all-wise and all-powerful Captain goes before to lead on and ever advance the cause of right as against might. Where He leads we will follow, whether into the war torn nations of Europe and Asia or into the needy fields of South America and into the vast unevangelized sections of India, or into Darkest Africa or to the neglected slum sections of our great cities or into the vast unoccupied fields of the rural sections of our own country. United Methodists forever will be found following in His steps. May we say with thankful hearts "The sun never sets on the consecrated forces of a United Methodism." Let us pledge our full support to the Cause of Missions in all fields at home and abroad.

A. H. LYNCH, Secretary.

## EXCERPTS FROM THE MINUTES Of The Methodist Episcopal Conference

The Alabama Conference of the Methodist Episcopal Church convened in Rock Church, Tarrant, Alabama, November 1, 1939, at 8:30 o'clock, Bishop Wallace E. Brown, D.D., L.L.D., of Portland, Oregon, presiding.

W. A. Murphree conducted the devotional exercises, consisting of hymns and prayers. Prayer was offered by Mrs. Bishop Brown, Q. V. Amberson, and Thomas Ellis. At 9:50 Bishop Brown took the chair.

**Roll**—The Secretary of the Conference called the roll, and eight retired preachers, 25 effective members, three probationers and eleven supply pastors answered the roll.

**Elections**—J. L. Brasher was elected Secretary, W. A. Murphree and John F. Owens, Assistants. Howard Raines was elected as Assistant Treasurer. Grant Parris was elected assistant to the Statistician.

**Drafts**—A Draft on the Publishing House for \$116.51, one on the Board of Pensions for relief for \$265.00, and one on the Chartered Fund for \$60.00 were announced by the Bishop and ordered passed to the Treasurer by the Conference.

**Question 34**—The characters of J. E. Brasher, District Superintendent of the Birmingham District; Cyrus Kitchens, District Superintendent of the Boaz District, and L. A. Thornburg, of the Gulf District, were passed. They reported nothing against the ministers in their Districts, and the characters of all were passed.

**Evangelistic Reports**—J. L. Brasher and John F. Owen gave brief reports on their evangelistic work.

**Holy Communion**—Bishop Brown spoke very tenderly about this final session and final Sacrament in our present Conference relation. He called forward L. A. Thornburg, Cyrus Kitchens, and the host Pastor, G. W. Elliott, and assisted by them, administered the Holy Communion to 61 persons.

**Introductions**—Joseph Warren Broyles, President of Snead Junior College, Boaz, Alabama, was introduced to the Conference, and brought greetings and brief remarks about the work

of the school. Dr. W. E. Davidson, of the Board of Education, was also introduced to the Conference.

**Memorial**—The Conference stood while the Secretary called the name of John Brown Davis. The Bishop led in prayer. J. L. Brasher read a memoir of Brother Davis. W. A. Murphree led in singing the hymn, "How Firm a Foundation, Ye Saints of the Lord."

**Reports**—Cyrus Kitchens, District Superintendent of the Boaz District, and L. A. Thornburg, District Superintendent of the Gulf District, made their reports.

We give here the Report of L. A. Thornburg, District Superintendent of the Gulf District:

Dear Bishop, Comrades, and Friends of the Alabama Conference:

The following is an expression of the sentiments of my own soul, and a summary of the Seventh, and peradventure, my Sabbath Year's ministry as Superintendent of the Gulf District.

Whether or not there is any special significance ascribed to the sacredness of the number seven, it has been a very sacred year to me, and this report brings me to one of the most sacred and solemn occasions in my humble career—The dissolution, or breaking up, of the dear old ship that rescued me when I was a shipwrecked stranger. I was hungry, and she gave me meat; thirsty, and she gave me drink; thinly clad, to say the most of it, and she clothed me; sick, and virtually in prison, and she visited me, and administered some of the balm of Gilead and set me free. Yes, she took me in. She took me into her ministry. Then I asked the Lord to give me ten years in the Alabama Conference, and, Lo! He gave me fifteen. That's what a fellow gets for talking back to the Judge. However, I am grateful for the good measure. These years have passed swiftly by, as a tale that is told, and as a watch in the night, but the friendship, and comradeship of the church acquired in this brief period is to me invaluable. Great old church! Grand old ship! Gone, never to return, yet never to be forgotten . . .

But thanks be to God, we look on the brighter side, and we see, anchored close by, a friendly, propitious ship, though more modern, and much stronger. On this great Christian liner we shall find refuge, and like St. Paul, we may hear the angel's whisper, "Fear not, God hath given thee all them that sail with thee."

"Then courage, O ye mariners;  
Ye can not suffer wreck,  
While up to God your fervent prayers  
Are rising from the deck.  
Sail bravely on, O mariners,  
To daylight and to land;  
The breadth of God is in your sail  
Your rudder in his hand."

The spiritual and financial report of our district is far from satisfactory. Nevertheless, our constituency have done as well as could be expected, under the circumstances. The continued rains and floods wellnigh ruined the farmers, and almost paralyzed the lumber and turpentine industry, which of course affected the morale of the people generally, but

after all, much has been accomplished, and the residue of our folk are anticipating smoother sailing in The Methodist Church in the days to come.  
Adieu.

(Signed): L. A. THORNBURG.

**Introductions**—G. M. Davenport, pastor of East Lake Methodist Church, was introduced and addressed the Conference concerning a plan for the better support of the rural work. F. K. Gamble, editor of The Alabama Christian Advocate; O. L. Millican, S. M. Keathley, Joseph Owen, J. H. Chitwood, and J. M. Gibbs, visiting Methodist Ministers, were introduced.

**Local Instruments**—Judge Hugh A. Locke was introduced and brought before the Conference legal forms and resolutions numbered One and Two. On motion of O. G. Waid, Number 1 was adopted, 52 votes for, and none against. The second resolution was adopted on the same move, 55 for and none against, to continue only until Union is effected. We give here these Resolutions:

#### Authorization To Trustees

NOW, THEREFORE, BE IT RESOLVED, that the present Trustees of the Alabama Conference of the Methodist Episcopal Church, a body corporate, be and they hereby are authorized and empowered to act for and in behalf of the said Church within the boundary of said Conference, exercising therein all the authority of such Conference in fully and completely executing and carrying into effect the full purpose of said Declaration of Union in the consolidation of the Methodist Episcopal Church with the Methodist Protestant Church and the Methodist Episcopal Church, South in the formation of the Methodist Church.

It is fully understood and confirmed that these trustees are authorized and empowered to do anything this Conference could do to fully and completely execute the purposes and plans of the consolidation and to act for and in behalf of this Conference in so doing.

### Authorization of Dissolution

BE IT FURTHER RESOLVED, That all expense connected with or growing out of such dissolution, transfer or delivery be paid by the Treasurer of this Conference.

**Conference Claimants**—Cyrus Kitchens moved to allow the Treasurer, T. M. Bailey, and A. D. Peck, to allocate the Conference Claimants Fund as evidently intended by the contributing churches, with respect to Conference members and supply pastors.

**Committee of Distribution**—On motion of T. M. Bailey, a Committee of Distribution was ordered. The Bishop appointed T. M. Bailey, Cyrus Kitchens and G. W. Elliott.

#### REPORT OF SPECIAL COMMITTEE ON SETTLEMENT OF HOSPITAL OBLIGATIONS

The undersigned, who were elected at your session of 1937 as a special committee to negotiate settlement of claims against the Conference on account of Montgomery Memorial Hospital, the instructions and authority given us being set forth on page 40 of the Journal of 1937, submitted our first report to you last year, as set forth on page 31 of the 1938 Journal.

We now submit to you our final report.

In defending suits against the Conference, negotiating sale of the Hospital property to the State of Alabama, and performing the other duties required of us we employed two firms of attorneys, namely: Pettus & Fuller, and Wilkinson & Keith, both firms of Selma, Ala. Part of the fees for services of these firms has been paid out of funds coming into our hands from another source. There remains a balance due these firms of

\$1,344.40. We therefore ask that you instruct the Treasurer of the Conference Hospital Board to pay this balance out of funds in his hands at this Conference session.

On the 6th day of March we concluded an agreement with Marx & Co. as to the Conference Notes as follows:

ATTEST:  
ROBERT B. FORE, (Signed)  
Secretary.

Making of the above set forth AGREEMENT fulfilled all of your instructions to us except one, namely: settlement with the unsecured creditors of the Hospital. We have not carried out this instruction because we feel that you already have a body better qualified to do this than we are, and that has really already been doing this very thing. For some years now your Hospital Board has been your Agent in dealing with Marx & Co., and with the unsecured creditors of the Hospital. This Board has earnestly labored to secure funds for these purposes and is well acquainted with the whole matter, and it has already made considerable payments on these open account obligations, giving preference to the nurses and other employees of the Hospital. We sincerely believe that this Hospital Board should continue to carry forward this dealing with these creditors.

Therefore, for the purpose of carrying out the above set forth AGREEMENT, and this recommendation, we offer the following RESOLUTIONS:

BE IT RESOLVED, by the Annual Alabama Conference of the Methodist Episcopal, Church, South, in session at Montgomery, Alabama, on November 29, 1939,

First: That the Conference Treasurer, Rev. W. H. Venters, be and he is hereby, instructed to pay, on December 1, 1939, out of the undivided Conference funds in his hands, to the First National Bank of Montgomery, Alabama, the sum of \$3,300.00 on account of the Conference Notes to Marx & Co., as set forth in the above AGREEMENT.

Second: That the Conference Hospital Board as now constituted be continued by this and the Successor Conference, with the specific duty of making the most equitable settlement possible with the unsecured creditors of Montgomery Memorial Hospital, and that said Board be authorized to make request of the Budget Commission for a reasonable amount in the schedule of Conference Work Askings.

Third: That the Successor Conference, namely: The Alabama Conference of the Methodist Church, be and it is hereby, earnestly requested to pass a Resolution approving and confirming the above set forth AGREEMENT and Resolutions.

We now ask that we be relieved of further service.

HENRY M. ANDREWS,                     ,  
BRUCE BEVERIDGE,  
C. V. CALHOUN, Committee.

Of the forty-five charges paying less than a thousand dollars salary assistance has been given to thirty-four in the sum of \$2,965.00. Because of strategic importance the sum of \$920.00 was appropriated to ten other charges making forty-six charges receiving assistance through the Board.

Mention should also be made of an additional appropriation of \$230.00 to apply on expense of the Board President and Conference Missionary Secretary in attending the General Missionary Council and the Missionary Institutes. This appropriation was also to cover the expense of the Board Secretary and Treasurer. Thus the grand total appropriated for this Conference year was \$5,030.00. Of this amount \$4,773.00 was received from the Conference apportionment and \$257.00 was taken from a small reserve fund.

Signed: P. S. HUDSON, President.

E. B. PAUL, Secretary.

Z. V. Judd read the report of the Board of Christian Education which was adopted as follows:

The Board of Christian Education, at its annual session last evening, heard with gratification and delight the report of Dr. A. E. Middlebrooks, the Executive Secretary. This report covered all phases of the Board's work including the Department of Schools and Colleges and the Department of the Local Church. The latter report made special reference to the activities of the Extension Secretary, Rev. C. A. Corbitt; of the Young People's Division, administered by Miss Louise Long; and of the Children's Division under the direction of Mrs. J. P. Walton. The report bristles with industry, initiative and achievement. Every member of this Conference should read it in full and in detail.

## DEPARTMENT OF SCHOOLS AND COLLEGES

## 1. HUNTINGDON COLLEGE

President Searcy reports (1) a ten per cent increase in present enrollment and an anticipated enrollment for the year of more than 500 students; (2) assets of more than a million and a quarter dollars, including an endowment of approximately four hundred thousand dollars; (3) a debt reduction of twenty-six thousand dollars; (4) and a balanced budget.

## 2. BIRMINGHAM-SOUTHERN COLLEGE

President Paty reports (1) an unchanged endowment and property value of approximately two and one-half million dollars; (2) no indebtedness; (3) and fifty-two thousand dollars raised in cash and pledges for a new Physical Education plant. Birmingham-Southern has abandoned inter-collegiate football program and is emphasizing general physical education.

## 3. AUBURN WESLEY FOUNDATION

Twelve hundred and thirty-four Methodist students are enrolled at the Alabama Polytechnic Institute. Under the direction of Rev. Franklin S. Moseley the students participate in Church and Church School work, including musical programs; and such general activities as dramatics, hikes and sundry socio-religious programs.

## 4. INTER-CONFERENCE STUDENT MOVEMENT COMMISSION

This commission has general direction of the Methodist Student program in our state and church colleges. The Boards of Christian Education in the Alabama and North Alabama Conferences elect three members each to this commission. The present members from our Conference are Dr. A. E. Middlebrooks, Rev. S. M. Baker and Dr. Zebulon Judd, Chairman.

## DEPARTMENT OF THE LOCAL CHURCH

This department administers a broad and complex program of religious education. This program is promoted through sixteen distinct, but related agencies. The work for the year is characterized by signal accomplishments. The limitations of this report make possible reference to only certain phases of it.

## 1. CONFERENCE-WIDE LEADERSHIP SCHOOL

This is one of the most significant training agencies of the Conference for both clergymen and laymen. The registration this year was 169-14 more than last year. Every district represented.

## 2. THE YOUTH CRUSADE

Since the foundation of the Methodist Church no movement has so captured the imagination of its entire constituency as has the Youth Crusade. In this Conference the response has been phenomenal. Much of the enthusiasm shown, particularly by adults, has been due to the wonderful cooperation of the pastors and district superintendents. The most significant result of the Crusade has been marked deepening of the spiritual life in the Youth Division even in the remotest little churches. A new interest in youth work is being manifested by adults everywhere, and efficiency in administration has increased proportionately. Three thousand young people attended the February Youth Crusade rallies, 321 the Young People's Assembly, and the young people have supported a full-time Confer-

ence Director of Youth work for a year, besides carrying on the regular program of youth work in the Conference. All this they did without any financial help from the Board.

### 3. VACATION CHURCH SCHOOLS

The Vacation Schools are for children between four and fourteen years of age. The number of schools this year was 86, an increase of 33 and an enrollment of 4,779, an increase of 1,806.

### 4. SPECIAL DAYS AND SEASONS

The proper observance of special days and seasons in our church calendar has definite educational value. Some time and effort are required, but the outcome is appreciable. The offerings are an essential phase of the special observances. Of the three special days sponsored by the Board, each one shows an increase over last year as follows: Church School day: increase of 66 schools observing, increased offering of \$51.41; Young People's Day: increase of 53 churches observing, increase in offering of \$244.67; Missionary Sunday (monthly): increase of 47 schools observing, increase in offering of \$1,031.87.

### 5. OTHER TRAINING AGENCIES

Other agencies which deserve special mention are as follows: Young People's Assembly, Intermediate Camp-Assembly, Leisure Time Conference, Learning For Life Schools, Christian Workers Training Schools, Epworth Training Conferences, Christian Life Units, Childhood and Youth Week, Institutes and Rallies, District Board of Education, Christian Education Messenger, Ministerial Library and Training Fund.

A. B. CARLTON,  
S. M. BAKER.

Dr. Judd also read his report as Lay Leader, which follows:

In conformity with the tempo of this Conference, I am reading a very abbreviated report.

This has been a good year in Laymen's activities. Laymen's Day was observed rather generally throughout the Conference. The program pamphlet on "Adequate Support of the Ministry," prepared by Dr. George L. Morelock, Secretary of the General Board of Lay Activities, was supplied to the churches.

The reports to this Conference so far have been good. Apparently the laymen have been on their financial jobs.

The pamphlet "Tidings" was purchased and sent to the pastors of the Alabama Conference. The program of "Lay Activities" for 1938-39 was sent to the District Lay Leaders and the Lay Delegates to this Conference.

The District Superintendents and District Lay Leaders were especially invited to attend the Laymen's Conference at Lake Junaluska last August, at the expense of the Conference Laymen's fund. The Conference Lay Leader attended both that Conference and the Annual Session of the General Board of Lay Activities at the expense of the General Board.

The Laymen have a two-session program at this Conference—the Anniversary tomorrow night at 7:30 in this auditorium, Dr. Henry N. Snyder, President of Wofford College, will make the annual address on

### "METHODISM CALLING ALL METHODISTS"

A luncheon meeting will be held in this building Friday at one p. m. Ten-minute talks will be given by Col. O. L. Tompkins, Supt. E. B. Norton,

Dr. Herman D. Jones and Dr. C. M. Dannelly. The theme of the meeting will be

"What May Laymen Do for the Promotion of a Christian Civilization Through the Medium of United Methodism?"

All laymen, men and women, and the pastors as well are cordially invited to attend both of these meetings. No one can afford to miss Dr. Snyder.

**Question 48**—Where are the preachers stationed this year?

**Answer**—Since the appointment of the preachers in this the final session of the Alabama Conference of the Methodist Episcopal Church, South, is not for a term of service for an Annual Conference year but is only to meet the requirements of enabling Act 1611 and since the appointment can only last until the Successor Conference is organized tomorrow, November 30, 1939, I, the Presiding Bishop, announce that on this day, November 29, 1939, I appoint all the preachers to the same charges as of 1938 including ad interim changes.

**Adjournment**—After announcements, Hymn No. 416, "Blest Be the Tie That Binds," was sung and the Conference adjourned sine die with the benediction pronounced by Dr. C. A. Rush, a grandson of Bishop James O. Andrew.

### THE ORDER OF WORSHIP

#### THE PRELUDE

THE OPENING HYMN 381: "The Church's One Foundation."

#### THE CALL TO WORSHIP

The Bishop: O Come, let us sing unto the Lord:  
Let us make a joyful noise unto the Rock of our salvation.

The People: Let us come before His presence with thanksgiving,  
And make a joyful noise unto Him with psalms.

The Bishop: The Lord is good: His mercy endureth forever;  
And His truth endureth to all generations.

The People: This is the day which the Lord hath made,  
We will rejoice and be glad in it.

The Bishop: Enter into His gates with thanksgiving,  
And into His courts with praise.

The People: O magnify the Lord with me, and let us exalt  
His Name together, For with Him is the fountain  
Of life, and in Him shall we see light.

## THE INVOCATION: THE BISHOP

O Lord of heaven and earth, who hast promised to reveal Thy glory by Jesus Christ among all nations; remember, we beseech Thee, Thy Holy Church throughout the World. Especially do Thou send now Thy blessing upon this Conference assembled in Thy name. Grant unto us, Thy servants, the spirit of power, and of love, and of a sound mind, that we may be wise in council and diligent in service, faithful stewards of the things belonging to Thy Kingdom, and worthy successors of the apostles whom our Lord sent forth to testify of Him. Direct and govern us by Thy Holy Spirit, preserving us from hasty judgment and vain dispute, inspiring us with hearty love and true devotion, and guiding us both to devise and do those things which shall be for the glory of Christ's name, for the welfare of His Church, for the peace of all believers, for the spread of the Gospel, and for the good of the whole world. In Christ's name, Amen.

THE COLLECT: (Here let the people unite with the Bishop in prayer.)

O Thou Master of men, whom to see is to love and whom to know is eternal life! In Thy life we shall see all those things which we fain would be. Draw near to us now as we would come near to Thee. In these days of conference may the influence of Thy gracious Spirit be with us enabling us to surrender ourselves to Thy love and Thy service. And when we go down from here may the vision not fade, and our loyalty not slacken. Abide with us. So shall we grow daily into the likeness of Thy Spirit: through Jesus Christ our Lord. Amen.

THE HYMN OF ASSURANCE 382: "Glorious Things of Thee Are Spoken."

THE RESPONSIVE SCRIPTURE: (The Anthem John Wesley heard in St. Paul's Cathedral a few hours before he "felt his heart strangely warmed.")

The Minister: Out of the depths have I cried unto Thee, O Lord.

The People: Lord, hear my voice: let Thine ears be attentive to the voice of my supplications.

The Minister: If Thou, Lord, shouldest mark iniquities,  
O Lord, who shall stand?

The People: But there is forgiveness with Thee, That Thou mayest be feared.

The Minister: I wait for the Lord, my soul doth wait, and in His word do I hope.

The People: My soul waiteth for the Lord more than they that watch for the Morning: I say, more than they that watch for the morning.

The Minister: Let Israel hope in the Lord: for with the Lord there is mercy, and with Him is plenteous redemption.

The People: And He shall redeem Israel from all his iniquities.

## THE GLORIA PATRI

## THE SCRIPTURE SENTENCES:

How beautiful upon the mountains are the feet of Him that bringeth good tidings, that publisheth peace, that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth.

In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh, and dwelt among us (and we beheld His glory, glory as of the only begotten from the Father), full of grace and truth.

Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon, Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. And I say unto thee, That thou art Peter, and upon this Rock I will build my church; and the gates of hell shall not prevail against it.

Christ also loved the Church, and gave Himself for it; that He might sanctify and cleanse it with the washing of water by the Word, that He might present it unto Himself a glorious Church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish.

All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you, even unto the end of the world. Amen.

THE HYMN OF THE GLORIOUS GOSPEL 162: "O For A Thousand Tongues to Sing."

THE PRAYER BEFORE THE SERMON:

(The people seated, with bowed heads.)

FOR THE CHURCH:

O God, we pray for Thy Church, which is set today amid the perplexities of a changing order, face to face with a great new task. We remember with love the nurture she gave to our spiritual life in its infancy, the tasks she set for our growing strength, the influence of the devoted hearts she gathers, the steadfast power for good she has exerted. When we compare her with all human institutions, we rejoice, for there is none like her. But when we judge her by the mind of her Master, we bow in contrition. Oh, baptize her afresh in the life-giving Spirit of Jesus! Put upon her lips the ancient gospel of her Lord. Fill her with the prophet's scorn of tyranny, and with a Christlike tenderness for the heavy-laden and downtrodden. Bid her cease from seeking her own life, lest she lose it. Make her valiant to give up her life to humanity, that like her crucified Lord she may mount by the path of the cross to a higher glory. Amen.

FOR MISSIONS AND EVANGELISM:

Increase, O God, the faith and the zeal of all Thy people, that they may more earnestly desire, and more diligently seek, the salvation of their fellow men, through the message of Thy love in Christ Jesus, our Lord. Send forth a mighty call to Thy servants who labor in the gospel, granting unto them a heart of love, sincerity of speech, and the power of the Holy Spirit, that they may be able to persuade men to forsake sin and return unto Thee. And so favor and bless the work of Thy missionaries and evangelists, that multitudes may be brought from the Kingdom of evil into the Kingdom of Thy dear Son, our Saviour, Jesus Christ. Amen.

Your Board of Hospitals and Homes passes on to you the Annual Report of the Methodist Children's Home:

In accordance with authority granted at the last sessions of the Alabama and North Alabama Conferences, the name of the Orphanage has

been changed to Methodist Children's Home. The change has been manifest in more than name merely. There is now a finer spirit of unity and loyalty among the children, and the townspeople in Selma seem to appreciate the new name as indicative of the more home-like atmosphere which pervades the Institution.

The Methodist Children's Home is now indeed a "Home" for dependent children. Scarcely ever does any incident arise to mar the tranquility of the Home, or to give embarrassment to its management. The children are obedient, and on the whole are ambitious. The City Schools report that our children are doing much better school work than ever before. A social worker who now lives in Selma, but who is widely experienced in child work in New York and elsewhere, recently observed that we have the best run institution of the kind that he knows anything about.

Methodist people who have not heretofore been able to see at first hand the good accomplished with their contributions at Selma are requested to visit the Home. The invitation is to make a day's sojourn there, become acquainted with the children, learn in your own way what your dollars have accomplished, and then return home to thrill over the far reaching Christian service the Methodist Church is doing through its children's home.

The income for the past year amounted to \$44,177.23 from all sources, as follows:

Christmas and Fifth Sunday collections, Alabama Conference .....	\$13,992.88
Christmas and Fifth Sunday collections, North Alabama Conference .....	21,840.14
Supplies from Alabama Conference .....	1,440.80
Supplies from North Alabama Conference .....	2,322.70
Interest from Endowment Fund .....	2,582.39
Coupons .....	1,217.29
Miscellaneous .....	781.03
	<hr/>
	\$44,177.23

The Board of Directors elected the following officers for the ensuing year:

K. E. Cooper, President.  
 Rev. S. O. Kimbrough, Vice-President.  
 Rev. J. E. Tate, Secretary.  
 W. H. Plant, Treasurer.  
 Bruce Beveridge,  
 J. E. Wilkinson,  
 Mrs. E. H. Hobbs,  
 Executive Committee.

The Board recommended for nomination and election S. T. Slaton as a Director from the North Alabama Conference, for a term of five years, and Mrs. E. H. Hobbs as a Director from the Alabama Conference, for a term of five years, and that Rev. R. J. Mills be appointed as Superintendent.

The number of children in the Home changes from time to time, but ranges between 150 and 160 at all times. There are always a large number clamoring for entrance. There is greatly needed at the Institution another building for use as a recreation hall and for vocational training.

The physical properties are being kept in good repair, and progress is being made along all lines.

K. E. COOPER, Chairman.

**Memorials**—J. F. McLeod read for concurrence and passage the Report of the Committee on Memorials to the Jurisdictional and General Conferences as follows:

MEMORIAL NO. 1:

The Alabama Conference memorializes the Jurisdictional Conference not to remove West Florida from the Alabama Conference, but to allow that part of West Florida now in the Alabama Conference to remain a permanent part of this Conference.

RESOLUTION AND MEMORIAL NO. 2:

It is our deliberate conviction that our several Methodist Conference Organs should be maintained and strengthened in every case where sufficient support can be secured, either from the present patronizing Conferences, or by the combined support of several contiguous Conferences. Such action we believe to be vital to the largest success and progress of our Methodism.

Therefore we urge that the Commission appointed to consider the whole matter of the Methodist Church Press recommend to the General Conference such action as will conserve the interests of the several Advocates that are the recognized organs of one or more Annual Conferences; and hereby memorialize the General Conference to the same effect.

MEMORIAL NO. 3:

WHEREAS, the Home and Foreign Missionary Enterprise in the former Methodist Episcopal Church, South, has been a most impressive and successful agency for the promotion of Christian Missions at home and abroad; and

WHEREAS, It has provided education in missions for hundreds of thousands of our people through the Church School; and

WHEREAS, Through the regular systematic contributions made on this Sunday approximately \$240,000 per annum, or \$20,000 per month, has been collected in small amounts and without pressure;

THEREFORE, BE IT RESOLVED, That the members of the Alabama Conference of the METHODIST CHURCH do hereby earnestly petition the General Conference to make provision for the continuance of this special day and that the Board of Education, through the Division of the Local Church, be charged with the responsibility of promoting this day.

#### MEMORIAL NO. 4:

The Boards of Missions and Church Extension and Education of the Alabama Conference of The Methodist Church request the Annual Conference to memorialize the General Conference meeting in Atlantic City April, 1940 to change paragraph number 1068 of the 1939 Discipline entitled "District Missionary Institutes" to read "These Institutes may be exclusively missionary in character and separated from all other causes and interests and the program may deal exclusively with missionary matters, as the Conference Board of Missions and Church Extension shall determine."

#### MEMORIAL NO. 5:

RESOLVED, That this Annual Conference memorializes the General Conference to so change the regulations of a minister performing the marriage ceremony for divorced parties that the privilege be forbidden except in case of innocent parties who have been divorced for the one Scriptural cause.

These Memorials were unanimously adopted.

**Christian Literature**—H. E. Wilson, Jr., read the report of the Board of Christian Literature. Dr. Foster K. Gamble, Editor of the Alabama Christian Advocate, was presented and spoke to the report. Bishop Decell also addressed the Conference in the interest of the Advocate. The report was adopted as follows:

Realizing the important part that Christian Literature has played in the ongoing of our Methodism throughout her history, we urge even a wider use of this great agency in the new day of opportunity upon which United Methodism has entered.

We recommend the observance of Bible Sunday on December 10th and call upon all people to give a more serious study to the Holy Scriptures and to the literature of our Church which enables them to understand and appropriate the Bible in their own lives.

We are rejoiced to learn of the continued success of the Methodist Publishing House, both in its financial management and in the wide circulation of its varied output. We mention with appreciation the check for \$2,941.20 received from the profits of the House for the Conference Claimants of the Alabama Conference. We urge that all our Church Schools use our own Methodist literature and that our Methodist people patronize our Publishing House in the purchase of books, periodicals and other forms of literature.

We heartily commend the Christian Advocate, the World Outlook, the Christian Home, The Pastor, the Epworth Highroad and the varied and well prepared Church School literature issued by our Publishing House, with the hope that they may have the wider circulation which they deserve.

We especially recommend the use of The Upper Room in all homes of our people as a means of restoring the neglected family altar to its proper place.

Concerning the Alabama Christian Advocate we make the following recommendations:

(1) That the Alabama Christian Advocate be recognized as the official organ of the Alabama Conference of the Methodist Church;

(2) That the following be elected as members of the Board of Directors for the number of years indicated: B. F. Marshall, one year; T. D. Samford, two years; E. W. Berry, three years; G. Stanley Frazer, four years; R. P. Cochran, five years.

(3) That District Superintendents, Pastors and Laymen throughout the Conference co-operate heartily with the Editor and Business Manager in his plans for increasing the circulation of The Advocate, every District and Charge striving to reach the minimum goal of "One Advocate for Every Ten Members."

W. C. COWART, Chairman.

L. Tompkins, J. T. Ellison, E. B. Norton, J. R. Hudgens, A. T. Howard, W. O. Brownfield, E. R. Malone, Clayton Rogers, E. E. Anthony, O. D. Langston, Ex-Officio.

**Temperance**—L. B. Green read the report of the Board of Temperance and it was adopted as follows:

We feel that in this, the first report of our board, we can do no better than to acquaint our people with the official position of our Church, as stated in paragraph 1698 of the Discipline, as follows:

"The Annual cost of crime in money is figured in billions, but no estimate is adequate to cover the moral and spiritual price the nation pays. We deplore the enormous increase in criminal activities, responsibility for which rests largely upon indifferent citizenship and inadequate administration of and enforcement of law.

Gambling is a menace to business integrity; it breeds crime and is destructive of the interests of good government. The nation must rise in spiritual might in order to end this rapidly growing evil.

We stand unalterably opposed to the use of and the traffic in habit-forming drugs, and call for the strengthening of the arm of government, for better laws and their rigid enforcement against the whole traffic in narcotics. Concerned over the increase in the use of cigarettes, especially among youth, we urge them to repudiate the habit, and we protest against the misleading and suggestive advertisements for its promotion.

Papers, magazines, and books which offend common decency are on the increase. Sex immorality, low moral standards, and crime make such literature an ever threatening menace. By precept and example the sacredness of the human body must be brought home to youth, as they face life in a changing world.

We challenge the people called Methodists to have no part in the infamous liquor traffic. Repeal of National Prohibition has been a more ghastly failure than even its most consistent enemies predicted. The new saloon in its various guises is attended by shocking evils, unknown to the old saloon. One of the most tragic features of the whole debacle is that the toll of disaster falls most heavily upon youth.

Protection of its citizens is a function of the State. It is intolerable that any government, through participation in revenues, should be a party to a business which thrives upon the physical, social, moral, and spiritual decay of its people. Unless Christian and moral forces rally in united warfare against the evils attendant upon the legalized liquor traffic, we face an unprecedented era of debauchery and degradation.

Methodism has insisted that intoxicating liquor cannot be legalized without sin. Wine through the centuries has not ceased to be a mocker, traitorously destroying individuals and blighting society. Adequate relief can come only through total abstinence for the individual and effective prohibition by the State.

We are not unmindful of the cooperation given by other agencies, and commend the work of the Woman's Christian Temperance Union, the World

League Against Alcoholism, the Scientific Temperance Federation, the American Business Men's Research Federation, the Anti-Saloon League, and other similar organizations.

We declare for an intensified program of education and agitation on this vitally important matter, in order that there may be created a national conscience that will not longer tolerate the iniquitous liquor traffic."

Your Board further recommends:

(1) That on February 4, the day of our first Church school lesson on temperance in 1940, our pastors and Church school superintendents observe the day by emphasizing conditions and needs in Alabama, and include an offering for the work of the Alabama Temperance Alliance.

(2) That World Temperance Sunday, in October, be observed, as called for in paragraph 1204 in the Discipline.

(3) That this Annual Conference endorse and support the work of the Alabama Temperance Alliance.

Basis of Choice List for General and Jurisdictional.

Board: L. B. Green, O. L. Tompkins, C. T. Livingston.

LEMUEL B. GREEN, Secretary.

**Special Committee**—D. P. Slaughter read the report of the special Committee on Minimum Salaries as follows:

"Your Committee feels that this whole matter is too important for hasty action, and therefore we recommend that a commission be appointed by the Bishop composed of five members to study the whole matter of minimum salaries of ministers of the Alabama Conference and bring a report for the consideration of the 1940 Conference.

D. P. SLAUGHTER, J. F. McLEOD, B. F. MARSHALL, Committee.

The report was adopted.

Chapman, Director of Evangelism in the Colored Methodist Church, was introduced and took a collection for his work amounting to \$45.21.

Galilee Church Loan approved in sum of \$250.

**RECOMMENDED TO GENERAL BOARD**

Tallassee donation \$1,000 to be made if and when the entire amount of their loan is paid.

Byrd's Chapel donation of \$200 recommended.

We are glad to report that the loan accounts are in good shape in both Conference and General Boards.

Our donation fund is necessarily small, and the suggestion is offered that we finance our Church extension program by loans rather than donations where at all possible.

**Bible Board**—O. G. Pope read the report of the Bible Board and it was adopted as follows:

Your committee on the American Bible Society is happy to make the following report on the 123rd year of continuous scripture ministry rendered by the Society, whose foremost object is to encourage a wider circulation and study of the Holy Scripture.

Each year the Society is more effectively adapting itself to the demands and opportunities of these significant days. New publications are being issued and new translations made. Thousands of embossed volumes in Braille have been distributed in many languages and systems. Counsel and guidance constantly go out from the Bible House to isolated missionaries engaged in translation work.

This committee would call attention to the valuable aids obtained from the Society for magnifying the Bible and its use. Pamphlets, leaflets, stereoptican lectures, Scripture exhibits, and posters are all available, many such aids being free.

Your committee respectfully presents the following resolutions:

WHEREAS, the work of the American Bible Society in translating, publishing, and distributing the Bible is of great importance in the life of the Churches and is indispensable to the whole Missionary enterprise, be it resolved:

FIRST: That we express our hearty endorsement of the activities of the Society in deepening interest in the Bible and making it more generally the common possession of humanity.

SECOND: That inasmuch as Sunday, December 10th has been designated as Universal Bible Sunday, ministers and Churches here represented take advantage of the cooperation offered by the Society in furnishing assistance, plans, and material, and plan for a worthy observance of the day.

THIRD: That our people seek to give fresh attention to the study of the Holy Scriptures and exalt the Bible as a source of our choicest heritage in art, literature, music, personal freedom, social opportunity, political promise, and spiritual and religious power, urging that the Churches and members assume their share of responsibility for a wider distribution of the Bible. That our people may reap daily dividends from this invaluable Spiritual Treasure.

FOURTH: That since our Church gives only 1:15 per cent of its Benevolences for General Work to the American Bible Society, we urge that each local Church strive to always pay 100 per cent on Benevolences.

V. C. HERNDON, Chairman.

O. G. POPE, Secretary.

**RESOLUTIONS OF THANKS**

The Alabama Conference is most fortunate in holding its 1939 sessions in Montgomery, one of the historic centers of Methodism, a city of culture and sacred traditions. Especially has this historic Conference of United Methodism cause for felicitation in meeting in this beautiful, modern cathedral nearing completion under the wise leadership of the genial Conference host, Dr. O. E. Rice, at once the architect, contractor, and financier of this imposing edifice.

The entire membership rejoiced to be present at the history-making ceremony when the three Methodisms were merged into one.

The Conference wishes individually and collectively to express its appreciation to the women of the First Methodist Church who under their

efficient chairman, Mrs. Fitzhugh Lee, furnished daily appetizing lunches and suppers for all.

To the other Methodist Churches of Montgomery thanks are expressed for their hospitality in opening their homes to the delegates and in lending dining-room equipment; and,

To the Highlands Gardens Methodist Church for the invitation to attend the corner stone laying exercises for their new church;

To the Press for interesting and wide publicity before and during the Conference;

To the Remington Rand Company for lending adding machines and to the Underwood Company for lending typewriters, thus assisting in forwarding the business of the Conference;

To Dr. Henry N. Snyder, President of Wofford College, for his informing and inspirational address;

To Dr. W. A. Shelton and Rev. W. E. Hotalen for stirring appeals for a crusade against the liquor traffic;

To Alabama's senator, Hon. Lister Hill, for his eloquent, historic address; and

To all other leaders whose work and addresses added interest to the Conference.

To Dr. and Mrs. Hubert Searcy and the faculty of Huntington College for the use of their chapel and for a most enjoyable reception when delightful converse was held,

To the Montgomery District Superintendent for his helpfulness,

To our Bishop Decell, who has presided over the deliberations with dignity, unflinching courtesy, and rare good humor,

To this Church, its pastor, its men and women all, we express appreciation for hospitality and many courtesies and we pray our Master's richest blessings may abide with them.

## MEMOIRS

**EDITOR'S NOTE:** The Memoir of C. N. Williams was read at the Memorial Session of last year, but in some regrettable way, was not published in the 1938 Journal—for which error suitable apologies have been made.

## CHARLES NEWTON WILLIAMS

During the early hours of July 31st, 1938, the Great Creator opened the portals of Heaven and claimed one of His very own in the passing of Charles Newton Williams, beloved superannuated Methodist Minister, at his last earthly home in Blountstown, Florida.

A severe heart attack stilled the heart of the veteran itinerant preacher after a long siege of illness. He suffered several illnesses during the winter which greatly weakened him and on June 23rd he became ill and was never able afterwards to leave his bed.

Brother Williams was born in Jackson County, on August 9th, 1878. At the age of seventeen he married Miss Lula Taylor on September 27, 1905, and together this Christian couple marched shoulder to shoulder down the pathway of life, stalwartly helping each other along the way. To this union was added seven children, five of whom survive their father.

During his early life, Brother Williams was a tiller of the soil and it was in this occupation that he was engaged when God called him into His service to preach the gospel. During 1910 he was assigned to the Westville Circuit as a local preacher, and on December 7, 1911 he was admitted on trial into the Alabama Conference at its session in Pensacola. On December 5, 1913, he was admitted into full connection.

For twenty years he was in the active ministry. His appointments were: Coatopa, 1911-13; Heiburger, 1913-14; Coffee Springs, 1914-15; Ashford, 1915-18; Blountstown, 1918-22; Eufaula Circuit, 1922-25; Montgomery, Fifth Avenue, 1925-26; Vernon, 1926-30; Blountstown, 1930-31; Malone, 1931-33.

During 1933 his health became so bad that doctors ordered him to give up active work and in November of that year he was superannuated at the Dothan session of the Conference. Shortly afterward he came to Blountstown with his family to make his home among friends who welcomed him with open arms.

After his retirement from active service Brother Williams continued to preach and help those in need, despite the handicap of ill health and lack of means. On February 8, 1935, he was awarded a silver loving cup by the Blountstown Business Men's Club for the most popular outstanding service to the community during 1934.

Funeral services were held at the old family church at Salem near Graceville, Fla., on August 1st. Thirty-odd cars formed the long procession that escorted the body from Blountstown to the site of his early consecration. The large motorecade was met at the church by a vast outpouring of many hundreds of people who came by car, truck, wagon, excart, and horseback from miles and miles around. An estimated thousand people were present, attesting to the great love and esteem held for the deceased.

A greater man never lived in West Florida and South Alabama than Brother Williams. His pure life of service, his unselfish devotion to the needs of his fellowman regardless of station and creed, his kindly spirit of brotherliness, his unswerving loyalty to the Church, his thoughtfulness, and his utter unselfishness in every detail were the closest living examples of the embodiment of Christian virtue this section has ever witnessed.

Brother Williams lived a hard and difficult life, surrounded on every hand by disadvantage, poverty, sickness, and privation. Yet he was one of

the richest men we have ever known. His sublime faith in God and his warm love for suffering humanity made him stand out like a beacon of hope and a rock of unshakable strength. He lived closer to the Master he served so faithfully than anyone we have ever seen.

Thousands of individuals in West Florida and South Alabama can personally testify to the greatness of this humble man, who, without education and resources, did perhaps more personal good than any other individual who has lived in this section during the past generation. Throughout the community of Blountstown and up and down the rural areas in which he worked and helped others, people in every strata of life are exchanging glowing experiences which they had with Brother Williams—incidents of his unselfishness and loving service, acts of privation to help someone else, little acts of thoughtfulness and sympathy, personal evangelization and kind fatherly leadership in hours of sorrow.

The spirit of Brother Williams will long hover over the lengthy paths of his service. His example and the inspiration of his Christian life will live always in the hearts of countless thousands. Even as he helped many by specific acts of loving kindness, his influence will continue to bless and help people to find their way to God and to a better life. The ever-living influence of Brother Williams will stand for years on end as a living monument to his great life.

We who loved him more than words can express have a deep feeling of gratitude that we were given the privilege of knowing him and of sharing his benevolent influence. We are sincerely grateful to God that such a man came to live amongst us. His true worth can never be measured and the vast extent of his helpfulness and spiritual influence will never be known.

Surely the omnipotent heart of God was made happy as He opened the gates of His eternal Heaven to admit this familiar tall, stoop-shouldered, battle-scarred old warrior as he marched in from the earthly battlefield with victorious acclaim!

### CHARLES ANDERSON WILLIAMS

Rev. Charles Anderson Williams was born December 8, 1870, at Cureton's Bridge, near Headland in Henry County, Alabama, and died in the Superannuate Home in Prattville, Alabama, August 24, 1939. His father was William J. Williams, and his mother was Frances Lunsford. On December 29, 1897, Brother Williams was happily married to Miss Mary Dumas of Mobile, who survives him, and will continue to occupy the Home in Prattville.

To this union the following children were born:

Mary Clyde Williams, who died in 1918.

Obadiah D. Williams, now a member of the Alabama Conference.

William Francis Williams, living in El Paso, Texas.

Oscar Eugene Williams, Lowndesboro, Alabama.

Charles Anderson Williams, Jr., who died in 1911.

Katherine Lois Williams, now Mrs. V. G. Browder, Montgomery.

Hazel Elizabeth Williams, Prattville.

Mary DeVan Williams, President of the Student Body of Huntingdon College.

This is as fine a family of children as I have ever known. They render fine service to the cause of Christ wherever they live, and are a blessing to the earth.

While a boy, Brother Williams attended the schools of his community. He attended the old Southern University, Greensboro, Alabama, for five

years, and received the B. P. Degree in 1893, and the A. M. Degree in 1897. He was a good student, and made many friends while in college.

At the Opelika Conference in November 1938, Brother Williams retired from the active ministry, and moved to Prattville, where he resided to the end of his life. He attended church services whenever his health permitted, and his prayers and benedictions were a great blessing to the church and community. My association with him and his fine family was a real joy, and my books show that during the two years I was with him, I visited his home 137 times.

Brother Williams was converted and joined the church under the ministry of Rev. A. L. Sellers, who at the time was pastor of the Echo Circuit in Henry County. He was licensed to preach in May 1890 in old Sylvan Grove Church now a part of Daleville Circuit. He was admitted on trial in December 1897 at Union Springs, and into full connection in December 1899 at Mobile. He served with much success the following charges:

Elba, 1898; Magnolia, 1899; Faunsdale, 1900, 1901; Selma, Water Street, 1902; Summerfield, 1903; Newton, 1904, 1905; Brantley, 1906, 1907; Midway, 1908-1910; Pine Apple, 1911, 1912; Montgomery, Perry Street, 1913, 1914; Jackson, 1915; Monroeville, 1916-1919; Opp and Red Level, 1920; Eutaw and Moundville, 1921; Pine Apple, 1922-1924; Century and Flomaton, 1925; Phenix City, 1926; Elba, 1927; Blountstown, 1928; Hartford Station, 1929; Fort Deposit, 1930; Lowndesboro, 1931, 1932; Citronelle, 1933, 1934; East Brewton, 1935, 1936.

The records show that he served thirty-five years in the active ministry, and achieved much good for the Lord and the church. He served one hundred and seventy-one different congregations, and received on profession of faith seven hundred and forty-five, while eleven hundred and sixty joined the church under his ministry by certificate and otherwise. He raised \$20,297.00 for building and repairing churches, and made a fine showing in collecting the benevolences. Many years his salary was overpaid, and it was seldom short. He was fine in committee work, and rendered much good service for the cause of the superannuate.

On August 25, the body of Brother Williams was carried to Mobile, Alabama, and on the 26th it was laid to rest in the family lot in beautiful Magnolia Cemetery to await the resurrection morning. The funeral was conducted by Dr. H. W. Rice, with the assistance of other ministers in Mobile. Rev. D. F. Ellisor made a short talk, and the ministers acted as pallbearers.

We shall miss him greatly, but know where to find him.

"Now the laborer's task is o'er;  
Now the battle day is past;  
Now upon the farther shore  
Lands the voyager at last.  
Father, in Thy gracious keeping  
Leave we now Thy servant sleeping."

W. T. ELLISOR.

ROBERT BRUCE McGEHEE

March 29, 1884-July 26, 1939

While writing this memoir the author experienced conflicting emotions: grief for a comrade fallen; vexation at his inability to appraise the worth of a man like Bruce McGehee; gratitude for having known him; solemn joy over the prospect that somewhere in God's good time we shall meet him again. It is a devastating experience to lose the friend of a life time, to miss the familiar touch of his shoulder. Yet, it is a comforting and even

a cheering thought that those whom we have loved and lost are withdrawn from us just a little way, they still ours, we still theirs.

Dates, figures, names are more than impersonal items when they record the earthly pilgrimage of a beloved companion. As such they become the afterglow of bright days that are gone, the echoes of joyous hours that have passed, hallowed memories which we fondly cherish.

At Bingham, Alabama, March 29, in the year of our grace 1884, Robert Bruce McGehee was born. A date, the name of an infant, a place on the map of his native state! This is the first record in the annals of the life of a man who was to spend fifty-five years on this earth and to leave it a better place because he had sojourned here. What a goodly heritage! To have so lived that the places that knew him are sweeter and kindlier because he had walked there!

Robert Bruce McGehee was born of a noble family. His father, Dr. Oliver Clark McGehee, was one of the illustrious preachers of the Methodist Episcopal Church, South. His mother, whose maiden name was Mary Linton Henderson, was a daughter of one of Alabama's finest families, and, worthily did he honor the name he bore.

His schooling as well as his antecedents afforded him excellent equipment for the years in which he was to be engaged in educational work and for his subsequently rich and fruitful ministry. After completing the usual courses in the secondary schools he matriculated at the Southern University where he was graduated in 1905 with the degree of Bachelor of Arts. Following his graduation he taught for two years at the historic Barton Academy High School in Mobile, Alabama. In the spring of 1906 he was licensed to preach at the Mobile District Conference at Citronelle, having been recommended by the Quarterly Conference of St. Francis Street Church of which his father was the pastor. He entered Vanderbilt University in the fall of 1908 and was graduated from that institution in 1910 with the degree of Master of Arts. While at Vanderbilt University he was voted by his fellow students as the most popular man in the university, a rare and envied accolade, and a tribute to his winsome and magnetic personality.

From 1910 to 1912 he was a member of the faculty of the Columbia Military Academy at Columbia, Tennessee. So conspicuous was his success here that he launched an educational enterprise of his own, becoming the founder and Co-President of the Gulf Coast Military Academy at Gulfport, Mississippi, where he gave eight years of his life in building the school up to the splendid prestige it enjoys today. In 1923 he was made Superintendent of the renowned Georgia Military Academy, at College Park, Georgia. He was to give two more years to the training of young men for which he had so marked an aptitude, as Executive Officer of the Riverside Military Academy at Gainsville, Georgia.

But through all these busy years the call to the ministry, the urge to preach the gospel of the Sinless Son of God, was never silent nor unheeded. So, abandoning the field of education where he had labored so well, he joined the Alabama Conference in the fall of 1926, and was appointed to the Methodist Church in Greensboro, Alabama, where he served for three years. His next pastorate was to the important post of the Auburn Church which he filled for six years, making an indelible impression on the faculty and students of that great college community. His next and last pastorate was Troy. In the midst of his fourth year at this church, on July 26, 1939, he was suddenly transferred to the Church Above. And the next day he was laid to rest in Montgomery, Bishop J. L. Decell being the chief officiant.

To a man of Bruce McGehee's character and tastes a home built on the foundations of love and beauty was a necessity, and the family of which he was to become the head was all that he could have wished. On October

4th, 1911, he was happily married to Miss Frances Herndon. It was a romance that never faded. Four children consecrated this union: Laura Francis, Mary Linton, Robert Bruce, Jr., Coleman Herndon. Theirs was a home of spontaneous and joyous affections, a home where so little was needed to be explained and so much was understood. His departure left broken hearts and blessed memories; yes, and a foretaste of a reunion in that good Country of which it is written in God's Word, "And He shall wipe away all tears from their eyes, for there shall be no more death . . ."

Bruce McGehee was one whom those who knew him will not forget nor cease to sorrow that he walks with us no more. There was nothing petty or mean in him. He walked through life a stalwart and kindly figure, quick to understand and ready to forgive, eager to encourage the weary and alert to help the forlorn. As a friend he was unstinted in his devotion, as the writer of this too poor a tribute knows so well. As a man there was so little in him to forgive and so much to love. As a minister he was a good soldier of Jesus Christ.

It was not evening when he left us; it was high noon. It is hard to understand why one as gifted as he was and with seemingly many years ahead for continuing his fruitful ministry should have departed so early. In the clearer light of heaven such mysteries will be revealed and comprehended. If our Conference is poorer without him, the Conference Above where Christ is the Chief Pastor and Bishop of our souls is richer because he has joined its shining ranks.

## MEMOIR

Andrew Sledd—1870-1939

In the death of Dr. Andrew Sledd, the Church lost one of its most loyal sons and the kingdom one of its most efficient workers. Words spoken now will not add to our appreciation of his worth, but they will give expression to the sense of loss which we have felt in his going.

Andrew Sledd was born in Lynchburg, Virginia, on November 7th, 1870. His father, Rev. R. N. Sledd, D.D., was a leader in the Virginia Conference, and one of the best known preachers in the Methodist Episcopal Church, South. Being possessed of a profoundly religious nature and being reared in such a home, it was probably inevitable that Andrew should eventually find his place in religious work, but his earliest love was for the classics, a love which never grew cold until the day of his death.

After having taken the A. B. and M. A. degrees at Randolph-Macon College in Ashland, Virginia, he went North for further graduate work. At Harvard University he took an M. A. in Greek, and then later at Yale he took his Ph. D. in Latin. To the end of his life he loved his Latin, and read it for the sheer joy of it.

Expecting to give his life to the teaching of classics, he accepted the chair of Latin at Emory College, Oxford, Georgia, in 1898. He remained in this position only four years, until 1902, but this was long enough for him to marry Miss Annie Florence Candler, only daughter of Bishop Warren Akin Candler, who before his election to the episcopacy was president of Emory College.

Leaving Emory College, Dr. Sledd became professor of Greek in Southern University, at Greensboro, Alabama, for one year, and then was made president of the University of Florida in the early days of the life of that institution. It is a matter of interest that a new building on the campus of the University of Florida was named for former President Sledd only a few weeks ago.

After five years at the University of Florida, he took his second college presidency, this time back at Southern University in Greensboro. He served there from 1910 till 1914. The General Conference of 1914 authorized the establishment of a new university east of the Mississippi River, and when its faculty was chosen, Andrew Sledd, who had no theological degree and had never attended a theological seminary, was the first man to be chosen. His interest in Greek was shifted from the classical to the New Testament area, and for a quarter of a century, until his death on March 16, 1939, he served as professor of New Testament Language and Literature in Emory University with a distinction well known to the entire church.

Though he started as a layman, it was natural that Dr. Sledd's deep religious interest should eventually bring him into connection with the official ministry of his church. While teaching in his first position, at Oxford, Georgia, he was licensed as a local preacher in 1898. Twelve years later, in 1910, he was admitted on trial into the Florida Conference. Moving to Alabama, he transferred his membership to the Alabama Conference, where he remained in full connection until his death. He was never in the regular pastorate. He supplied some churches for brief periods, and was in constant demand as a preacher for every kind of occasion. His clear and logical thought, his deep religious fervor, and his definite sense of commission made him powerful in the pulpit.

Dr. Sledd's religious life was so intense that it is not easy to write of it. He joined the church under his father's ministry at the age of fourteen, but religion was for him something far more profound than church membership and conventional morality. He achieved his religious peace through early struggle so intense as to be almost physically painful, and it left its mark on the rest of his life. As a result, religion was for him always experiential, and all scholarship and all church organization justified themselves only as servants of religion. Most of his preaching was organized around the Wesleyan doctrine of the Witness of the Spirit, and he often claimed jokingly that he had only one sermon.

In an unusual way, Dr. Sledd combined with this warmth of religious feeling an intellectual objectivity which at times seemed coldly analytic. Religion was to him devotion to truth as well as depth of emotion, and he was best known to the church at large, and specially to his pupils, for the exactness of his thinking and his utter abhorrence of shoddiness. His detestation of compromise amounted to a passion, and sometimes made it hard for him to understand or be patient with his brethren who lived on less heroic altitudes.

Dr. Sledd was at his prime during those years when the church was in the throes of its struggle to free itself from literalism and traditionalism, and it was inevitable that he, combining in such a remarkable way vital religious experience with uncompromising and vigorous loyalty to truth, should be thrust out into a place of leadership in that struggle. Many storms broke about his head, and he suffered more than many of his friends knew. For conscience' sake he sometimes stood almost alone as he saw his friends leave him. But he was sustained by a sense of his commission from the God of Truth, and before his death he had the joy of seeing the positions for which he had stood generally accepted, and the church he loved saved, partly through his efforts, from closing its mind against any discoverable truth. Unnumbered preachers today call his memory blessed because he led them in the days of their confusion, and taught them that reverence for God meant facing truth with an open mind. The Methodist Church is moving forward to new chapters in its history, but in the chapter that is closing, he will be reckoned one of its inspired leaders.

Dr. Sledd's first son, Andrew Junior, who was born in 1903, died in 1919. He is survived by his widow and the other seven of their eight chil-

dren. Mrs. J. W. Blake, wife of the District Superintendent of the Lakeland District, is living in Lakeland, Florida. Warren Candler Sledd is pursuing his graduate studies at the University of Michigan. Robert Newton Sledd is living in Decatur, Georgia. Marvin Banks Sledd lives in Schenectady, New York. James Hinton Sledd, recent Rhodes scholar at Oxford University, is teaching at the University of Texas. And the twins, the youngest, Antoinette and Florence, are completing their studies at Emory University. He still lives in his children. But in a broader spiritual sense, he lives in hundreds of lives to whom he was able to communicate something of the wealth of his personality and the power of his faith.

### JOHN PETER SANDERS

The Rev. John Peter Sanders, son of William Floyd and Mary Solomon Sanders, was born October 20, 1850, in Cusseta, Georgia. He lived as a youth in Clopton, Alabama, where he received in grade and high school what formal education he had. He was, however, educated through a lifetime of study and service, and through the reading of good books and Church literature. He was a subscriber to the New York Christian Advocate for fifty years.

He was happily married to Miss Emma Elizabeth Jones on January 5, 1871, and for sixty-seven years these two walked life's road together. They had no children.

Brother Sanders joined the Methodist Episcopal Church, South, in his eleventh year, under the ministry of the Rev. W. K. Norton. In August, 1873, he was granted Exhorter's license, and in November of the same year he was granted license to preach. He was admitted on trial into the Alabama Conference at the session of 1874 and into full connection two years later, when he was also ordained a deacon. He was ordained an Elder in 1878. For thirty-four years he served faithfully the Church which he so much loved.

At the session of the Conference of 1908 he was retired, in which relation he continued until his death, May 2, 1939. He maintained an intelligent and active interest in all the work of the Church. He regularly attended the sessions of his Conference, where his presence was an inspiration and a blessing to his brethren. During the time of his superannuation he lived in Montgomery and attended St. Mark's Church, from which church the funeral services for himself and his wife (who preceded him to the Heavenly Father's home about two years) were held.

Brother Sanders was a good man and a strong preacher. He was among the first preachers this writer ever saw, and never did he see him do or hear him say anything that would even compromise his Christian life.

Although he at no time received a large salary, he accumulated some property, including his home in which he lived for quite a number of years in Montgomery. Several years before his death he made provision that all his property should go to the Church to which he had given his life's work and which he loved so well.

## DIVISION VI—REPORTS

### REPORT OF COMMITTEE ON MINIMUM SALARIES

Your Committee has made a careful study of the problem of providing a living support for the Methodist preachers of the Alabama Conference. We have studied plans that have been undertaken by other conferences; some of these have proved of very little value while others have had a measure of success. These failures on the one hand and these successes on the other have been helpful in guiding the Committee to reach its suggested program. The recommendations we make may be inadequate, but we believe that if adopted they will be a start in the right direction. If these recommendations are accepted in hearty spirit by the leadership of the Conference, the ministers themselves, and cultivated throughout the local churches, the Conference, within a few years, may really have a solution to this very important problem.

### GOALS

We set as our goal a minimum of \$800 for single preachers and \$1,000 for married preachers who are members of the Alabama Conference and giving full time to the work of the church.

### SOURCES OF REVENUE

1. Every Charge where salaries are below the minimum shall be expected to make an effort, under the leadership of the District Superintendent and Lay Leader, to raise its own support of the ministry equal to at least 50 per cent of the amount necessary to bring the Charge up to the minimum.

2. Each Charge in the Conference shall be expected, under the leadership of its Pastor and District Superintendent during the month of January, an amount not less than the amount to be paid by the Pastor of the Charge.

3. Appropriations from the Board of Missions and Church Extension are to be applied to this effort. We urge the Board of Missions and

Church Extension, in making appropriations, to use its funds exclusively among the Pastors below the range of the minimum.

4. Each effective member of the Conference shall be expected to pay into this fund a per cent of his salary according to the following scale:

(a) Salaries to \$1,000.....	1 %
(b) Salaries \$1,001 to \$2,000.....	1 ½ %
(c) Salaries above \$2,000.....	2 %

### METHODS OF COLLECTION

1. It shall be expected of every District Superintendent that he collect the amount due from each effective preacher under his supervision, whether Pastor or other paid worker, such as college professor, orphanage superintendent, Conference Board Secretary, etc.

2. The District Superintendent shall make remittance quarterly to the Treasurer named by the Town and Country Commission of the amounts collected from himself and the preachers of his district.

### BOARD OF MANNAGEMENT

1. The Town and Country Commission of the Conference shall be charged with the administration of this work. It shall be the duty of this Commission to disburse these funds according to the plane hereinafter set forth. This Commission may elect one of its members to be the Promotional Secretary of this plan under any method it may deem best—provided that no funds shall be diverted from the channels intended.

2. The collection of funds will begin immediately following the Conference of 1940. The payment to Pastors will begin with the Conference of 1941.

### DISBURSEMENTS

1. The amount raised in accordance with this plan shall be distributed among the effective ministers of the Conference who have received less than the minimum, subject to the following regulations:

(a) 65 percent shall be used to match dollar for dollar the amount any minister has received from his church or churches in excess of the amount paid by the same churches for the preceding year. If the said amount shall be pro rated. In no case shall any amount be paid from this fund which shall make a minister's total remuneration for the year exceed the minimum. If after complying with this regulation there shall remain any part of the funds from the said 65 per cent such balance shall be added to and distributed in accordance with the following section.

(b) The remaining 35 per cent, together with any balance from section 1, shall be distributed according to the judgment of the Commission. In the exercise of this judgment the Commission shall take into consideration the number of dependent members of the families of ministers, the travel expense of serving the charge, and any other pertinent factors.

(c) No minister whose churches have paid less than the same group of churches paid the preceding year shall share in the distribution of these funds unless the Commission is convinced that the charge is doing all that it can. No charge failing to comply with Section 2 of "Sources of Revenue" of this Report

or with Paragraph 815 of the 1940 Discipline shall share in the distribution of these funds.

2. The Secretary of the Conference shall provide forms suggested by the Commission for the proper administration of this plan.

3. The details of the plan not covered by these provisions shall be left to the Town and Country Commission of the Conference.

Signed: C. M. DANNELLY  
J. F. McLEOD  
L. E. NOBLES  
C. P. ROBERTS  
D. P. SLAUGHTER

(According to the instruction of the Conference the Secretary had 250 copies of this report mimeographed and distributed among the members.)

## REPORT NO. I OF THE BOARD OF EDUCATION

With the full realization that many of the accomplishments in the field of Christian education are intangible and therefore impossible to record in words and figures, the Board of Education wishes to express its heartfelt gratitude to God and its sincere appreciation to our brethren, clerical and lay, for results both tangible and intangible and herewith reports such evidence of visible results as are possible to incorporate within the limits of this paper.

### I. The Department of the Local Church

Several agencies of Christian Education in the local church operate (A) directly for the benefit of children, youth, and adults, and others operate (B) more directly for improvement in the service of adults who teach and lead those of younger years and of other adults.

A. The regular Church School sessions meet from Sunday to Sunday with departments and classes for all age groups. Increase in their enrollment has been experienced for two years previous and the quality of work generally observed continues to be pleasing to staff members of the Board.

However, Sunday offers brief time for the basically important work of Christian education and hence, effort is made in an increasingly large way to establish vacation schools in local Churches throughout the Conference. One hundred and one of these are reported for 1940, an increase of 16 over 1939. Outstanding was the record in the Greensboro District where an increase of 20 for the year was noted.

Closely allied with work in the local Church for youth is the work for youth under Conference staff leadership. These provisions are not enumerated and discussed in this report, although it is important to state that assemblies, conferences, and camps are well attended and most helpful, bearing much fruit or "carry-over" results into local Church work. Especially significant are the Christian Adventure Camps and the Young People's Assembly where attendance is good and the results very satisfactory.

A relatively new movement for youth by youth, under adult chaperonage, has yielded rich rewards. The Youth Crusade Caravan and Youth

Crusade Week commend themselves highly to the Churches of this Conference.

Special days are of unusual educational and religious value as well as of financial importance. These are the fundamental reasons for their observance. Too many Churches are indifferent in these important matters. All Churches are urged to give them the attention they properly deserve.

In this connection, the dependence of your Board's work rests absolutely on two of these special days and in their observance the Board urges, as earnestly and as insistently as it knows how, full one hundred per cent cooperation. These are (1) Church School Day, which was observed by only 332 Churches with an offering of \$1,626.52 whereas all Churches should observe the Day and the offering be largely increased; and (2) Young People's Day, observed in 1940 by only 114 Churches with an offering of \$463.32 whereas larger observances and offerings would greatly help the work of Christian education. We request proper authority for continuing Young People's Day as an annual observance in this Conference.

An important change in Special Days, a step which some regret since it affects adversely the financial structure of the Board and forces it to curtail its staff and program, is the change in the fourth Sunday offerings. Beginning with the new Conference year, the fourth Sunday will be observed as World Service Sunday and all offerings in the Church School will be credited to the local Church's World Service or Benevolent acceptance. This Board will not receive any more support from the Home and Foreign Missionary Enterprise after Sunday, November 24th.

B. As a necessary means for effective educational work in the local Churches, the training of adult workers is given much attention by the staff of your Board. Credit and non-credit institutes, conferences, rallies, and schools are conducted throughout the Districts. Thirty-six Long Course, Short Course, and Epworth Training Conferences have been held. The Conference Leadership School has shown an encouraging growth. Over four years there has been an increase in the number enrolled in classes from 57 to 165; in number receiving credit from 47 to 130; in number of pastors registered in the School from 23 to 85.

## II. The Department of Schools and Colleges

The two colleges in which the Alabama Conference is primarily interested report most satisfactory progress in several particulars.

**Huntingdon College** is enjoying a splendid year. The enrollment again shows a substantial increase, amounting to 25% during the last two years. The debt has been reduced by payment from \$193,000 to \$140,000. More than \$100,000 has been raised in cash and pledges for debt reduction. A conditional gift of \$50,000 has been offered, provided an additional \$100,000 is raised. The College continues to operate with a balanced budget. It is now fully accredited by the Southern Association of Colleges and Secondary Schools, the regional accrediting agency for the Southern States, and enjoys membership in important national educational organizations.

**Birmingham-Southern College** continues to experience a large measure of educational excellence, accredited by the regional accrediting agency and nationally recognized by membership in important educational organizations. It has a large student body which, apart from the Jefferson

County representation, is as large from the Alabama as the North Alabama Conference. Its new gymnasium is progressing toward completion.

The Wesley Foundation Work at both Auburn and the University of Alabama is commended. Many hundreds of Methodist students from this Conference attend these institutions and our Church through the instrumentality of the Wesley Foundation does well to follow and serve them in cooperation continually with the local Churches in these places.

### BOARD OF MISSIONS AND CHURCH EXTENSION CHURCH EXTENSION SECTION

The Board reports financial status both of loan fund and donations. The outstanding loans are in current shape with two exceptions; Evergreen, Alabama and Kinston, Alabama.

The following grants are by the Board rescinded: Evergreen, Alabama Church, loan \$1,423.55, made to refinance their existing loan, was rescinded after being held for their use two years. Graceville Church loan \$2250.00 rescinded at the request of the Graceville Board. Outstanding loan to Jay, Florida Church granted but not placed remains open for their use.

The Committee granted donations to the following:

Sneads Parsonage, Marianna District.....	\$40.00
Youngstown Church, Marianna District.....	40.00
Forkland, Greensboro District .....	50.00

Brent-Ferry Pass loan granted, \$1,000.00, when regulations complied with. Donations not granted. Donations from general Board to St. Paul, Opelika, \$250.00.

The Board appointel a committee composed of Adger Moore, W. E. Middlebrooks, and D. H. McNeal to comply with a request from the General Board in giving statement of Church Extension Aid needed in the Alabama Conference as to (1) Urban Situations; (2) Rural Territories; (3) Industrial Centers.

The Board appointed Adger Moore, N. B. McLeod and E. B. Norton a committee to set up a plan whereby the Church may save some \$12,000 per year, which is at present and has been for the past years paying insurance premiums in excess of losses collected on an average of this amount. It is the duty of this committee to ascertain legal steps, plans for administration, and a feasible set up to be presented for the action of the Alabama Conference in 1941.

### RESOLUTION

WHEREAS, the Board of Church Extension, by a check up of the figures of the Journals for the past ten years, finds a loss of approximately \$12,000 per year which represents the difference between premiums paid and losses collected for insurance carried on the physical properties of the Church in the bounds of the Alabama Conference, and

WHEREAS, The Board feels that this situation could and should be corrected and the saving by such correction would materially strengthen our mission appropriations, our Superannuate Endowment Fund, and the Donation Fund of the Board of Missions Church Extension Section, and

WHEREAS, The Board holds sufficient collateral, mortgages, bonds, etc., to secure payment of any losses which might occur to the physical properties insured under this set up and that the overhead expenses would be negligible and that the operation of an insurance plan could be secured by the Church for the coverage of all its properties in a regulated way and the operation would only require a secretary;

THEREFORE, The Board respectfully asks the Bishop to appoint the above named committee of three to work out a plan for the Alabama Conference and make comparisons and otherwise confer with a committee appointed by the North Alabama Conference at its last session for the general furtherance of this plan.

W. H. McNEAL, President  
ADGER MOORE, Secretary Church  
Extension Section.

(Appointment of above committee approved by the Bishop.)

### BOARD OF LAY ACTIVITIES ALABAMA CONFERENCE 1940

The Laymen's Anniversary was observed at a dinner meeting Thursday, November 21. All lay delegates to the Conference and the members of the Conference Board of Lay Activities, including the District Superintendents, the Conference Lay Leader, and the principal and associate District Lay Leaders were invited.

After the dinner, an informal round-table discussion was conducted on a prepared program.

On adjournment of the general meeting, the Conference Board of Lay Activities was called into session.

After a spirited discussion for an hour and a half, the following recommendations were made:

1. That a definite program of study of the aims, objects, and program of the Church be promoted through Conference, District, and Charge Lay Organizations; more specifically, that District Lay Leaders organize a District League of Stewards in their several districts for study and culture purposes.

2. That, so far as practicable, all the Churches of the Conference adopt the "Unified Budget" and conduct an every member canvass, after the proper cultivation period.

3. That every Church adopt as a specific objective the cultivation of fraternal relations, good will, and Church morale; emphasizing the visiting of the sick and helping the poor.

4. That Laymen's Day be continued and, so far as practicable, that it be observed in all the Churches; further, that a general program of Lay Speaking be promoted throughout the Conference.

5. That the Conference Lay Leader arrange for a mid-year meeting of District and Charge Lay Leaders for an intensive study of the objectives and procedures in laymen's work, and for devising ways and means of stimulating and directing lay activities.

Laymen's Day was observed in some seventy-five churches in the Conference.

Zebulon Judd was nominated Conference Lay Leader.

### METHODIST CHILDREN'S HOME REPORT TO ANNUAL CONFERENCE

There has been an increase in the number of children this past year. At present there are in the Home 161 children (72 boys and 89 girls). There are a number of applications which are being investigated, and it appears that several of these will have to be admitted. There are twelve of the older boys that are members of the National Guard and they will be mobilized within a few days, and taken from us. They are all fine boys.

Many readjustments have been made in order to provide the expansion necessary for the increased enrollment. Repairs and improvements costing over \$4,000 were effected. A new cottage adjoining the Home property has been purchased at an additional cost of \$2500, and will be remodeled and put in use within a short time.

Perhaps the greatest need at the Institution now is for a new building suited to general and varied use, such as for training boys and girls in certain lines of endeavor; for play rooms, basketball courts and other indoor recreation; and for meeting other needs for indoor space constantly in demand.

Progress along all lines has been made during the past year. The health of the children has been normal. A spirit of contentment and co-operation prevails. Satisfactory school work is being accomplished. The children regularly attend Church School at the Home, and the Sunday morning Church service at Church Street Church in Selma.

The income for the past year amounted to \$45,091.19 from all sources, as follows:

Christmas and fifth Sunday Collections, Ala. Conf.....	\$13,453.20

### CONFERENCE GOLDEN CROSS DIRECTOR'S REPORT

The following petition having been passed without opposition at each of the 1940 District Conferences of the Alabama Conference; we respectfully request this Conference to receive and approve this petition and authorize the Golden Cross to proceed in the several Districts of the Conference accordingly.

"We the members of the \_\_\_\_\_ District Conference in regular session at \_\_\_\_\_, Date \_\_\_\_\_, petition the Alabama Conference to rule that the money, secured through the Golden Cross enrollment, be used in the several Districts of the Conference on the basis of the amount raised in each District, for hospital ministry. Application for aid shall be made through the Pastors and approved by the District Superintendents."

We also request this Conference to authorize the Conference Golden Cross Director to make contract with one or more hospitals in each District, on the most reasonable terms to be secured. It is to be understood that this hospital service shall be given only to charity cases and in wards, except that when the physician considers it absolutely necessary, a private room may be provided.

We also recommend the authorization of a specified blank to be used by the patient asking Golden Cross aid. This form shall provide place for a physician's diagnosis, a Pastor's statement, name of patient's church with amount it has contributed to Golden Cross for the past and current year; also to provide for information as to ability and willingness of said Church to contribute to Golden Cross to assist in the case, the amount and when to be contributed.

The application to be signed by Pastor, and the Church or Charge Golden Cross Director and sent to the District Golden Cross Committee, which shall be composed of the District Superintendent and the District Golden Cross Director, who shall be authorized to receive and pass on all applications.

The Golden Cross Director's actual expense, connected with the office, shall be provided for out of funds received.

Date of enrollment for Golden Cross to be fixed so as not to conflict with any date already agreed upon for any special cause.

We respectfully request the appointment of District Golden Cross Directors in each District. Where practical let him be a minister or lay-

man residing in community where District Superintendent lives. We also request that Directors be provided for each Church or Congregation. We recommend that Golden Cross enrollment be set for March 9 and week following. We request that reimbursement for expense of \$32.84 of Director during past year be provided for.

In connection with my office I have mailed to our District Superintendents, Pastors, Church School Superintendents, and Golden Cross Directors 890 letters with other literature enclosed.

We have personally represented the work at 7 of the 9 District Conferences. Bro. O. D. Langston kindly represented our work for us at the Mobile and Pensacola District Conferences.

We have traveled over 1500 miles and have expended for gas, oil, stamps, paper, envelopes, etc., \$32.84.

We are submitting to the Board of Hospitals and Homes a suggested plan for promoting the work of the Golden Cross in our Conference.

S. T. TROTTER, Conference  
Director of Golden Cross.

### BOARD OF CHRISTIAN LITERATURE

From the earliest history of Methodism to the present day, Christian Literature has wielded a tremendous influence on the minds and lives of the constituency of our great Church. In order that this good influence

might continue we recommend the diligent reading and studying of the Bible and our papers and periodicals.

We desire that the Bible become the hand book of every Methodist home and that it be used as a guide for our devotions. We recommend December 8th as Bible Sunday for this year and that it will be observed in every Congregation of our Conference.

We heartily endorse the address made by Editor Dr. R. L. Smith at this Session of our Annual Conference in behalf of the New Christian Advocate and urge upon our people to embody this periodical in their reading matter.

We further recommend the use of Alabama Christian Advocate, The Upper Room, the World Outlook, The Missionary Woman, The Christian Home, The Pastor, The Epworth Highroad, and our Church School Literature for the inspiration and information of our people.

We point with pride to our great Methodist Publishing House. We rejoice in the fact that this has been the most successful and profitable year in its history. We are sincerely grateful for their check of \$4360.90 to our Conference Claimants as our proportional share of the divided profits of this fiscal year.

Concerning the Alabama Christian Advocate we make the following recommendations:

(1) That we express our appreciation for the publicity, promotional and inspirational service rendered by the Advocate to all the phases and departments of our Church program;

(2) That we urge all our district superintendents, pastors, lay leaders and officers of the Woman's Society of Christian Service to devote earnest and persistent efforts toward increasing the circulation of the Advocate;

(3) That we approve the continuation of Goals heretofore set up: namely, the Advocate in every home wherever possible, and a minimum goal of at least one Advocate for every ten members;

(4) That we endorse the proposal to make the Alabama Christian Advocate the Conference Organ of the Memphis Conference, this matter having already been approved by the Board of Directors of the Advocate, by the North Alabama Conference and by the Memphis Conference;

(5) That B. F. Marshall be reelected as a member of the Board of Directors of the Advocate for a period of five years.

W. C. COWART, President.

C. H. SEIBERT, Secretary.

## BOARD OF TEMPERANCE

Your Board of Temperance views with increasing alarm the growing curse of liquor evils among our American people. There is a saloon to every 71 families in the United States. Two saloons to every church, and five saloons to every three of our public schools. So soon after repeal of the Prohibition laws, and with the promise that saloons would never come back, we have nearly one-half million of them bringing tragedy, degradation, sorrow, and death to our people. Produced by these modern saloons are more drunkenness, more alcoholic insanity, more deaths from alcoholism, more adult crime and juvenile delinquency, more prostitution and venereal disease, more gambling, more political corruption, more broken homes, more poverty, and more human degradation than our civilization ever experienced during the worst of the Old Saloon Days.

We deplore the fact that in Alabama during the last 43 months, extending from March 10, 1937 to November 1, 1940, approximately \$60,000,000 has been taken out of the channels of legitimate trade and spent for liquor, wine, and beer. This enriched the brewers, and distillers in other states, but it brought all the curse of the liquor traffic upon our state. Alabama got \$9,000,000 of this blood money for revenue. This amount would not have given a decent remuneration to the families that lost their bread winners by loss of jobs from drink, or were murdered in drunken brawls, or died in traffic accidents where liquor was the cause of the tragedy. If the \$37,000,000 that the brewers and distillers in distant states received, had been spent in legitimate trade in Alabama, there would be a healthier business condition in our own state.

We denounce the Alabama Beverage Control Act and every other scheme of liquor legalization in this nation. And we pledge our support and assistance to the prohibition forces of Alabama, led by the Alabama Temperance Alliance, and the Woman's Christian Temperance Union, to work for Statewide Prohibition in Alabama by 1943. We urge our Methodist people to cooperate with these temperance forces in obtaining repeal of the Alabama Beverage Control Act, or in securing a statewide referendum providing for Statewide Prohibition upon a Dry Majority being polled in such election.

We request by the adoption of this report, that the Secretary of this Conference be instructed to send the following telegram to the President of the United States:

"We, the members of the Alabama Conference of the Methodist Church in Annual Session at Panama City, Florida, this twenty-third day of November, 1940, do hereby respectfully request and urge you as President of the United States of America to recommend to the Congress enactment of laws completely prohibiting the sale of alcoholic beverages of any and every kind at all military camps, forts, cantonments, training centers, naval bases and aviation establishments, and all other centers engaged in preparation for our military defense; and to prohibit such sales by any one at any place to soldiers in uniform, or laborers working for our defense."

We recommend that our Church Schools and colleges, Leadership Schools, Training Schools, Assemblies, Annual, District, and Zone meetings of the Woman's Society of Christian Service, and all District Conference Sessions give prominence to temperance education against the use of alcoholic liquors.

We ask the Alabama Conference by its adoption of this report to designate February 2nd, 1941, as a Sunday to observe appropriately in

every one of our Church Schools recognition of the Alabama Temperance Alliance, and that a special cash offering be taken on that date in every Church School for the Alabama Temperance Alliance, with the understanding that if adverse weather, or any other cause prevent such offering being taken on that date, this cash offering shall be taken on the first Sunday possible thereafter.

R. J. HASKEW, Chairman.  
D. E. MARIETTA, Secretary.

### BIBLE BOARD

The American Bible Society has been in existence for one hundred twenty-four years circulating the Scriptures throughout the world. This is in keeping with its great objective which is to promote a wide circulation and study of the Holy Scriptures.

By its new publications and translations and its effective distribution of the Scriptures, the society has accomplished much in the spread of the gospel. Not only does the society aid missionaries in all parts of the world, but in the local Church it offers to help cultivate interest in the Bible by pamphlets, Scripture leaflets, posters and stereoptican lectures.

The committee presents the following resolutions:

Whereas, the American Bible Society in translating, publishing, and distributing the Bible is rendering inestimable service in the cause of missions at home and abroad, therefore,

Be It Resolved, First, that we endorse the great work of the American Bible Society.

Second, inasmuch as Sunday, December 8th, has been designated Universal Bible Sunday, your committee urges the ministers and the Churches of the Alabama Conference to observe the day by using the materials furnished by the Society.

Third, realizing the value of a vital knowledge of the Holy Scriptures to the growth of Christian experience we suggest that a constant study be carried out in the home and the Church school under the guidance and direction of the preachers.

B. I. HUGHEN, President.

K. E. SCOTT, Secretary.

## AUDITING COMMITTEE

We, the Auditing Committee appointed by the Commission on World Service and Finance, had before us all the books, vouchers, etc. of the Conference Treasurer, Rev. W. H. Venters, on January 2nd, 1940. We made a careful investigation or audit of all moneys received and disbursed and found everything in perfect order and everything accounted for.

His books showed a balance of \$9.76 over the amount shown as reported in the minutes as having been paid in to him. This was due to having no place in the Minutes for reporting the odd cents. There was also one item of \$31.00 which was reported in the Minutes as having been paid but this amount was never received by the Treasurer. It was cash in a Registered Letter said to have been mailed by the Pastor, at that time, on the Millville Charge. It was lost in transit and this amount has never been replaced. The Treasurer has made every effort to secure from this former Pastor and the Post Office Department this amount but so far his efforts have been in vain.

Other than these two items his books were in perfect shape.

### REPORT OF THE COMMITTEE ON CONFERENCE OBJECTIVES

We recommend the following objectives for the coming Conference year:

1. A greater consecration, a deeper spiritual experience and a more consecrated life and service for our ministers and laymen. A greater emphasis upon the program of worship in our services.

2. A systematic program of evangelism, individual and mass, in all our Churches, including pre-Easter revivals as far as practical.

3. Increased emphasis upon Christian literature as a means of bringing about a more intelligent life and service in our Churches, with special emphasis upon the circulation of the Alabama Christian Advocate and the National Christian Advocate, with a goal of at least one subscriber to the Alabama Christian Advocate for every ten active members and one subscriber to the National Christian Advocate for every 25 active members.

4. A Vacation Bible School in every Charge, a Leadership Training School in every District, and a larger Conference-wide Leadership Training School.

5. A hearty cooperation with Dr. R. R. Ellison in raising the entire indebtedness on Huntingdon College and a loyal support of Birmingham-Southern College.

6. The acceptance of the askings for benevolences where reasonably possible and the acknowledgement of all acceptances as moral obligations.

7. A definite program of stewardship for the entire Church and the adoption of the financial program as set forth in the Discipline of 1940.

## DIVISION VII—MEMOIRS

## RILEY AUGUSTUS MOODY—1867-1939

Riley Augustus Moody was born in "Valleyton" now Luverne, Ala., April 12, 1867. The son of William Franklin Moody, and his wife, Dorcas Jane Moody, and died December 7, 1939 in Dothan, Alabama.

R. A. Moody was converted at Rutledge Camp Meeting held in September, 1882, and was received into the Live Oak Church on the Rutledge Charge in October, 1882, under the ministry of the late Rev. C. D. Jordan.

The writer has often heard Brother Moody speak of what a bright happy conversion he had, and this Bethel experience he never questioned.

R. A. Moody received his early schooling in the public schools of the day, and later entered the Old Southern University, from which Institution he was graduated in June 1891 with the degree of Bachelor of Philosophy. For a year and a half he taught school. Teaching first the public school of Elba, and then serving one year as Principal of the High School of Luverne, Ala.

In December, 1892, Brother Moody was admitted into the Alabama Conference on Trial. In 1894 was ordained Deacon by Bishop O. P. Fitzgerald and ordained Elder by Bishop John C. Granberry in 1896.

On the 21st of November, 1895, Riley Augustus Moody and Miss Hattie Virginia Morris were married in Mobile, Alabama, by the late Dr. O. C. McGehee and Dr. D. A. Planck, a Presbyterian minister.

To R. A. Moody and wife were born five children. The four daughters who live to honor his memory are Mrs. Thomas L. Waters, Pensacola, Fla., Mrs. Clyde L. Coe, Mrs. J. Whit King, and Mrs. J. Ernest Walton. These three with their mother live in Dothan, Ala. The son died in infancy. There are seven living grandchildren.

He served the following charges in the Alabama Conference to which he gave all the active years of his ministry: 1893, Baldwin Circuit; 1894-95, Letohatchie Circuit; 1896-97, Pensacola Mission; 1898-1900, Abbeville Station; 1901-04, Thomasville Station; 1905-07, Clayton; 1908-1910, Eutaw-Moundville; 1911-1913, Greensboro Station; 1914-16, Prattville District; 1917-18, Pensacola District; 1919-21, Dothan, Foster Street; 1922-25, Dothan District; 1926-27, Gadsden Street, Pensacola; 1928, Dauphin Way, Mobile; 1929-30, Troy; 1931-33, First Church, Eufaula; 1934-37, Luverne. Was Superannuated in November, 1937, at the Conference held in Marianna, Florida.

His was a fruitful ministry, every year shows numbers received into the church on Profession of Faith; some years large numbers. Large sums of money were raised by him for building purposes, paying church debts, etc. The Journals of the Alabama Conference show how fruitful his ministry was, and that no claims or obligations made on his charges were ever neglected or failed to be paid in full.

These are but cold figures, names, and facts; but they are not impersonal items when they record the earthly pilgrimage of a beloved companion. They are the outlines of hallowed memories that become all but sacred with the passing years.

The last two years of his life were years of waiting, and much of the time of great suffering. The writer visited him often during those years, but never during those days of waiting were there any shadows across his spiritual skies. He often said when I would leave, "If I am gone when you come back, tell my brethren, all is well."

There is nothing more beautiful than the benediction of a life dominated by spiritual incentives and undergirded by an unfailing faith in the

reality of changeless moral and spiritual values, evidenced by a constant purpose to render unselfish service and to make a substantial contribution toward the sum total of good in the world.

Those who knew him best will readily recognize the reasonableness of such a characterization of the life and ministry of Riley Augustus Moody.

Through the years that are yet ahead we will miss his genial presence, his wholesome fellowship, his inspiring experiences, and wise counsils. His memory, enshrined in our hearts, will be a stimulus to sacrificial service throughout the years to come.

To me, R. A. Moody was more than a guileless and efficient minister of the Gospel of Jesus Christ; he was a close personal friend and brother, with whom to associate was a great privilege.

To my mind Moody was one of the noblest and best of the many great and noble ministers who have and do make up the roll of the Alabama Conference.

To the God and Father of us all, and to Jesus Christ, our Saviour, whom Moody loved so devoutly and loyally served, we commend his widow, daughters, and grandchildren, and pray that in God's Great After-while they all may meet in "The Land of the Unsetting Sun."

The vase may be broken, the flowers scattered, but the fragrance lingers still; so the influence and memories of the good, faithful life of Augustus Moody will linger with us for good through all of the Tomorrows of Life.

D. P. SLAUGHTER.

#### JOHN CULBRETH PHARES—1879-1940

John C. Phares was born at Phipps, Alabama, twelve miles east of Moundville, Hale County, Alabama, on March, 2, 1879. He was the son of Thomas James Phares and Sarah Jane Clary Phares. He was educated in the elementary and high schools of his county, and through his own initiative and study during the twenty-six years in the Methodist ministry.

November 29, 1900 he was married to Miss Georgia Ann Clary. To them were born five children, one boy and four girls. The son and one daughter died in infancy. Sadie Ethel was born in November, 1902 and died in April, 1903; Ellouise was born March, 1914 and died in July, 1917; Ruth Lee, the only surviving child is Mrs. Clarence Clyatt Sewell, who, with her husband and daughter, lives at 6 Jones Ave., Toulminville, Mobile, Alabama. This granddaughter was the joy of Brother Phares' heart and brought much sunshine into his life. How they loved each other. The home life of the Phares family was beautiful in comradeship and Christian purpose. No one ever visited that home without feeling something of its atmosphere of genuine, unostentatious devotion. Sister Phares was more than wife and mother, she was a comrade in the cause of Christ to which John Phares gave his life.

Brother Phares was for many years a great sufferer. During his first pastorate at Linden, one leg became infected and had to be amputated. In all the years following, he was submissive, patient, and cheerful. Much of his work was done in pain but with radiant spirit he toiled on in the vineyard of the Lord.

He joined the Methodist Church when he was thirteen. In the summer of 1892, under the pastorate of Rev. J. M. Tatton, he joined China Grove Church on the Havana Circuit. He was licensed to preach at Marion, Alabama, on July 10, 1910. He was admitted on trial in the Alabama

Conference, meeting in Union Springs, Alabama, December, 1912. The Conference of 1914, meeting in Andalusia, Alabama, received him into full connection.

The record of his years as a member of the Alabama Conference is attached herewith.

John Phares was a man in whom there was no guile. He loved everybody and everyone who knew him was his devoted friend. His life was sincere, genuine, transparent, and his character was grounded deep in the Faith and his chief concern was to be a worthy representative of his Lord. No one ever knew him intimately without being a better person. One of his former District Superintendents in a recent letter says of him: "He was surely one grand illustration of the grace of God." He was a good preacher, an effective church manager, and through his ministry hundreds came into the church and a host of others were blessed by his life and ministry.

In the Fall of the fourth year of his ministry at Marion Junction-Orrville, he was desperately sick in a hospital in Selma. His family, friends, and doctors expected his death at any time. But his unusual physique and his desire to live gave him to us for a few more years. The Conference of 1937, meeting in Marianna, Florida, gave him the superannuate relation, and he and his family moved into one of the homes at Citronelle, Alabama, where Mrs. Phares will continue to live.

Sunday, August 18, 1940, at his home in Citronelle, Alabama, he went from the church at work in the world to the church triumphant. In the notice of his death the Alabama Christian Advocate says of him: "During the lingering illness the radiance of his faith, hope, and love shone forth to bless all who came in touch with him."

Brief services were held at the home in Citronelle with his pastor, Rev. J. T. Cameron and Rev. G. O. Huguen, of Calvert, reading the lessons and Rev. V. C. Herndon, of Whistler, leading in prayer.

Tuesday morning, August 29th, the funeral was held in the Methodist Church, Moundville, Alabama. Dr. B. F. Marshall, pastor, Rev. J. T. Cameron, and the writer, as Brother Phares requested, had charge of the service. Many of his brethren of the Conference and a host of friends were present.

We send our love, our continued prayers to his loved ones and rejoice, that though his name is lost from our honored roll, it is written in the Lamb's Book of Life.

J. FLETCHER McLEOD.

### G. K. WILLIAMS

A still, small voice whispered to one of the most beloved superannuated members of the Alabama Conference and, "he was not for God took him." Only a whisper was necessary for the close proximity of his walk with God made him in the image of God.

Even though superannuated for nearly seventeen years, his life was beautiful and active to the very end. A few moments before answering the summons, Brother Williams laid down the spade beside the fresh spaded

dirt where he was in the process of planting another rose bush in his front yard, he walked inside his humble little cottage and told his faithful wife of his struggle and wrapped the draperies of his couch about him and soon experienced the great transition with absolute faith and serenity.

Funeral services were conducted at the Church by Dr. J. F. McLeod, Rev. D. M. Pearson, and Rev. D. C. Whitsett.

George Kittrell Williams was born June 22, 1862 in Montgomery County in Alabama. He was educated in the schools of Montgomery County and studied for three years under Dr. E. T. McMorris at Ramer, Alabama and Lowndesboro. He was a student throughout his life.

He was married to Rosadell Rudisill, January 7, 1892. To this happy union were born three children, Louise Adell, Clara Beall, and Walter Douglas Williams. His wife and children survive him. Shortly before his sudden death, he was made happy by a visit from his great-grandchildren.

Brother Williams was licensed to preach and admitted on trial at twenty-three years of age and faithfully and efficiently served the following charges:

1887, Ellington Circuit and Grand Bay Mission; 1888, Pleasant Valley and Creola; 1889-90, Green Circuit; 1891-92, Rembert Hills; 1893, Thomsville Circuit; 1894-96, Faunsdale and Marion Junction; 1897-98, Louisville Circuit; 1899-1902, Autaugaville Circuit; 1903-05, Camden and Oak Lawn; 1906-08, Lowndesboro Circuit; 1915, Dothan, Lafayette; 1916-17, Hartford and Slocumb; 1918, Greensboro Station; 1919, Montgomery, Clayton Street; 1920-21, Marion Junction and Orrville; 1922-23, Brundidge.

He was superannuated in 1924.

One-third of his ministry he received less than \$1,000 per year for his services. Several of these years he made less than \$500.00, yet he served earnestly, willingly, and always lived economically.

A more courteous, cultured, and brotherly gentleman never lived. He walked with an air of aristocracy and the spirit of a saint. His chivalry and determined independence caused him to bear many hardships without complaint.

Paul boasted of sitting at the feet of Gamaliel, but four years of constant association, inspiration, and fellowship with this saintly character was a transfiguration experience. A life was never the same after having known Brother Williams. His spirit was a benediction to the city of Demopolis and the Alabama Conference.

May the rose garden of his life beautify the souls of men and the fragrance of his unselfish service sweeten his precious memory.

DAN C. WHITSETT.

### RESOLUTION OF APPRECIATION

At the request of the Conference, the Secretary takes pleasure in putting into our records the sentiments of appreciation so fittingly spoken by Bishop Decell on Sunday afternoon. As a Conference we indeed have been most royally entertained. Brother Turnipseed, Miss Murphy, Brother Sapp and his Committee, and every person connected with the business of entertaining this Conference have literally laid themselves out to make us comfortable and facilitate our work. All over the city the sign "Welcome Methodist" has been backed up by cordial and gracious service. And as guests in the homes of Panama City folk we have had the best. Especial thanks are expressed to the Daily Press, and to the office force of the Chamber of Commerce for most friendly help in an emergency mimeograph job.

To Bishop Darlington the grateful appreciation of both Conference, visitors, and Panama City Church goes is due. He gave us spiritual inspiration and encouragement and more than made good his reputation for spirit-filled, impressive, revival sermons. We follow our Senior Bishop with our blessings and prayers.

As we say our farewells we also say from our hearts, Panama City Methodists and friends, you certainly KNOW HOW to entertain an Annual Conference: Good Luck, Good-bye, and God bless you.

THE SECRETARY.

**BOARD OF LAY ACTIVITIES**

At the business session of the Laymen's meeting last night, before the nomination of a Conference Lay Leader for the next year, Dr. Zebulon Judd, who has been our efficient, untiring, spiritually imbued, and divinely

inspired Lay Leader for the last six years, feelingly expressed his appreciation of the hearty cooperation and support of the Conference Lay Board and of the entire Conference, laymen and ministers alike.

He stated that he highly prized the opportunity to serve his Church through the office of Lay Leader and that the warm friendships and fellowship developed would always be cherished as a priceless possession.

After Dr. Judd's elimination of himself as a possible successor to himself, Dr. L. L. Clifton offered the following resolution in appreciation of Dr. Judd's services as Conference Lay Leader for the past six years.

Whereas, Dean Zebulon V. Judd has rendered conspicuous and distinguished service as the Lay Leader of this Conference for 6 years and has at all times given his best effort for the interest of our Church, therefore

Be it resolved, that we express to Dean Judd our thanks and appreciation for such unselfish service and inspiring leadership.

Respectfully submitted,

### REPORT OF THE BOARD OF EDUCATION

The Board of Education of this Conference gives thanks to Almighty God for achievements made possible and for the faith that compels further efforts toward building His Kingdom here among men.

Your careful and prayerful thought is directed to the observation that the Christian church, in its total ministry, may be truly called an educational institution which seeks to proclaim and make potent the full meaning of its faith in Jesus Christ our Lord. Christian education is the church at work, whether at the task of instruction in the faith or in the program of training in worship and in conduct. Christian education is not a separate item in the life of the church but has been described as a name to include all its activities, including missions, stewardship, evangelism, vacation church schools, week-day schools, study groups, young people's fellowships and all the rest. Only a misinterpretation of the term would omit evangelism with which education is often contrasted. Christian education indeed holds that no man can enter into the fullness and richness of his rightful heritage until he has been brought face to face with the claim of God upon his life. The objectives sought by the Church through its educational program include an understanding and an acceptance of Jesus as Lord and Saviour, an experience of personal fellowship with God, the maturing of a Christian philosophy of life, a continuous development of Christ-like character, an intelligent share in work for the improvement of the social order, definite life commitment to the fellowship of the Church in its worship and work both at home and abroad.

The year has been a busy one with the staff. Much work obviously is not reducible to statistics. Yet there is visible evidence of successful achievements, a few of which are incorporated in this report.

The children's work has had fortunate guidance by Mrs. J. P. Walton, volunteer worker. In this division achievements include the holding of 82 Vacation Church Schools with 881 workers engaged and 4458 children enrolled. A very dramatic demonstration of combining theory and practice has been presented by the Children's Division this year in the field

of missionary education, the children of the Conference becoming interested in the Cajan Mission and supplying it with funds to equip and beautify the rooms for primary and junior children.

Youth Fellowship activities have been given new impetus with the employment of Brother Charles C. Turner, Jr. Two Youth Caravans, each composed of an adult counselor and four young people, helped fourteen churches and reached a total of 906 persons in the area of youth work.

Initial efforts toward a successful program of Young Adult work have been made by the Executive Secretary. This field is indeed white unto the harvest and work within it culminated in a Young Adult Assembly at Huntingdon College during the past summer.

Leadership training work continues through the agency of schools and conferences which are promoted by our Methodism. A total of 822 credits in training work were issued during the nine-month period from January through September.

**Colleges.** Huntingdon College enjoys continued progress, both in student enrollment, with a steady increase of Methodist students, and with the dormitories crowded to capacity, and also in financial matters. The college continues to operate with a balanced budget for the fourth consecutive year. Since the 1940 session of this Conference, the indebtedness has been reduced by cash payment of \$37,189. The debt has been reduced from \$243,309 on June 1, 1938, to \$113,596 on December 1, 1941, a reduction of approximately \$130,000. The value of buildings, grounds and equipment is \$883,068 and the endowment is \$384,410.

The Conference is requested to approve appropriations for Huntingdon College in a sufficiently large sum to enable the institution to receive at least as much for the coming year as was received this year both through the treasury of the Board of Education and through the Conference treasury.

The Conference is asked to give its endorsement to the program to stabilize Huntingdon financially and to urge that all ministers and laymen join wholeheartedly in the financial program. The college has a conditional gift of \$50,000 and advantage of the opportunity should be taken. A great future awaits the college under the splendid leadership of its president and vice-president.

The following trustees are recommended for a three-year term: W. F. Calhoun, E. P. Flowers, W. M. Curtis, A. F. Delchamps. The following substitutes for two years: H. M. Andrews for O. S. Welch and E. A. Childs for O. E. Rice.

Birmingham-Southern College has at present an enrollment of 1126 students, a faculty of 58 members, endowment of \$589,880 and a property value of \$2,025,630. The college continues to maintain its usual high intellectual standards. Its physical properties have been greatly improved by the erection of a fine physical education building which has been needed for its expanded program in this field. The 470 Methodist students participate in the Methodist Student Movement which operates in connection with the Youth Fellowship of McCoy Memorial Church. In the Department of Religion students are awarded annually over 800 credits in the Methodist program of Leadership Training. Forty-five ministerial candidates are enrolled in the college, and of those graduating last spring nine have entered graduate schools of religion.

The following trustees are nominated for a three-year term: R. F. Henry, E. C. Moore, D. P. Slaughter, W. C. Mackey.

The Wesley Foundation work is an essential on the campus of the large state institution of learning. Auburn has 1291 Methodist students, approximately one third of the 3800 students enrolled there, and the University of Alabama has 1219 Methodist students, approximately one fourth of the enrollment there. Although the University is located in the bounds of the North Alabama Conference, attention is called to the fact that the ratio of Methodist students there is 3 to 2 with the larger number from that Conference. Through the Wesley Foundations these students are trained in the work of the church and strengthened in their loyalty to it. At both of these state institutions, and also at Huntingdon and Birmingham-Southern, a program of sending groups of students to Methodist churches has begun. This is helpful both to the churches visited and to the young people who render the service.

A brief appeal is made to the Conference and through its members to all Methodists in our bounds relative to a tragic fact in connection with the work of this Board. Your Board now operates on approximately \$2300 less than previously as this Conference seems to be the only Conference in Methodism where the Board of Education suffered this reduction through the fact that the fourth Sunday offerings are being credited to World Service collections rather than directed to the program of education as heretofore. Largely as a result of this fact and the further fact that only 245 churches or approximately 40 per cent of the churches have reported an offering from the observance of Church School Day with a sum of less than \$1500 the Board is unable to pay its staff reasonable salaries or to promote the program of Christian education with its accustomed vigor and successful results. A much larger observance of Church School Day can result in a much more satisfactory program of work to the glory of God and the furtherance of His cause. Brethren, please take heed and help in this great need.

The Board nominates Rev. A. B. Carlton as Executive Secretary; Rev. Charles C. Turner, Jr., as Conference Director of Youth Fellowship; and Miss Mary H. Jones as Office Secretary.

The Board recommends the following appointments:

Students—To Emory University: Charles A. Corbitt, A. F. Howington, Daniel Jones, N. R. Blocker.

Professors—To Scarritt College: A. E. Barnett. To Athens College: T. P. Chalker.

Vice-President Huntingdon College—R. R. Ellison.

Respectfully submitted,

BOARD OF EDUCATION,  
By S. M. BAKER, President,  
and C. M. DANNELLY, Secretary.

**RESOLUTION ON UNITED CHRISTIAN EDUCATION ADVANCE**

The moral and social conditions in our world make it imperative that the Protestant denominations in America reach as many persons as possible with Christian teaching. The basis of a just and lasting peace is to be found in the Golden Rule: "Whatsoever you would that men should do unto you, do you even so unto them." This rule of life must be made supreme in the attitudes and conduct of individuals, groups, and nations.

This is basically an educational task. Its importance is so great at this time, and the hindrances in the way of its achievement are so formidable, that cooperative action is essential. This must involve cooperation between pastors and church school officers and teachers in the same church; between Methodist churches of a community, district and annual conference; and between the different Protestant churches of a community, county, and state.

A movement has been inaugurated by more than thirty Protestant denominations in America to extend the educational service of the Church to all unchurched groups in every community in our land. The ultimate success of this movement depends upon the wholehearted participation of local churches. It should be remembered that this involves no additional machinery and expense. It is a cooperative effort to stimulate our churches to do what the great commission of our Lord lays upon them as a Christian responsibility.

Therefore, be it resolved by the Alabama Annual Conference that we endorse the purposes of the United Christian Education Advance and call upon all the local churches in our Conference to cooperate in this united Protestant effort to reach every person with Christian teaching.

CONFERENCE BOARD OF EDUCATION,

S. M. BAKER, Chairman

C. M. DANNELLY, Secretary.

**METHODIST CHILDREN'S HOME****Report to Conference**

Because of the fact that the barns, dairy building, stock pens, etc., were located immediately back of the main buildings, and in the midst of a large residential section of Selma, it became necessary this year to wreck these out-buildings and construct new ones beyond the corporate limits of the city.

The new out-buildings have been completed and equipped at a cost of between six and seven thousand dollars. The new dairy building is modern in every respect, and its use will give the Home grade-A milk. Removal of the old out-buildings will make way for expansion, and make it possible to lay out the new ground plans under consideration.

There are at present 146 children enrolled. There have been many dismissals from the roll this year through graduation, marriage, adoption and otherwise. Numerous applications for entrance are being investigated.

An assistant to the Superintendent, in the person of Miss Tava Horne, was employed last June. She is filling acceptably a very important post in the institution.

The income for the past year amounted to \$51,462.40 from all sources, as follows:

Christmas and 5th Sunday collections Ala. Conf.....	\$16,547.05
Christmas and 5th Sunday collections N. Ala. Conf.....	29,282.45

Interest from endowment fund .....	3,326.50
Coupons .....	1,257.31
Miscellaneous .....	1,049.09
<b>Total.....</b>	<b>\$51,462.40</b>

Progress is being made along all lines. Study hall and other innovations have been instituted to aid the children in their school work. Classes in dramatics, singing and recreation have been doing much good and are genuinely sought after. The spirit of the institution is high.

The following were elected as the officers of the Home for the ensuing year:

Rev. R. J. Mills, Superintendent.

K. E. Cooper, President.

Rev. S. O. Kimbrough, Vice-President.

Mrs. Ed H. Hobbs, Secretary.

W. H. Plant, Treasurer.

Russell Burson, Treasurer Endowment Fund.

The following were elected as the Executive Committee of the Board  
Bruce Beveridge, J. E. Wilkinson and Mrs. Ed H. Hobbs.

The usual Christmas campaign for funds was authorized, with central offices in Birmingham. A new 16 page picture and story booklet has been printed for distribution during the Christmas campaign.

K. E. COOPER,

President of the Board.

#### AMENDMENT TO CHARTER

WHEREAS, the Alabama Methodist Orphanage was incorporated by Legislative Act in 1891, and at that time a Board of Directors of ten (five from each Conference) was provided for. This was half a century ago when the institution was very small. Since that time the institution has grown large, the two Conferences have expanded, and the number of Methodists and churches in the two Conferences has greatly increased; and

WHEREAS, it is the sense of the present Board of Directors that a broader representation on the Board is needed. At the recent October meeting of the Board, a motion was unanimously passed to the effect that the two Conferences should be asked to authorize an amendment to the Charter of the Methodist Children's Home, increasing the size of its Board of Directors; and

WHEREAS, it is felt that the Woman's Society for Christian Service should have specified representation on the Board, and to that end, the Secretary of the Christian Social Relations Committee and Local Church Activities of W. S. C. S. of both Conferences should be made members of the Board ex officio; and

WHEREAS, the best interests of the institution require broader lay representation from the various sections of the State. The great majority of board membership at the present time is from the cities of Birmingham and Selma. There is no representative from the Mobile or Montgomery areas, or from any area in North Alabama except Birmingham and Anniston. Investigation discloses that other like institutions have governing bodies more than twice the size of our Board, although representing much less area and population.

THEREFORE BE IT RESOLVED that the Chairman of the Board of Directors and other officers of the Methodist Children's Home be and they

are hereby authorized to cause the charter of the Methodist Children's Home to be amended in the following respects:

(a) To provide for an increase in membership on the Board of Directors from a membership of ten to a membership of twenty, one-half of such increase to be elected by each of the two supporting Conferences.

(b) To provide for the election by each of the two Conferences of five new Directors, one from each Conference to serve for a term of one year, another from each Conference for a term of two years, another from each Conference for a term of three years, another from each Conference for a term of four years, and another from each Conference for a term of five years; and to provide that annually thereafter as the terms of office of these directors expire, successors shall be elected who shall hold the office of director for a term of five years.

(c) To provide further for a specific representation of the Woman's Society for Christian Service on the Board, by making the Secretary of the Social Relations Committee and Local Church Activities of W. S. C. S. (or similar office if name should be changed) of both Conferences, ex officio members of said Board with the same rights, privileges and duties as the other twenty members of the Board.

(d) To provide that six members shall constitute a quorum of the Board at any regular or special meeting for the transaction of business, and to provide that special meetings of the Board may be called on ten days' written notice by the Chairman, or by the Executive Committee of the Board.

K. E. COOPER,  
President of the Board.

## BOARD OF MISSIONS AND CHURCH EXTENSION

### Report Number 1

The one great reason for Matt. 28:19 is John 3:16. Because God so loved he calls us to go. We are profoundly grateful to God for the Missionary challenge and promise of today. In our Conference territory the fields are not only white unto harvest, but vital to the future of the Church. Population is shifting; new centers are springing up, and new doors are opening. Your Board feels the necessity for some rather definite changes in its policy and program.

We have adopted for ourselves and recommend for the Conference the following goals, or objectives, for the coming Conference Year.

1. A well-organized Church Board of Missions and Church Extension in every Church. Disc. Par. 1041.

2. Observance of Annual Missionary Sunday in every Church. Par. 1040.

3. Observance of FOURTH SUNDAY, Missions and Benevolence, each Church.

4. Observance of ANNUAL SCHOOL OF MISSIONS in every church. Par. 1040.

5. Adequate promotion of District Missionary Institutes.

6. Missionary Educational Program for every Age Group.

7. Raising all Missionary and Benevolence Apportionments in full.

8. Encouragement of the Rehabilitation and Renewal of Rural Church Activities.

9. Activity of Conference and District Missionary Secretaries to search out needy Missionary Areas in each District Conference, and lay these on the heart of nearby stronger Charges, for their sacrificial help.

10. A Revival of personal and inspiring interest in the Missionary Program as a personalized Ministry to each individual Mission field.

We recommend a careful survey of Missionary opportunities, in each district, to be made by the Conference Missionary Secretary, or appointed representative, the District Missionary Secretary and the District Superintendent, findings to be presented to the Mid-Year Meeting of the Board with the purpose of concentrating our Missionary effort almost entirely on a few selected situations in each District.

We recommend the selection of Missions to be promoted—either at the Mid-Year Meeting or within sixty days thereafter with definite amounts appropriated to the same, so that proper adjustments may be made.

We request the re-appointment of Rev. E. A. Childs as Conference Missionary Secretary.

We nominate W. B. Christenberry and Walter L. Petrey as lay members of the Board to fill vacancies.

W. H. McNEAL, President,  
E. B. PAUL, Secretary.

### COMMISSION ON TOWN AND COUNTRY WORK

The members of this Commission present for your consideration and action the following report:

FIRST. We wish to express appreciation and congratulations for the fine measure of voluntary cooperation given by our Ministers and Churches to the plan we adopted last year for a more adequate support of our Rural Pastors. (Our Treasurer reports that there is now in hand for distribution the sum of \$5,000).

SECOND. We recommend that distribution of Funds at this Conference session be according to Section IV of this report.

THIRD. We heartily recommend continuance of this effort, and propose for the coming year the following revised plan for operation.

#### I. GOALS

We propose the same minimum salary goals that we set last year—\$800, for unmarried pastors; \$1000, for married pastors.

#### II. ESSENTIAL COOPERATION

Let it be said with all emphasis that the responsibility for adequate support of a pastor rests primarily upon the Charge he serves. Certainly we must ask and expect all our Charges not now paying up to these minimums to do their very best to reach them, increasing their Pastor's support from year to year as they are able.

To this end, let the pastor of every such Charge call together as soon as practicable after this Conference session all the Stewards of his Churches, explain to them this plan and our disciplinary system of finance for the local Church, and enlist their cooperation. At the same time we urge these Stewards to adopt and vigorously carry forward the nearest approach to this system possible for their Churches, and especially to make their best advance in the support of the Pastor for this year. And, we count on the District Superintendent to bring this matter forward at the first Quarterly Conference for the year, explaining it fully to all the officials and securing their hearty cooperation.

With all such Charges and Pastors we propose to work in hearty co-operation through two of our agencies. First, the Board of Missions and Church Extension. We need here only to say that this Board is already directing every available resource to bringing every pastor's support up to these minimums. Second, this Commission has been directed both by the Discipline and You to plan and work for this same goal.

### III. SUSTENTATION FUND

First we must provide a Sustentation Fund. We propose for the coming year the following method:

Every Minister under appointment of the Conference is asked—on a voluntary basis—to pay into this Fund as follows:

On a salary below the minimum.....	½ %
On the first \$1000 or fraction thereof above the min.....	1 %
On the second \$1000 or fraction thereof above the min.....	1½ %
And on all over \$2000 above the minimum.....	2 %

For instance, a minister receiving \$3600 would pay as follows:

On \$1000 .....	½ %.....	\$ 5.00
On \$1000 .....	1 %.....	10.00
On \$1000 .....	1½ %.....	15.00
On \$600 .....	2 %.....	12.00

Total .....\$42.00

Then every Charge is asked to pay into this Fund the same amount as its Pastor pays. And, we count on the District Superintendent, and these Pastors and Charges and our other Ministers to give their full co-operation in providing this Fund. Payments on the Fund should be made after each Quarterly Conference. Remittance to be made to the Treasurer of the Fund, Rev. A. B. Carlton, 208 Shepherd Building, Montgomery, Ala.

### IV. DISTRIBUTION OF THE FUND

Each pastor whose salary plus Mission appropriation is less than the minimum may be a beneficiary of this Fund. To be considered so he must present to the Commission on or before the second day of the Conference session an application—on a blank prepared and distributed by the Conference Secretary. This report and application will show first the salaries paid the previous year by the Churches of his Charge, then the salaries paid the current year, then the Mission appropriation received. If the current salary exceeds that of the previous year, he is entitled to a dollar for dollar equivalent for its excess. If the current salary does not exceed that of the previous year, he may state the case fully, showing why his Charge should receive benefit and why he himself needs benefit. Then the Commission, thoroughly considering each case shall make its distribution, first matching all increases, then supplementing salaries as the needs and circumstances of each case merits and as the funds in hands will warrant. Provided, when a pastor cooperates in this and his charge does not he shall be entitled to 50 per cent of the increase as far as the funds will warrant. In every case, the Pastor's total remuneration is to be limited by the minimums set by the Conference.

The Commission is expected to report its distributions to the Conference, together with a full report from the Treasurer. The expenses of the Treasurer's office are allowed as a charge against th Fund.

Respectfully submitted,

W. F. CALHOUN, Chairman,  
A. B. CARLTON, Secretary.

## JOURNAL OF THE ALABAMA CONFERENCE

### REPORT OF THE BOARD OF TEMPERANCE

Realizing that the liquor traffic has definite and direct designs upon the women and youth of our country, reaching them through advertisements, bill boards, through the press and radio, we recommend that this body go on record as bitterly opposed to such propaganda and recommend that action be taken for its suppression. And in view of the multiplying social evils which the Alabama Beverage Control Act has spread over our state, the increasing anger of good citizens against the Act, and the rapidly accelerating public sentiment for a speedy return to statewide prohibition, the Alabama Conference Board of Temperance offers for adoption the following recommendation

1. We appeal to our Methodist laymen who have the qualifications and ability to offer themselves as candidates for public office, especially in executive and legislative capacities, to the end that public affairs and social policies in Alabama may be administered by men of Christian character and good moral conscience.

2. We urge all our people, men and women to pay their poll tax, to register, and in every way qualify as voters, to the end that our Christian enlightenment and conviction may have their full expression at the ballot box.

3. We urge our people to support for public office only those candidates who give satisfactory assurance of their energetic opposition to the liquor traffic and their determination after election to lend their efforts to the extermination of that traffic.

4. We formally request our Senators and Representatives together with the present Majority and Minority leaders, Hon. Alben W. Barkley, of Kentucky, and Honorable Charles L. McNary, of Oregon to urge the Congress of the United States to take the initiative in bringing the Bill known as S 860 to vote, to give their vote in support thereof, and to aid in the enactment of all measures designed to prohibit the sale of liquor, wine and beer, of any alcoholic content whatever, on the military reservations of the United States, and prohibiting the sale of such alcoholic beverages by any one in any place to the soldiers, sailors, marines, and aviation personnel of our country.

5. We request our Woman's Societies for Christian Service, our Church Schools, our Methodist Youth Organizations, and our Methodist Colleges to make special provision during the coming year for effective alcohol education service to all their members and students.

6. We request our Conference Board of Education to arrange a Temperance Hour on the Program of the 1942 School for Pastors and Laymen, and to include a like arrangement when planning our Young People's Assembly next summer.

7. We ask every one of our Churches whose financial affairs are budgeted each year, to fix an appropriation in its budget for next year for the Alabama Temperance Alliance, the same to be remitted in twelve equal monthly installments direct to the offices of the Alabama Temperance Alliance, in the Comer Building, at Birmingham, Alabama. And we ask every Church which is unable to arrange this item in its budget, to observe March 8, 1942 as a special Alabama Temperance Day, by taking a liberal cash offering for the Alabama Temperance Alliance, in support of its state-wide activities.

8. We request our Pastors and Church Leaders throughout the Conference to observe June 28, 1942 in recognition of the Alabama W. C. T. U., and we particularly desire that on the date named a strong emphasis

be given to the value of membership therein, and our good women be urged to organize a local unit of the W. C. T. U. in the community, or join such a local union if it is already organized.

9. We announce a Conference-Wide Temperance Meeting to be convened at the call of our Bishop some time in February, 1942, in the City of Montgomery, Alabama, and we appeal to every Methodist congregation in the Conference to send representatives to participate in that very important meeting.

10. By the adoption of this REPORT, the Alabama Conference gives its approval and support to the foregoing recommendations, and pledges the collaboration of all our Methodist people in the efforts led by the Alabama Temperance Alliance and the Alabama W. C. T. U. to accomplish the repeal of the Alabama Beverage Control Act and the restoration of statewide prohibition in Alabama by 1943.

D. E. MARIETTA, Secretary

## SOCIAL SERVICE REPORT OF THE BOARD OF TEMPERANCE

### On Peace and War

Resolved—

That we endorse the action of our General Conference in saying: "the Christian is bound to serve his nation in all ways that are compatible with the Christian faith and the Christian way of life; but his supreme allegiance is due to God, whose love embraces all mankind." (Disc. Par. 1716, Sec. 1.)

Therefore, resolved further that

1. "Christians should guard themselves against prejudice. All human beings are dear to God, the Father of mankind. Anti-Semitism is a deadly sin. The Christian should combat it wherever it appears. He should insist upon just and considerate treatment for members of any religious, racial or political minority."

2. Christians should bear the burdens of those less fortunate than themselves. "American Methodists are called upon to give sacrificially to relief work in China and in other lands which are now suffering from war or from oppression."

3. We subscribe to the following declarations of the Oxford Conference, to wit: "Recognizing that its members are called to live within the secular state or nation, and that in the event of war, a conflict of duties is inevitable, the Church should help our youth to discover God's will and should then honor their conscientious decisions, whether they are led to participate in or abstain from war and should maintain for both alike the full fellowship of the body of Christ." (Dis. Par. 1716, Sec. 3.)

"Those of our members who for conscience sake seek exemption from military training in school and college or from military service anywhere, or at any time, shall have the authority and support of their Church." (Dis. Par. 1716, Sec. 3.)

R. J. HASKEW, President

D. E. MARIETTA, Secretary

J. T. ELLISOR, President,

A. S. TURNIPSEED, Secretary.

**BOARD OF CHRISTIAN LITERATURE**

From the earliest history of Methodism to the present day, Christian Literature has wielded a tremendous influence on the minds and lives of the constituency of our great Church. In order that this good influence might continue we recommend the diligent reading and studying of the Bible and our papers and periodicals.

We desire that the Bible become the hand book of every Methodist home and that it be used as a guide for our devotions.

We heartily endorse the address made by Dr. C. A. Britton at this Session of our Annual Conference in behalf of the new Christian Advocate and we commend the spirit of the editors of the Christian Advocate in the setting forth of their aims and goals for the year and urge upon our people to embody this periodical in their reading matter.

We further recommend the use of Alabama Christian Advocate, The Upper Room, the World Outlook, The Missionary Woman, The Christian Home, The Pastor, The Epworth Highroad, and our Church School Literature for the inspiration and information of our people.

We point with pride to our great Methodist Publishing House. We rejoice in the fact that this has been most successful and profitable year in its history. We are sincerely grateful for their check sent to our Conference Claimants as our proportional share of the divided profits of this fiscal year.

We recommend most heartily the 8-point Objectives, which Bishop Decell so strongly set before us on Friday morning to be included in the goals toward which we are trying to attain.

Concerning the Alabama Christian Advocate we make the following recommendations:

(1) That we express our appreciation for the publicity, promotional and inspirational service rendered by the Advocate to all the phases and departments of our Church program;

(2) That we urge all our district superintendents, pastors, lay leaders and officers of the Woman's Society of Christian Service to devote earnest and persistent efforts toward increasing the circulation of the Advocate;

(3) That we approve the continuation of goals heretofore set up: namely, the Advocate in every home wherever possible, and a minimum goal of at least one Advocate for every ten members.

We nominate T. D. Samford to succeed himself as a member of the Publishing Committee of The Alabama Christian Advocate.

We recommend the appointment of Dr. A. E. Middlebrooks as editor of the Alabama Christian Advocate.

W. C. COWART, President,  
C. H. SEIBERT, Secretary.

### COMMITTEE ON DISTRICT CONFERENCE RECORDS

The Committee on District Conference Records makes the following report: The District Conference Records of the Dothan-Marianna, Demopolis, Mobile, Montgomery, Troy and Selma Districts were examined by the committee and were found to be neatly and correctly kept. The record of the Pensacola District did not come before the committee for examination.

U. L. MARTIN, Chairman  
M. K. VICKERS, Secretary.

### BIBLE BOARD REPORT

In 1816 there came into being an organization known as The American Bible Society, which had as its only purpose "to encourage a wider circulation of the Holy Scriptures without note or comment, and without purpose or profit." In the 125 years of its existence the American Bible Society has printed and distributed over three hundred million volumes of Scripture in sparsely settled regions where the churches were few, in crowded cities, in army camps, C.C.C. camps, hospitals, orphanages, and prisons.

Portions of the Scriptures have been translated into over one thousand languages and dialects, and the whole Bible has been translated into one hundred and eighty-two languages. In 1940 the Society distributed 7,695,-401 volumes of Scripture.

The American Bible Society is a recognized World Service Agency of the Methodist Church. As such it receives one and two-tenths cents of every dollar contributed to World Service and uses this in producing and distributing the printed word.

The committee presents the following resolutions:

WHEREAS, the American Bible Society in translating, publishing and distributing the Bible is rendering invaluable service in the cause of Christ, therefore,

Be it resolved: First, that we heartily endorse the great work of the American Bible Society.

Second, that the ministers and churches observe December 14 as Universal Bible Sunday by using an appropriate program. Especially do we urge the pastors who print bulletins to use the attractive cover "The Light Shines in the Darkness," which may be obtained free from the Society.

Third, realizing the need for Bible study among our people, we suggest daily study of the Bible in the homes of the people and a systematic Biblical program in the Church School.

B. I. HUGHEN, Chairman,  
K. E. SCOTT, Secretary.

**REPORT OF CONFERENCE GOLDEN CROSS DIRECTOR**

We feel that we have made some progress in the work of the Golden Cross this year. The contributions have been considerably more than for some years, and we have good reason to hope for increasing interest and support.

We have travelled 1,070 miles, at a cost to the Golden Cross of \$8.00 for gas and oil. We have mailed 741 letters to ministers, Golden Cross Directors and hospitals. We have expended for stationery, postage, etc., \$18.83.

We request that the names of the District Golden Cross Directors be printed in the Conference Journal in connection with the Board of Hospitals and Homes.

We also request that Miss Mary Jones, 209 Shepard Building, Montgomery, Alabama, be appointed as treasurer of the Conference Golden Cross fund.

We expect to be able to distribute literature this year for the promotion of the enrollment campaign which will be called for May 11-15, 1942.

Monroeville and Burnt Corn Charges have aided in providing professional and medical treatment, and hospitalization for three patients.

S. T. TROTTER,

Conf. Director of Golden Cross.

**REPORT OF COMMISSION ON EVANGELISM**

We recommend the election of Mrs. J. O. Sentell, Jr. to fill the vacancy caused by the removal of Mrs. F. C. Wilson from the bounds of this Conference.

We urge upon our pastors and laymen to use all possible means to reach the goals adopted by the Conference. To do so will require an evangelistic campaign in every Church. Methods may vary but the Gospel must be laid upon the hearts of the unsaved. Your Commission is anxious to render any possible service in making methods, which we know to have succeeded, available to any who may seek our counsel.

H. E. WILSON, JR., Chairman

W. O. CALHOUN, Secretary.

## THE REV. JOHN W. HIGHTOWER

John Wesley Hightower was born in Lee County, near Opelika, Alabama, May 13, 1883. He was converted and united with the Methodist Protestant Church in his early manhood. He was happily married to Miss Ida Mae Sims, December 8, 1912. To this union was born one son, Curtis Hightower, now living in Montgomery, Alabama. Brother Hightower departed this life February 12, 1941.

He was licensed to preach by the Quarterly Conference of Lee Circuit in 1915. He was admitted on Trial in the Alabama Conference of the Methodist Protestant Church, November 1916. He was ordained and admitted into full connection, November 1923.

Brother Hightower served the following charges: Lowndes, 1916; Clark, 1917-1918; left without work, 1919; Dundee Circuit, 1920-1921; Covington Circuit, 1922-1923; Georgiana Circuit, 1924-1925; Wilcox Circuit, 1926-1929; Coosa Circuit, in connection with Millerville Circuit and Rockford Mission, 1930; Coosa Circuit, 1931; Coosa and Rockford, 1932; Clanton Circuit, 1933; left in the hands of the President, 1934; Covington Circuit, 1935-1939; (all of these in the Methodist Potestant Church) De-Funiak Springs Circuit (the Methodist Church) 1940.

On account of poor health, Brother Hightower was retired at the conference session of 1940 held in Panama City, Florida.

He was faithful to every charge to which he was assigned. He will be greatly missed by his many friends because of his happy, cheerful disposition, and his love and devotion to God and to His cause. He accepted

all charges assigned and did his best to carry on to the glory of God and to the upbuilding of the kingdom. He served charges that were financially weak, but he did not complain. He simply went to the work assigned, served to the best of his ability, and reported his work to the ensuing conference.

He was buried at the Christian Church near Opelika, February 13, 1941, the writer, assisted by the Rev. Wilbur L. Walton, officiating. There he will await the resurrection of the just.

T. C. CASADAY.

His second wife was Miss Allie Robbins, and to them two sons were born: Francis Mitchell Lowrey, Jr., Centerville, Alabama, and John Robbins Lowrey, Waverly Hall, Ga. His wife died at Hubbard's Hospital, Montgomery, Alabama, January 4, 1941.

F. M. Lowrey served the following charges: Repton, as a supply 1904 and as a member of the Conference, 1905; York, 1906-1908. At the conference session of 1908 he transferred to the West Texas Conference, and was recalled during the following year to fill the appointment at DeFuniak Springs, Florida. Sugsville, 1910; Greene Circuit, 1911; Girard, 1912-1913; Clayton Street, Montgomery, 1914-1915; Uniontown, 1916; Gainesville Circuit, 1917; Hurtsboro-Seale, 1918-1920; Oakdale, Mobile, 1921-1922; Elba, 1923-1926; Midway, 1927-1930; Beatrice, 1931-1932; Centerville, 1933-1935; Fifth Avenue, Montgomery, 1936; Fort Deposit, 1937-1939. At the Conference session of 1939 held at First Church, Montgomery, he superannuated.

His was a faithful ministry: every year shows numbers received into the Church on profession of faith: some years large numbers were received. Lowrey was never indifferent to the financial obligations of his

charges. No cause ever suffered from neglect of his. The Journals of the Alabama Conference will show how fruitful his ministry was, and that no claims or obligations made on his charges were ever neglected.

The above are but cold figures, names and facts; but they are not impersonal items when they record the earthly pilgrimage of a beloved companion. They are the outlines of hallowed memories that become all but sacred with the passing years.

These memories are many with the writer of this memoir. For several years we were associated as Presiding Elder and Pastor. I have never been associated with a more unselfish or a more satisfactory minister. Our associations and transactions were always most pleasant and agreeable. I feel deeply the loss of his companionship, his counsel, his kindly unselfish spirit, since he has passed from among us.

In memory's eye we see a goodly number whom we have known and loved full well. They have passed from us, those friends of yesterday. Just awhile ago they talked with us, they laughed with us, their joys were our joys, their sorrows were our sorrows. We call it death, this slipping of earthly moorings.

And drifting with the ebbing tide away;  
But it is only the passing through the shadows;  
Into a life of endless day.

To the God and Father of us all and to Jesus Christ our Saviour, whom F. M. Lowrey loved so devoutly and loyally served, we commend his excellent daughter and two sons, and pray that in God's great After-while they may all meet in "The Land of the Unsetting Sun."

### THE REV. JAMES CLENDINEN

The Rev. James Clendinen, son of James A. and Rosa White Clendinen, was born at Abbeville, Alabama, on October 6, 1868. In his youth he joined the Methodist Church in Abbeville, during the pastorate of the Rev. S. W. Roberts. He was educated in the public schools of the community where he lived, and finished high school at the Southeast Alabama Agricultural School at Abbeville. He was a student at the Southern University, Greensboro, Alabama, for two and one-half years.

The Eufaula District Conference, meeting at Midway, Alabama, in July 1898—W. S. Wade, P. E.—licensed him to preach. He served as a local preacher for four years for the Churches in and around Abbeville. He was admitted on trial and ordained a Local Deacon by Bishop Candler, at the Annual Conference session at Pensacola in 1903. He was admitted into full connection by the Conference meeting at Dothan in 1905 with Bishop Duncan presiding. He was ordained an Elder by Bishop Hoss at Enterprise in 1907. He was an active minister in our Conference for more than 37 years. The record of that ministry is attached herewith. During this time he received into the church six hundred and six on profession of faith. This is an unusual record.

On December 27, 1907, he was married to Miss Janie Z. Moore, daughter of the late Rev. A. H. Moore. She lived always in a Methodist parsonage and no finer spirit ever graced a parsonage home. To them were born two sons and five daughters: James H., and Norman W. Clendinen; Mrs. Eleanor Sutor, Mrs. Ruth Kershaw, Misses Rose and Marion Gladys Clendinen. One daughter, Annie Lucile, died in infancy.

No one could visit the Clendinen home without feeling the genuineness of the fine southern hospitality and the charm of the family there.

Brother Clendinen loved the Church and wherever he went his people loved him. The Alabama Christian Advocate in the issue following his death paid this worthy tribute to him: "Brother Clendinen was indeed a man of pure heart and clean life. He was a lover of his fellowmen and was devoted to the work of the ministry. He possessed those qualities of character which made for real greatness: humility, fidelity, truth, patience, courage and love." One of his close friends writes of him: "Brother Clendinen was my friend and I never doubted his religion, his devotion to Christ and the Church, his absolute loyalty to the cause, and his noble and pure life. I always felt a little closer to the Lord when he was around. The air of the prophet and the influence of a saint made burdens easier and problems less vexing when I was in his presence."

Brother Clendinen was at the District Conference held at Pine Hill, April 17th. Saturday night he was taken sick, carried to the hospital at York the following Sunday, and on Saturday, April 26th, his redeemed spirit joined the saints in heaven. The funeral was held in Abbeville, Alabama, Sunday afternoon, from the Methodist Church there, and his body was laid to rest with his departed loved ones in the nearby cemetery. The services were conducted by the Rev. J. C. Vickers, the pastor at Abbeville, the Rev. Norman McLeod, Dothan, the Rev. R. C. Williams, Hurtsboro, and the Rev. J. F. McLeod, his district superintendent.

May the comforting grace of our Heavenly Father sustain the bereaved widow and the sons and daughters.

J. F. McLEOD.

#### THE REV. JOHN WESLEY HAMNER

The Reverend John Wesley Hamner was born at Old Clay Hill, Pike County, Alabama, March 16, 1856 and died at Phenix City, Alabama, July 20, 1941. His father was Wesley Hamner, born in Georgia and a descendant of the distinguished Hamner family of Albermarle County, Virginia. His mother was Mary James, daughter of Daniel James, of Marion County, Georgia.

After living for a time in Pike County, Alabama. He was educated in the common schools of Pike, Dale and Butler Counties—attending school at Georgiana and at Greenville. He taught for several terms, was licensed to preach by the Quarterly Conference of the Georgiana charge, Dr. J. S. Frazer, Presiding Elder, and was admitted on trial in the Alabama Conference at Eufaula in December 1883. For thirty-four years, until he was superannuated in 1917, he gave faithful service to the Church—serving the following charges: Washington Circuit, Sepulga, Rutledge, Bell's Landing, Cahaba River Mission, Rembert Hill, Randolph, Eufaula, Mt. Hillard, Crawford, Searight, Shady Grove, Pleasant Grove, Laplace, Autaugaville, Graceville, Greenwood, Phenix City, Jernigan, Perote, Cypress, Sneads, and

Suggsville. The record of the joys, sorrows, trials, triumphs and sufferings of this good man in all these eventful years was kept by the Recording Angel in the world to which he has gone away. He never held high place as men esteem it, but there can be no doubt that in the world where worth and labor is judged by fact, he is close to the throne of the Lord he served so well.

After his superannuation, which he regarded as a part of God's purpose for him, he lived, until his death, at Smith's Station, where for twenty-two years he taught the Men's Bible Class of that Church.

His first wife was Miss Loula Virginia Arant. To them were born the following children: Lois, who died at the Alabama Conference Female College, Tuskegee, November 6, 1904, in her senior year; Mrs. Maud Parker, of Blountstown, Florida; Herman Blue Hamner, Superintendent of Public Schools of Russell County, Alabama; Mrs. Alma Mary Richards, Phenix City, Alabama; and Miss Ruth Hamner, Director of Public Welfare, Talladega, Alabama. Mrs. Hamner died October 21, 1896 at Randolph, Alabama.

On March 20, 1901, Brother Hamner married Miss Amanda Perkins, of Barbour County, Alabama. John Ross, the only child of this marriage, died in infancy, and the mother died September 24, 1904.

He was married to Miss Ellen May Cochran, of Girard, Alabama, March 26, 1913. Mrs. Lucy Blackwell, of Rome, Georgia, is the child of this marriage. Mrs. Hamner died at Smith's Station in August, 1940.

By dint of sacrifice and privation these children were all sent to college and they occupy honored places in their communities.

John Wesley Hamner was of honest, God-fearing, Methodist ancestry. Gifted with a fine native intelligence, a thinker and a reader of great books. He was a thoughtful preacher of the Gospel. Large of frame, he was big of soul. He never trimmed, never truckled to any man. He never "crooked the pregnant hinges of his knee that thrift might follow fawning." Those who knew him well and best can say: "There was a man."

O. V. CALHOUN.

### THE REV. JOHN BENJAMIN TATE

The following sketch of his life, in his own handwriting, was left among his papers by Brother Tate. As autobiography is always more interesting than biography, let's preserve for his children and his brethren his own story as he tells it:

"Rev. J. B. Tate, son of Henry and Nancy Stroud Tate, was born in Clark County, Mississippi, May 17, 1864. When an infant he moved with his parents to the western part of Choctaw County, Alabama. There on a small farm, he grew to manhood. He was the ninth child of a family of eleven children. His early advantages were meager, his schooling was confined to the old field school taught by one teacher, with terms lasting from two to four months during the summer. Doing all manner of hard work on the little farm, spending most of his spare time chasing rabbits and squirrels in the day time and coons and o'possums at night, he developed into a close student of nature, observing the nature of birds and bees and insects and animals, also trees and flowers.

"When John was about ten years old his father became one of the Tentholders of Union Campground, situated in the eastern part of Clark County, Mississippi, about five miles from his home. This was one of what has gone down in history as the old time Campgrounds. During these

meetings he was doing what any live boy would be doing, having fun and a good time between sessions, but when the old cowhorn blew it was a signal to return at once to the large brush arbor for services . . . After a few years his father ceased to tent, as it was called, but the boy did not cease to attend the meetings. And here in the pine straw on Sunday, October 16, 1881, at the close of the eleven o'clock service, after a sermon preached by a veteran Methodist preacher, T. Y. Armstrong, 82 years old, he knelt and surrendered to God. He had a definite experience of grace, he was born again, and joined the M. E. Church, South.

"The next year he moved his membership to Kiser Hill Church on the Isney Circuit, Mobile District, Alabama Conference. In the fall of that year he was elected Steward and Sunday School Superintendent of that church, Rev. W. H. Wild being pastor, and Rev. O. R. Blue, Presiding Elder. Soon feeling the call to preach, in the fall of 1885 through the influence of Rev. G. F. Fisher he entered Southern University at Greensboro. Staying there three sessions he was on June 13, 1888, graduated with the B.P. degree. (Big Prep, the boys called it.) In February, 1888, Dr. T. F. Mangum appointed him to Greene Circuit as supply in place of Rev. G. F. Ellis, whose health had failed. In December of that year, in Mobile, he was admitted on trial in a class with the following: H. T. Strout, J. R. McGlaun, R. S. Adair, F. P. Culver, J. M. Glenn, F. W. Denby, J. R. Daily, W. D. Stripling, W. D. Taylor.

"He was assigned to the following works in order named (dates are the years serviced): 1889-90, Rembert Hill (now Sweetwater); 1891-93, Powelton; 1894, Grove Hill; 1895-98, Broad Street, Mobile; 1899-1900, Dayton; 1901-02, Smith's Station; 1903-04, Livingston; 1905-07, Pine Apple; 1908-Feb. 1909, Evergreen; 1909, Andalusia; 1910-11, Brundidge; 1912, Wetumpka; 1913-14, Opp and Red Level; 1915-17, Thomasville; 1918-21, Graceville; 1922-23, Headland and Midland City; 1924, Phenix City; 1925-26, Pine Hill. Superannuated at the Conference of 1926. Having purchased a little home in Brundidge, in 1927 he moved into it. He is there at this date, Feb. 1, 1933."

A Journal which he kept also tells of how that during 1886 his friends and pastor persuaded him to apply for license to preach. He often told that he and L. C. Branscomb, also an applicant, sat on the steps of the church while the Conference discussed granting the licenses. And he said to his companion, "Branscomb, you may beat me preaching but you will never beat me trying." He surely lived up to that declaration.

On the 29th of April, 1891, in the Methodist Church at Gainesville, Alabama, he was happily married to Miss Virgia Lanford. Long and happily they lived together, and she preceded him to the Heavenly home only by a year and one month.

When in 1927 Brother Tate and his wife moved into the little home in Brundidge, he named it "Movnomo.". And thither for many years came the children and friends and loved ones, for needed comfort and counsel and loving friendship. And thence our dear Brother peacefully passed on into the Heavenly Home on August 21st of this year (1941).

The funeral was held from the Methodist Church in Brundidge, the Pastor, Rev. T. S. Harris, having charge of the service. Assisting him were Drs. C. A. Rush, J. F. McLeod, Carl Preer and H. M. Andrews.

Following are the children of this gracious Christian home: Rev. Henry L. Tate, Beatrice; Rev. James E. Tate, Camden; Mrs. R. K. Jones, Mobile; Mrs. Fred O'Brien, Dothan; B. Frazer Tate, Memphis Coal Co., Memphis, Tenn.; Mrs. H. C. Trummer, Montgomery; Rev. John B. Tate, Jr., College

Park, Ga.; William Betts Tate, Continental Can Co., Memphis, Tenn.; Mrs. Frank Persons, Hurtsboro; Mrs. L. Q. Johnston, Brundidge. Also, very many grandchildren, nephews, nieces, relatives. The rich heritage of Godly parents is now their most cherished legacy.

I believe an Annual Conference would ask of its members:

1. A godly life, pure, clean, upright, honest, sincere, manly;
2. A full consecration and undivided devotion to the ministry;
3. Diligent, studious, continuous self-improvement for his work;
4. A home and family life unstained and beautiful and wholesome, with devoted concern for the children and their Christian education;
5. In all and through all loyal, loving discipleship to Jesus.

This writer believes sincerely that the Alabama Conference with one voice will affirm that Brother Tate met all these expectations.

"Well done, Good and Faithful Servant" has been his reward from the lips of his Master. We thank God for his life and work and example.

H. M. ANDREWS.

### THE REV. JAMES WALTER ENFINGER

On Saturday morning, November 1, 1941, at six o'clock, earth receded, Heaven drew near, and God called James Walter Enfinger home to heaven to enter into a richly earned reward.

Brother Enfinger was born at Daleville, Alabama, Dale County, October 8, 1875. His father was Milledge Enfinger and his mother was Martha Frances Newton. He united with the Methodist Church in Mount Carmel Church on the Echo Charge under the ministry of Brother J. K. Powell in the year 1885. He was licensed to preach in Millville Church, Geneva County, February 11, 1898. He was married to Miss Nancy D. Spikes, December 27, 1894. To this union were born four daughters and three sons, all of whom with his good wife are still living. His daughters are Mrs. C. L. Stewart, Canal Point, Florida, Mrs. A. B. Mathis, Chariston, Florida; Mrs. J. H. Kelley, Black, Alabama, and Miss Hazel Enfinger, Hartford, Alabama. His sons are Raymond Enfinger, Selma, Alabama; Auburn D. Enfinger, Canal Point, Florida, and Walter R. Enfinger, Clanton, Alabama. He also leaves eight grand-children.

Brother Enfinger preached under the direction of his quarterly conference as local preacher from the time he was licensed to the time of his admission on trial into the conference in November, 1913. He then served acceptably Dundee and Covington Circuits a total of ten years prior to his ordination. He was ordained and admitted into full connection November, 1930. He served as pastor of Georgiana Circuit four years (1931-34). He then was stationed on the Clanton Circuit where he served six years (1935-40). During his first year on the Clanton Circuit he succeeded in building the nice brick church at Walnut Creek. This was done beginning January 1, and the building was finished, paid for and dedicated the fifth Sunday in March of the same year. He was assigned to the Hartford Circuit one year ago and served until November 1, 1941, when he was promoted to Glory by the hand of the God he loved and served with such earnest effort.

In addition to his pastoral work, Brother Enfinger did much evangelistic work, helping pastors on some of our strongest charges. He was in constant demand for revival meetings during the summer months. He did this with fine success. He was a strong preacher of the Word. He

was deeply spiritual in his life and experience, and fully consecrated to God and to the promotion of His Gospel. He lived a sweet, happy life and thereby he won many friends who loved and appreciated him for his work's sake. He was steadfast, unmovable, always abounding in the work of the Lord, knowing that his labor was not in vain in the Lord. He has fought a good fight, he has kept the faith, he has finished his course, and has received the crown of righteousness which the Lord, the righteous judge, will give to all who love His appearing.

Brother Enfinger had his report to the Fourth quarterly conference ready to present at the conference which was to have met the day he passed away. He told his good wife as they retired for the night, that he had not felt so well in months; but early in the night he was stricken and soon became unconscious, and passed away early the next morning. He shall not return to me, but I shall go to him and there enter into the things which have not yet been revealed to us, but into which he has fully entered.

To Sister Enfinger and her children we extend love and sympathy as they carry on until one day when the family will be reunited in the land of endless day, where God shall wipe away all tears.

T. C. CASADAY.

### THE REV. J. O. LAWRENSE

Joseph Oliver Lawrence, the son of Elkanah and Sarah Ellen Cogburn Lawrence, was born in Montgomery County, Alabama, September 2, 1867. The bare facts which are herein given do not fully convey the influence of this man of God, nor the contribution which he made to the ongoing of the Kingdom of God in the world.

Brother Lawrence was educated in the public schools of Pike County, Alabama. He joined the Methodist Protestant Church under the ministry of the Rev. J. Thomas Howell, when about fifteen years of age; and soon afterwards transferred his membership to the M. E. Church, South at Clay Hill (now Pronto) near Brundidge.

In 1889 he was licensed to preach by the Brundidge Quarterly Conference, Dr. O. R. Blue, Presiding Elder. He was admitted on Trial in 1890; was admitted into full connection and ordained deacon in 1893, and ordained elder in 1897.

Brother Lawrence was a striking example of a good circuit preacher. Except for one year, when he served Sherman Street, San Antonio, Texas, he always served circuit charges, and served them acceptably. Every year showed additions on profession of faith, and some years very large numbers.

At the Conference session in 1926, he took the Supernumerary relation, and during the latter part of the year was associated with the Alabama Methodist Orphanage in Selma, and returned to the active pastorate the next year. He retired in 1938 and was appointed to supply the Lisman Circuit, which he continued to do until his death, though the past two years he was on the effective roll.

Brother Lawrence was married in June, 1889 to Miss Sarah Cornelia Owens, who died during his pastorate in San Antonio, Texas in 1904. He returned to Alabama in the fall of that year, and was married on March 21, 1905 to Miss Janie Belle Jones, of Conecuh County. She and her five children and the four children of his first marriage survive him. Mrs. Thera Martin, Clanton; Dr. Claude O. Lawrence, Clanton; Mrs. Lucille Robinson, Lowndesboro; Miss Ruth Lawrence, Warsaw, Poland; Joseph

Jones Lawrence, Selma; John Cogburn Lawrence, Pensacola, Fla.; Thomas Wright Lawrence, Mobile; Mrs. Mary Schlich, Loxley, and William Emory Lawrence, a student in the University of Alabama.

Probably his most outstanding contribution to the Church and to the Kingdom of God is the life and service of that self-sacrificing daughter, Ruth, who remains at her post in Warsaw, Poland, in the face of increasing difficulty and physical danger.

Brother Lawrence had announced his intention of retiring from the active itinerancy at the session of the conference in Mobile, and was on his way to make his report when the summons came to lay down the working tools of life. He passed away after a short illness in the early morning of November 25, 1941.

Servant of God, well done!

Thy glorious warfare's past;

The battle's fought, the race is won,

And thou art crowned at last. (C. Wesley)

JAMES E. TATE.

**Sesqui-Centennial**—The order of the day having arrived, the Conference met in Sesqui-Centennial Celebration of The Organized Annual Conference in American Methodism. A printed program prepared by the Bishop and Secretary of the Conference was followed for this Service, as follows:

#### CALL TO WORSHIP: THE BISHOP.

Let us, my fellow Methodists and Friends, come now reverently before our God and our Father's God to worship Him with thankful hearts, and to praise Him for His continual mercies so graciously bestowed upon our beloved Methodism even from the days of our founder, John Wesley, down to this present hour.

And let us especially, at this hour, glorify Christ our Lord, the Head of the Church, for His guidance and grace during these one hundred and fifty years American Methodism has been carrying on her work through organized Annual Conferences.

A HYMN OF INVOCATION: Number 2; "Come, Thou Almighty King."

AFFIRMATION OF FAITH: The Bishop and the People:

We believe in one God, Maker and Ruler of all things, Father of all men, the source of all goodness and beauty, all truth and love.

We believe in Jesus Christ, God manifest in flesh, our Teacher, Example and Redeemer, the Saviour of the world.

We believe in the Holy Spirit, God present with us for guidance, for comfort and for strength.

We believe in the forgiveness of sins, in the life of love and prayer, and in grace equal to every need.

We believe in the Word of God as contained in the Old and New Testaments as the sufficient rule both of faith and practice.

We believe in the Church as the fellowship for worship and service of all who are united in the living Lord.

We believe in the Kingdom of God as the divine rule in human society; and in the brotherhood of man under the Fatherhood of God.

We believe in the final triumph of righteousness, and the life everlasting. AMEN.

#### PRAYER:

O God our Father, O Christ our Master, we worship Thee through the Holy Spirit, to Whose enlightening and indwelling we now would yield our seeking minds and hearts.

We give Thee thanks for Thy great goodness to all those who have believed on Thee and followed Thee in every generation.

We especially praise Thee for the continuous building of Thy Church through the centuries, until now even in the midst of war's havoc and desolation it stands a refuge and a beacon among all the nations.

Being merciful to her shortcomings and forgiving her slowness of heart to believe and obey Thee fully, do Thou strengthen, comfort, and uphold Thy Church everywhere, we pray Thee, that it may give such witness of Thy saving power as may win multitudes to Thee among every race and people.

We glorify Thy name that the followers of John Wesley have been so widely and so fruitfully used of Thee in building Thy Church and establishing Thy Kingdom in the world. Our hearts are glad and grateful as we today review the glorious history of Methodism and the noble accomplishments of our heroic forefathers in all our Annual Conferences and especially in this our own Annual Conference.

Make this, we pray Thee our Gracious Father, a high hour in our experiences of Thy grace, and send us forth to labor more worthily in the Church we love and for the Master we follow in their God-given mission to save a lost world from despair and death.

(The congregation here joined in the Lord's Prayer).

#### RESPONSIVE SCRIPTURES:

Minister: Our fathers have told us, O God, what work Thou didst in their days, in the times of old. (Ps. 44:1).

Congregation: Our fathers trusted in Thee;

They trusted and Thou didst deliver them. (Ps. 22:4).

Minister: One generation shall praise Thy works to another, and shall declare Thy mighty acts. (Ps. 145:4).

Congregation: He made known His ways unto Moses, His acts unto the children of Israel. The Lord is merciful and gracious, slow to anger, and plenteous in mercy. He hath not dealt with us after our sins, nor rewarded us after our iniquities. (Ps. 103:7, 8, 10).

Minister: His mercy is on them that fear Him from generation to generation. He hath holpen His servant Israel, in remembrance of His mercy; as He spake to our fathers, to Abraham, and to his seed forever. (Luke 1:50).

Congregation: There hath not failed one word of all His good promises, which He promised by the hand of Moses. The Lord hath done great things for us, whereof we are glad. (1 K. 8:56, Ps. 126:3).

Minister: Awake, awake, put on thy strength, O arm of the Lord; Awake, as in the ancient days, in the generations of old. (Isa. 51:9).

Congregation: Go ye therefore, and make disciples of all the nations, baptizing them in the name of the Father, and of the Son, and of the

Holy Spirit; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. (Mt. 28:19-20).

**Minister:** How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that sayeth unto Zion, Thy God reigneth. (Isa. 52:7).

**Congregation:** Behold, I bring you good tidings of great joy, which shall be to all people. And ye shall be witnesses unto Me, both in Jerusalem, and in all Judea, and in Samaria, and unto the uppermost parts of the earth.

O God, our Father, through Whose gracious leading we are again one united Methodist Church, we join together our voices in thanksgiving and praise for this Annual Conference and for those that united to make it. It was through Thy love, and Thy light, and Thy grace, and Thy power, and Thy Spirit that our fathers wrought and builded so well. Their spirits seem with us today, and in this blessed communion of spirits and in the more blessed fellowship with the Father and the Son we are moved deeply to resolve and loyally to promise henceforth to be more worthy sons and daughters of those who have gone before us and now rest from their labors, at home forever with Thee. "On Thursday, you, after full discussion, adopted a resolution by 135 for and 102 against, requesting that the date for your Annual Sessions be changed from November to a time between June 1 and June 13.

"Perhaps, technicalities might be reconciled and a half-year provided for, which compliance with your resolution would require.

"Notwithstanding our 1940 Discipline, paragraph 449 page 146 states, 'The Bishops shall appoint the times for holding the Annual Conferences,' I find it difficult and am most reluctant not to comply with the majority expression of this honorable body.

"Nevertheless, the 1943 session being the last of this Quadrennium and the one preceding the General and Jurisdictional Conference sessions of 1944; and, so marked a change to a half-year at the close of the Quadrennium would reduce our financial and other important results for the Quadrennium; and would not afford sufficient range in time to recuperate from such dislocation before the end of the Quadrennium; and in order that there be no uncertainty or confusion in planning our work for the Conference year of 1943, I hereby kindly and respectfully announce that, at least, the 1943 session of the Alabama Conference will be set for the fall of 1943, approximately a year from now."

## RESOLUTION CONCERNING WAR

BE IT RESOLVED That We, the Alabama Conference of The Methodist Church:

1. EXPRESS our abhorrence of war, whenever and wherever nations wage war from motives of aggrandizement and for purposes of selfish conquest.

2. EXPRESS our conviction that in the present world conflict, the United Nations are NOT waging war for aggrandizement, but ARE striving to subdue the forces of tyranny and criminality.

3. EXPRESS our belief that the Axis countries are attempting to destroy the things that Christ, the head of the Church, held dearest: freedom of religion, the dignity of human life, faith in a loving God, the laughter of little children, pity and kindness for the poor and helpless; AND that their ruthless inhumanity incurs the condemnation of Him who declared that at the last judgment He would sit upon the throne of the nations and would say to the heartless, "Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels" (Matthew 25:41).

4. EXPRESS our conviction that Christian people cannot stand aside with piously folded hands in a struggle between good and evil, on the fatuous plea that war is not the business of the Church.

5. AFFIRM our belief that the men in the armed forces of our country are fighting and dying for a righteous cause, and that our prayers follow them on all the far-flung battle lines of the earth.

6. BLESS and APPROVE the heroism of our Chaplains who have left their pastorates to minister to the men in our armed forces.

7. WORSHIP and OBEY the Christ who hated evil as deeply as He loved good.

8. HOPE and PRAY and BELIEVE that from the soil enriched by the blood of brave men there shall grow up a tree whose leaves shall be for the healing of the nations.

## CONFERENCE BOARD OF TRUSTEES

Your Conference Board of Trustees has come into the possession of the sum of Five Hundred Forty Seven and 50/100 (\$547.50) Dollars, paid to and now held by E. R. Malone, as the result of Army condemnation proceedings as to certain unused property in the vicinity of Panama City, Florida, acquired by our Church from the former Methodist Protestant Church, and therefore requests this Conference to approve, direct and authorize the paying and turning over of the said sum of \$547.50 to the Conference Board of Conference Claimants.

(Signed) A. E. Shafer, President,  
E. R. Malone, Treasurer.

### TENURE OF DISTRICT SUPERINTENDENTS

Whereas it appears that many of the brethren of the Alabama Conference desire a four year tenure for District Superintendents;

Therefore be it Resolved that when the disciplinary terms of the present District Superintendents have expired, the Bishop be requested to appoint their successors with a view of four year terms, unless in his godly judgment the best interests of the Church would be served by following the term prescribed by the law of the Church.

(Signed) W. M. CURTIS,  
A. E. SHAFER.

### BOARD OF EDUCATION

#### Department of the Local Church.

The report of our Conference staff indicates that the promotion of the program of education is being administered as judiciously as a limited staff and budget permit. Activities in Youth Work and the Young Adult Fellowship indicate progress. Church School Rally Day offerings show an increase over last year. In spite of adverse circumstances, training work has gone on with increasing interest and zeal. Vacation Church School reports show an increase in the number of schools, workers participating, and pupils enrolled. Financially, the Board is in good condition.

The Churches of the Alabama Conference have a great opportunity to co-operate in a movement of real significance—The United Christian Education Advance. Believing as we do that the foundations of a democracy are moral and spiritual, that program improvement is needed in all our Churches, that many millions of our people are untaught in matters of Christian living, that many of our homes are slack in their responsibility for Christian nurture, that a stable and secure world cannot be achieved without God; we, your Conference and District workers, propose to plan and participate in this movement.

Christian nurture is the imperative task of the whole Church and community. These are days for every Christian to stand and be counted. The order is "Speak to my people that they go forward". The call is "Follow Me". Such a challenge demands that we set certain goals; therefore, we suggest that Local Church Boards of Education plan for advance along the following lines:

1. Improvement and enrichment of home religion.
2. Enspiriting and inspiring the Church by increasing attendance, and improving teaching for Christian discipleship.
3. Bringing every unchurched Methodist into fellowship with the Church, and evangelizing the community in co-operation with other Churches and organizations.

Never in the history of Methodism has the need for skilled workers been more imperative; and to meet the need we submit the following as means of training workers:

1. Home Study Courses for Religion and Christian Service.
2. Christian Workers' Schools in the local church.
3. District and Sub-District Conferences and Institutes.
4. City and Conference-wide Leadership Schools.

We suggest that in each of the Division areas emphasis be placed on evangelism, increased enrollment in the Church School, and attendance upon all Church services.

In the realization that 'Missions Must Go On', we urge our District Superintendents, Pastors, and local church workers to wisely plan and promote World Service Sunday in the Church School to the end that all our members may be intelligently informed as to the missionary program of our Church.

We earnestly recommend that all Church Schools make use of our own Church literature, than which there is no finer or better-prepared for use throughout the entire Church educational program.

We recommend the observance of the following Special days and Week-day activities:

World Service Sunday.

Young People's Day—March 7.

Church School Rally Day—April 4.

Race Relations Day.

College Student Day.

Christian Family Week (preceding Mothers' Day).

Vacation Church School.

Christian Education Week.

Extended Session.

#### Department of Schools and Colleges.

Reports from the Presidents, Dr. Searcy and Dr. Stuart, indicate that the college enrollments have slightly increased over last year, in spite of the situation at this time.

Huntingdon College has reduced its indebtedness by \$35,500. For other statistics, see report of Statistician (Division IV).

We recommend the following appointments:

Students—Emory University: C. A. Corbitt, A. F. Howington, N. R. Blocker.

Professors—Athens College, T. P. Chalker; Scarritt College, A. E. Barnett.

Vice-President, Huntingdon College, R. R. Ellison.

Wesley Foundation, Auburn, C. E. Barnes.

For Nomination of Trustees, see Division II.

#### Resolution.

Resolved that the Board of Education of the Alabama Conference approve the efforts of Birmingham-Southern College and Huntingdon College to raise funds and that pastors and laymen co-operate in the program now under way at these two colleges and in any other program for funds for either or both colleges.

#### Conference and District Officers.

### LEGAL RESOLUTION

BE IT RESOLVED by the Board of Christian Education of the Alabama Conference of The Methodist Church as follows:

WHEREAS, Birmingham-Southern College as successor of Southern University, under and by virtue of Section 6, of the Act of the Legislature of 1856 incorporating the Southern University, claimed exemption of taxes on its Endowment Fund for the years 1937, 1938, 1939, 1940 and 1941 in the total sum of Fourteen Thousand Seven Hundred Six and 65/100 Dollars (\$14,706.65), and for the year 1942 for approximately the amount of Twenty-three Hundred Dollars (\$2,300.00); and

WHEREAS, suit is now pending between the State of Alabama and Birmingham-Southern College for the collection of said amounts; and

WHEREAS, the State of Alabama has agreed to accept sixteen and two-thirds per cent (16-2/3%) of such amounts in full payment of said taxes, provided the Birmingham-Southern College waives any claim to irrevocable exemption from taxes under and by virtue of said Section, or under the Charter of the North Alabama Conference College, whose name was later changed to Birmingham College, or otherwise.

NOW, THEREFORE, We, the Board of Christian Education of the Alabama Conference of The Methodist Church, hereby recommend to the Alabama Conference of The Methodist Church, in Annual Conference assembled at Montgomery, Alabama, that the said Conference, as the joint owners with the North Alabama Conference of The Methodist Church of the Birmingham-Southern College, authorize and empower the Executive Committee or the Board of Trustees of Birmingham-Southern College to do any and all things necessary or proper to amend the charter of said institution waiving or agreeing to waive any claim to irrevocable exemption from taxation by virtue of its charter, or by virtue of the Act of the Legislature of 1856 incorporating Southern University, or the Act of 1898 incorporating Birmingham College, making the charter or any provision thereof subject to alteration, modification or repeal by the Legislature of Alabama.

(Signed) S. M. BAKER, President,  
C. M. DANNELLY, Secretary.

## COMMISSION ON WORLD SERVICE AND FINANCE

In view of the dire need of human beings for the Gospel of Christ and the help of the Church in this period of world catastrophe, we must make sacrifices to secure larger sums for World Service.

The Bishops and the General Commission on World Service and Finance make three simple proposals, which, if carried out, would enable the Church to meet the war emergencies more adequately. We recommend the adoption of these goals:

1. That the Churches which did not meet their World Service apportionments the past year be asked to increase their acceptances for this year not less than ten percent (10%) and more if possible.

2. That we adopt the 'Week of Dedication', February 28 to March 7, as a time of prayer and self-sacrifice, with a special offering for the emergency causes designated.

3. That we endorse the plan sponsored by the Council of Bishops for a Fellowship of Suffering and Service in which the Churches are asked to share their Communion Service offerings with the Committee for Overseas Relief and the Commission of Camp Activities and Chaplains.

With the firm conviction that an informed membership will be loyal supporters of the work of the Church, we recommend that our pastors carry out year-round cultivation plans. To this end we urge that they co-operate fully with those agencies of the Church in the plans of cultivation to be formulated.

(Signed) F. G. HASTINGS, President,  
H. W. WILLIAMSON, Secretary.

BOARD OF MISSIONS AND CHURCH EXTENSION  
MISSION SECTION

Your Board is facing great and increasing opportunities for Conference Missionary development. New areas are appealing for assistance. We are happy to note increased acceptances on the part of many Churches, but the resources of the Board are utterly inadequate to the task before us. We urge every possible effort to further increase in World Service giving until the total askings, at least, may be the accepted goal of every charge.

We heartily endorse the plans of the General Board for 1943 and recommend fullest possible co-operation on the part of each pastoral charge.

We recommend a continuation of the policy and effort to concentrate very largely our missionary effort on a few selected situations in each district, and request the continued co-operation of the District Superintendents and District Missionary Secretaries in locating the most strategic centers.

We request the appointment of E. A. Childs as Conference Missionary Secretary. We submit the following appropriations for 1943:

## BOARD OF LAY ACTIVITIES

The Board approves the following as its objectives for 1943:

1. The Board considers its primary function to be that of providing helpful assistance to pastors and other officers in their efforts to inspire and stimulate greater achievement in the Church.

2. To assist in the proper observance of Layman's Day, February 21, 1943.

3. To encourage an effective program for the Church-wide 'Week of Dedication', February 28 to March 7. District Lay Leaders are urged to co-operate with their District Superintendents to the end that all pulpits may be filled on these dates.

4. To stimulate District Lay Leaders to attend the District set-up meetings in December looking to the acceptance of full askings for Benevolences by all charges.

5. To encourage the formation of Men's Fellowship Clubs within the Church.

6. To participate aggressively in the Christian Education Advance for the purpose of increasing membership of the Church and the Church School.

The Board expresses its thanks to Mr. J. L. Liles of Birmingham, for his most excellent address to the Conference.

Whereas, our teen-age boys are to be called into military service and the bill to protect them from the evils of the liquor traffic has been 'pigeon-holed' by Congress; the responsibility now rests largely with the Church;

Therefore, be it Resolved:

First, that emphasis be given Christian Temperance training in the Church and the Church School.

Second, that this body of Christian ministers be asked to co-operate with the W. C. T. Union in educational and organization work.

Third, that each Church include the W. C. T. Union in their budget, or take an offering for the work on the first Temperance Sunday in the year

Signed by the Executive Committee of the Alabama W. C. T. Union;

MRS. I. S. McADORY, President,  
MRS. EUNICE HALL SISSON, Rec. Secretary,  
MRS. J. W. REINHARDT,  
MRS. C. G. HARMAN.

## BOARD OF TEMPERANCE AND SOCIAL SERVICE

## Temperance:

Your Board views with alarm the amazing increase in gambling, in the use of habit-forming drugs, intoxicating liquors, the prostitution of virtue, and the corresponding downfall of public morals in our nation today. As intemperate drinking of alcoholic liquors increases all these evils thrive in the environment which drinking creates.

During the first six months of 1941 the consumption of intoxicating liquors increased as much as two hundred ten percent. The highest increase in drinking has been in the States where army camps and defense plants are located. Increases in drinking intoxicating liquors means decreases in efficiency, morals, and morale.

We are encouraged by the passage of the May Act, and are indeed grateful for the good results obtained by the enforcement of this act in dealing with prostitution around army camps and defense plants. But we Methodists join in the appeal of the fathers and mothers of America for protection from intoxicating liquors for our sons in army camps and defense plants at home and overseas.

We request all Methodists to prepare petitions and write letters to the President and our Representatives at Washington appealing to them for this protection. Temperance is a live issue today. Let's continue our prayers and requests about this matter until we get protection for those of our sons who are temperate and sober and desire to stay so even in a war.

There will be some changes in the Alabama liquor laws soon. Honky-tonks, and juke joints are going out in January 1943; but the Governor-elect promised the dry forces a referendum in 1943, if he were elected. We urge all Methodists to write letters to him and to members of the Legislature asking for this referendum. And when it is held, let us make Alabama the first state to vote dry since the repeal of the 18th Amendment.

By the adoption of this report the members of the Alabama Conference agree to co-operate with and to support the Alabama Temperance Alliance, the W. C. T. Union, the Anti-Saloon League, and all other *bona fide* temperance organizations working for the cause of temperance in Alabama.

## Social Service.

Your Board is grieved because the spirit of greed, injustice, and exploitation among nations has brought on another World War. In the language of the Social Creed of the Methodist Church, "We believe that God is Father of all peoples, and races, that Jesus Christ is His Son, and that we and all men are brothers, and that every man is of infinite worth as a child of God".

We therefore urge all Methodists to sincerely pray that in the providence of God, our Heavenly Father, there may soon come peace and good will among all nations of our Father's world. A peace founded on justice, righteousness, fairness and brotherly-kindness to all men. A peace which like the Peace of God passeth understanding, and is everlasting.

(Signed) R. J. HASKEW, President,  
D. E. MARIETTA, Secretary.

## COMMISSION ON EVANGELISM

Whereas the Bishop and Cabinets of the Birmingham Area, together with the Conference Commissions on Evangelism, have agreed on an Area-wide concerted and simultaneous period of evangelism, March 28 to May 2, 1943;

We recommend that

1. An active Commission on Evangelism be organized in each District.
2. The Superintendent recommend and the Bishop appoint a Director of Evangelism for each district and list the same in the appointments.
3. A Watch Night Service be held in each Church where practicable.
4. Each District Superintendent, where practicable, arrange for a radio broadcast on evangelism within his district on December 31.
5. A School of Evangelism and Fellowship of Prayer be held in each district with the Superintendent, Director, District Commission, and local Church Committees on Evangelism responsible for same.
6. This shall be a unified advance through evangelism under the direction of the District Superintendent with the co-operation of Pastors and all district and local Church officers.
7. March 28-May 2 shall be a period free from other conference meetings, and all pastors and members concentrate on and consecrate for special participation in the following program:
  - (a) March 28-April 3—Cultivation, Organization, Literature and Survey.
  - (b) April 4-10—Prayer Meetings and Services in Homes.
  - (c) April 11-17—Visitation in every home and of all prospects for enlisting new Church-members and increasing Church School enrollment and attendance.
  - (d) April 18-24—Preaching services in every station Church and at least one central Church on each circuit.
  - (e) April 25-May 2—Easter, followed by plans for conservation and continuation.
8. Preachers and laymen 'do the work of an evangelist' by developing new preaching places and establishing congregations.
9. Undergird the special period and the work of all the Conference

year with faith, loyalty, and service to the end that God the Father, Son and Holy Spirit shall be honored and glorified in us and through the Church.

Your Commission desires to be of assistance in every possible way. We urge the co-operation of all ministers in this Conference in our effort to make assistance available to our Circuit pastors in their effort to carry a program of Evangelism to all Churches of their Circuits.

(Signed) H. E. WILSON, Jr., Chairman,  
W. O. CALHOUN, Secretary.

### BOARD OF MISSIONS AND CHURCH EXTENSION CHURCH EXTENSION SECTION

Every outstanding loan has interest paid to current date and all loans are in satisfactory shape.

The following grants are recommended:

Melvin Church, Demopolis District—Donation	\$ 150.00
Blountstown, Dothan District—Loan	2,500.00

The Board accepted full settlement from Kinston of an obligation of \$180 and interest for \$125.

W. C. Mackey, Treasurer of the Board is authorized to draw any and all funds on deposit for the Board's account. This specifically refers to the account in the First National Bank of Montgomery, Ala.

(Signed) W. H. McNEAL, President,  
ADGER MOORE, Secretary.

### COMMISSION ON TOWN AND COUNTRY CHURCH

The following plan of Sustentation Fund for underpaid Pastors approved by the 1941 session of this Conference is continued in effect:

#### I. GOALS.

We propose the same minimum salary goals that we set last year—\$800, for unmarried pastors; \$1000, for married pastors.

#### II. ESSENTIAL COOPERATION.

Let it be said with all emphasis that the responsibility for adequate support of a pastor rests primarily upon the Charge he serves. Certainly we must ask and expect all our Charges not now paying up to these minimums to do their very best to reach them, increasing their Pastor's support from year to year as they are able.

To this end, let the pastor of every such Charge call together as soon as practicable after this Conference session all the Stewards of his Churches, explain to them this plan and our disciplinary system of finance for the local Church, and enlist their cooperation. At the same time we urge these Stewards to adopt and vigorously carry forward the nearest approach to this system possible for their Churches, and especially to make their best advance in the support of the Pastor for this year. And, we count on the District Superintendent to bring this matter forward at the first Quarterly Conference for the year, explaining it fully to all the officials and securing their hearty cooperation.

With all such Charges and Pastors we propose to work in hearty co-operation through two of our agencies. First, the Board of Missions and

Church Extension. We need here only to say that this Board is already directing every available resource to bringing every pastor's support up to these minimums. Second, this Commission has been directed both by the Discipline and You to plan and work for this same goal.

### III. SUSTENTATION FUND.

First we must provide a Sustentation Fund. We propose for the coming year the following method:

Every Minister under appointment of the Conference is asked—on a voluntary basis—to pay into this Fund as follows:

On a salary below the minimum .....	$\frac{1}{2}\%$
On the first \$1000 or fraction thereof above the minimum .....	1%
On the second \$1000 or fraction thereof above the minimum .....	$1\frac{1}{2}\%$
And on all over \$2000 above the minimum .....	2%

For instance, a minister receiving \$3600 would pay as follows:

On \$1000 .....	$\frac{1}{2}\%$	\$ 5.00
On \$1000 .....	1%	10.00
On \$1000 .....	$1\frac{1}{2}\%$	15.00
On \$600 .....	2%	12.00
Total .....		\$42.00

Then every Charge is asked to pay into this Fund the same amount as its Pastor pays. And, we count on the District Superintendent, and these Pastors and Charges and our other Ministers to give their full co-operation in providing this Fund. Payments on the Fund should be made after each Quarterly Conference. Remittance to be made to the Treasurer of the Fund, Rev. A. B. Carlton, 208 Shepherd Building, Montgomery, Ala.

### IV. DISTRIBUTION OF THE FUND.

Each pastor whose salary plus Mission appropriation is less than the minimum may be a beneficiary of this Fund. To be considered so he must present to the Commission on or before the second day of the Conference session an application—on a blank prepared and distributed by the Conference Secretary. This report and application will show first the salaries paid the previous year by the Churches of his Charge, then the salaries paid the current year, then the Mission appropriation received. If the current salary exceeds that of the previous year, he is entitled to a dollar for dollar equivalent for its excess. If the current salary does not exceed that of the previous year, he may state the case fully, showing why his Charge should receive benefit and why he himself needs benefit. Then the Commission, thoroughly considering each case shall make its distribution, first matching all increases, then supplementing salaries as the needs and circumstances of each case merits and as the funds in hands will warrant. Provided, when a pastor cooperates in this and his charge does not he shall be entitled to 50 per cent of the increases as far as the funds will warrant. In every case, the Pastor's total remuneration is to be limited by the minimums set by the Conference.

The Commission is expected to report its distributions to the Conference, together with a full report from the Treasurer. The expenses of the Treasurer's office are allowed as a charge against the Fund.

## AUDITOR'S REPORT

The Committee appointed to audit the books of the Treasurers of the several Boards of the Conference and the Conference Treasurer's books, reports that this Committee had before it the books of all the Boards, with the exception of the Board of Education, and these were carefully audited and all found to be correct in every detail. The books of the Board of Christian Education will be audited within the time limit given in the Discipline and a report made at the next Conference.

Respectfully submitted,  
F. G. HASTINGS,  
H. W. WILLIAMSON,  
Auditing Committee.

## BOARD OF CHRISTIAN LITERATURE

In this day of mental and physical tension we need to hold more and more to the fundamental principle of the Bible as the 'Word of God' and to 'the teachings of Christ' as the interpretation of the spirit of God. The Bible should be the handbook of every Methodist and the background of all of our devotions.

We recommend the reading of The Christian Advocate (the general organ of our Church), together with all the others of our Christian Literature publications, for the inspiration and the information of our people. We are grateful to our Publishing House for the contribution that it is making to our great Church.

Also, we beseech our brethren to make use of the Vanderbilt Circulating Library for our general reading; and that we make use of the materials of our Publishing House and the loan of books from the private libraries of the brethren for our intellectual growth and for the enrichment of our souls.

Concerning the Alabama Christian Advocate we make the following recommendations:

1. That the Commission of World Service and Finance increase the present apportionment for the Advocate by \$500.

2. That the goal of the Alabama Conference shall be the attainment of 5000 new subscribers and the Advocate placed in every Methodist home.

3. That our business men give the Advocate more business advertising.  
 4. That our pastors send in to the office the names of the subscribers and the money for the subscriptions promptly; and check up closely on renewals.

5. We urge our readers to support the Sustaining Fund to pay for subscriptions of such people as are unable to pay for the paper themselves.

We nominate E. O. Hussey as a member of the Board of Directors for a term of five years.

We recommend the appointment of A. E. Middlebrooks as Editor.

(Signed) W. C. COWART, President,  
 C. H. SEIBERT, Secretary.

### COMMITTEE ON WORLD PEACE

The two-fold function of this Committee is to promote education among the local Churches on the implications of a just and a durable peace; and to be a reference Committee to receive and review all resolutions on war and peace before action by the Conference.

We recommend with great urgency that the requirement in Paragraph 1297 of the Discipline be carried out this year in all local Churches: "Each local Church shall provide for the promotion of world peace through a Church committee on World Peace which shall report to the Quarterly Conference."

Quantities of literature for the use of study groups can be secured from Dr. Charles F. Boss, Executive Secretary of the General Conference Commission on World Peace, 740 Rush Street, Chicago, Illinois.

(Signed) W. D. AGNEW, Chairman,  
 C. C. TURNER, Secretary.

### DISTRICT CONFERENCE RECORDS

The Records of the Demopolis, Mobile, Montgomery, Pensacola, Selma, and Troy Districts were before us for examination. We found them in good order and well kept, but recommend that the Troy and Mobile Districts secure new record books as the ones they now possess are well-worn. The Record for the Dothan District was not before us.

(Signed) U. L. MARTIN, Chairman,  
 M. K. VICKERS, Secretary.

### BOARD OF RETIRED MINISTERS' HOMES

Your Board wishes to report that the work done during the year by the Executive Secretary, L. H. S. Chappelle, is most gratifying. Homes have been secured for a number of preachers and improvements made where absolutely necessary. You will note that the fund has a large cash balance, but we do not think it wise to buy property under present conditions. Homes could be built if it were possible to secure building materials and labor.

Brother Chappelle and the Board appreciate very much the splendid assistance and co-operation given him during the year. We know that you

will give him the same cordial welcome when he comes to your Church during 1943. He is doing a splendid work for a great cause. We hope that the preachers will stress the importance of this work for a great cause. We hope that the preachers will stress the importance of this work and let your people know in advance that collections will be taken on Mother's Day for this cause. This work should be close to the heart of every Methodist and there was never a more opportune time to raise funds than now.

We recommend the appointment of L. H. S. Chappelle as Executive Secretary.

(Signed) L. J. LAWSON,  
E. B. NORTON,  
J. T. ELLISON,  
E. R. MALONE,

### METHODIST CHILDREN'S HOME

Last year's Christmas collection was unusually good. With these funds, better clothes were supplied the children, a bigger quantity of milk and better food was put on the tables, a more efficient personnel was employed to assist with the work of the Home, and many building improvements were made, such as providing a library, modernizing the kitchen, and the like.

Upon completion of the new library, the churches were asked to give a book shower, in order to supply the library with good used books of the kind suggested on lists sent out. More than 2000 useful books have already been received and placed in the library.

The old, outworn kitchen was also rebuilt, and modern equipment installed, and new refrigeration built in. This was quite costly, but had to be done as the old outfit was subject to be condemned by the City at any time, and was not providing the minimum service required. Many other improvements to the properties were also made.

The roll of children has dropped off considerably. There are now 131 on the roll. These children have been quite healthy, and have done good work in school on the whole.

Living costs have sharply advanced. We have undertaken to off-set this somewhat by raising more produce on the farm and garden.

The income for the past year amounted to \$64,748.19 from all sources, as follows:

Alabama Conference .....	\$18,256.34
North Alabama Conference .....	39,269.12
Interest from endowment fund .....	2,450.08
Coupons .....	822.93
Farm sales .....	1,355.60
Miscellaneous .....	2,594.12
<b>Total .....</b>	<b>\$64,748.19</b>

The following were elected as the officers of the institution for the ensuing year.

Mr. Virgil McCain, Superintendent.

K. E. Cooper, Chairman of Board.

Rev. S. O. Kimbrough, Vice Chairman.

Mrs. E. H. Hobbs, Secretary.

Russell Burson, Treasurer Endowment Fund.

The Executive Committee was re-elected, as follows:

Bruce Beveridge.

J. E. Wilkinson.

Mrs. E. H. Hobbs.

The usual Christmas campaign for funds was authorized for this year, with central offices in Birmingham.

K. E. COOPER, Chairman of Board.

### BOARD OF HOSPITALS AND HOMES

We have had before us the report of the Board of Directors of the Methodist Children's Home, at Selma, and note with gratitude the progress being made by the institution.

The Rev. R. J. Mills, who has given eight years of most effective service as Superintendent of the Home, resigned, and a layman has been secured as his successor.

We desire to commend the administration of Brother Mills, who has untiringly served the best interest of the institution and materially increased the assets of the Home, as represented by improved physical equipment and a greatly increased endowment fund.

We urge the support of the entire conference for the new Superintendent, Mr. Virgil McCain, Jr., and earnestly ask the co-operation of every Church and Church School in the Conference in the Christmas campaign for the support of the Home.

We nominate as Directors for a term of five years, the Rev. R. J. Mills and Mrs. T. M. Lloyd, of Pensacola, Florida.

We appreciate the earnest efforts of the Rev. S. T. Trotter, who has served as Conference Golden Cross Director for the past three years, but in view of the lack of interest in the plan for the hospitalization of needy

persons in the bounds of the Conference we make the following recommendations:

First, that the office of Conference Director of the Golden Cross be discontinued for the present; and that the money contributed in any Church for the Golden Cross be remitted to the Conference Treasurer;

Second, that the funds now on hand, after all expenses of the Conference Director and his office have been paid, together with any contributions to the Golden Cross Society in this Conference which shall be made during this conference year, be divided equally between the Hospital of the Methodist Children's Home in Selma, and the Aldersgate Mission Clinic among the Cajans.

O. D. LANGSTON, President.

JAMES E. TATE, Secretary.

### BIBLE SOCIETY BOARD

Spiritual illiteracy concerning the resources of the Christian faith is both wide-spread and appalling. Especially is this true in regard to a knowledge of the Bible. Since its founding in 1816, the American Bible Society has been seeking to remedy this situation by translating the Bible and distributing it, in whole or in parts, to all parts of the world. In recent months the Society has distributed thousands of copies of the Bible, Testaments, and portions of Scripture to war prisoners in various parts of the European continent, in Egypt, in India, and to Internment Camps in Canada, the United States, and the West Indies. Army and Navy chaplains have been supplied with copies to distribute among men in the armed forces.

It is up to the leaders of the Christian Church to see that the Bible is read and studied to help overcome the lack of knowledge on the part of our people. If Timothy were living today and ministering to an average parish, he would insist that his members read and study the Bible for personal spiritual development. To do this, we, as ministers, must get our people to set aside a definite amount of time every day for Bible reading and study. Many are the plans now advanced to promote the use and study of the Bible.

We request that December 13 be observed as Universal Bible Sunday as an endorsement of the work of the American Bible Society and as an aid toward the appreciation of the Bible on the part of our people. Plans for the observance may be secured from any branch of the American Bible Society. On that day the American people should crowd the churches to honor God's Word. It is hoped that millions of our people will read during the day, not just a verse or two, but at least a whole book of the Bible.

(Signed) B. I. Huguen, President,  
K. E. Scott, Secretary.

### COMMITTEE ON POLICY

The Annual Conferences in the Birmingham Area through the Conference Boards—Education, Missions and Church Extension, Lay Activities, Temperance, Christian Literature, Evangelism—and the Woman's Society of Christian Service will engage in 1943 in a co-operative effort to advance Christian Education. Special emphasis will be placed on increase in Church School enrollment and attendance upon the Church services. The Bishop, District Superintendents, and the Conference Boards unreservedly commit

themselves to a program of special emphasis on Evangelism, March 28—April 25, and are investing all their resources to co-operate in the endeavor.

The chief objectives of the endeavor are

1. Reaching and enriching the life of every Church member and seeking Christian allegiance on the part of all for whom the Methodist Church is responsible.
2. Helping people to live as Christians in the home though stressing of family worship, Bible reading, and prayer.
3. The constant search for and training of leaders for the work of the local church.
4. For this Conference, we definitely set a goal of 25% increase in enrollment and attendance in the Church School and 10% increase in Church membership.
5. In all activities of the Church School, we seek to magnify the importance of regular attendance on divine worship at morning and evening services.

### Method

We urge the following as a means toward achieving the above goals:

1. Increase in enrollment and attendance in each class and department in the Church School.
2. Hold all who are enrolled.
3. Establish and build up a Nursery Department and an Adult Home Department.
4. Enlist youth and young adults in increasing enrollment in The Methodist Youth Fellowship and in helping Children's workers to reach all the children of the community.
5. Establish and maintain outpost Church Schools and classes.
6. Keep accurate records and report accurately to Quarterly and Annual Conferences.
7. Improve the quality of the educational service of the Church week by week, and month by month.
8. Every accredited teacher serving this year in a teaching effort and some kind of training enterprise in every Church.

In order that the objectives and a more definite working out of methods of approach and accomplishment be made, we suggest that the Chairmen of the Boards and other participating agencies meet to set in motion the plans for carrying out the Area Program within this Conference.

We are asking each District Superintendent to select a District Director of Christian Education Advance.

(Signed) A. B. Carlton, Chairman.

### BOARD OF CONFERENCE CLAIMANTS

In the distribution of funds the basis is: For Retired Members of the Conference each year of active service amounts to \$5.30; for Widows of Ministers each year of active service amounts to \$3.70. In any case where the appropriation exceeds the amount based on this calculation, the Claimant has received special consideration and the appropriation has been increased from the funds set aside for that purpose.

## DIVISION VII—MEMOIRS

## REV. HARVEY COOK THREADGILL

Rev. Harvey Cook Threadgill was born at Camden, Wilcox County, Alabama on September 7, 1863, the only child of Dr. Harvey Threadgill and Mrs. Brunette Cook Threadgill. His father was a surgeon in the Confederate Army where he contracted pneumonia and died when his son was only 3 years old. His mother was of a prominent Wilcox County family and was a consecrated Christian woman.

He attended the schools of Wilcox County and Barton Academy at Mobile, Alabama. He graduated at the private school of Professor Jones at Oak Ridge. This select institution was at that time among the leading schools of the state and many leading men of the state secured their life training under Professor Jones.

Young Harvey was converted and joined the Oak Lawn Church when he was about sixteen, under the pastorate of Dr. Henry D. Moore. His religious experience ripened into a call to preach and he was granted license by the Quarterly Conference of Camden and Oak Lawn Charge on August 16, 1892, Dr. J. M. Mason being the Presiding Elder. For a year he served the Ocmulgee Circuit as Supply and joined the Alabama Conference on trial in December 1893 at Opelika, Alabama. He was admitted in full connection at the Conference at Troy, Alabama, in December 1895.

On July 12, 1893, he was married to Miss Loraine N. L. Jones, of Perryville, Alabama. Four children were born to them: Lula Ione, Loraine, Harvey Jones and Charles. Besides his widow two of these children survive him; Mrs. Loraine Lewis of Andalusia and Charles Threadgill of Montgomery.

Brother Threadgill served forty-six years in the Alabama Conference, besides the year as supply on the Ocmulgee Circuit. His service record is as follows: Perryville 1894; Centerville 1895-98; Warrior Stand 1899-1900; Verbena 1901-03; Lowndesboro 1904-05; LaPine 1906-07; Brundidge 1908-09; Eufaula District 1910; First Church, Pensacola 1911; First Church, Eufaula 1912-15; Troy 1916-20; Andalusia 1921-23; Enterprise 1924-26; DeFuniak Springs 1927; Perry Street, Montgomery 1928-29; Tuskegee 1930-35; Wetumpka 1936-39.

At the conference held in Montgomery in December 1939 he was granted the superannuate relation. He and Mrs. Threadgill moved to Andalusia and made their home with their son-in-law and daughter, Mr. and Mrs. Purnell Lewis. And from this home he went away to his heavenly home on December 19, 1941. The funeral was conducted on Sunday morning, December 21st, in the church at Andalusia, with Rev. H. P. Childs, Rev. I. W. Chalker and Rev. A. B. Carlton officiating. His body was laid to rest in the cemetery at Tuskegee beside other loved ones.

This minister of Christ stood at last before his Master with a fine record of faithful and fruitful service. Our Conference Journals show that he was notably a builder. In Centerville, Lowndesboro, Eufaula, Troy, Andalusia, Enterprise and Tuskegee he led his people in the building and remodeling of churches and parsonages. But more important than that he built up his Churches numerically and spiritually. As a Pastor he took into his own Churches, nearly a thousand converts and always through his pastoral care and instructive spiritual ministry he builded his people up in the knowledge and grace of Christ.

Through the years he was a lover of books and a diligent student and so he became an excellent preacher, giving his congregations interesting, thoughtful, vital messages. He was never dull or dry or tedious but always earnest, alert, enthusiastic. He had everywhere a most winning way and so everywhere bound his people and all the people of a community to him with cords of friendship and love. He loved the outdoors, the streams, the woods, the fields and FOLKS. And to the very end he had an unfailing zest and joy in life. His brethren all loved him, and miss him, and cherish his memory.

Naturally he was peculiarly beloved in his home, being a tender and affectionate husband and father, contributing his full share to making the home a happy and blessed one. Literally the latch string hung on the outside of the door where his family lived and hospitality of the true Southern and Christian style abounded. It was to this friend and his wife always a distinct happiness to be their guests. Surely he has left his loved ones a rarely gracious heritage.

This writer cannot refrain from adding that to him Brother Threadgill was through the years a brother beloved, a cherished friend, an inspiration and a blessing. The blessing of his rich, fine, full life will abide in fruitfulness with all those who knew and loved him.

HENRY M. ANDREWS.

#### REV. WILLIAM FREDERICK CANN

Good men at their passing need not that we praise them. The need is ours to know them, to trace the sources of their beauty and strength, and strive to walk by the light of their leading.

Passed to his reward, at his home in Evergreen, on February 6, 1942, the Reverend William Frederick Cann, noble servant of the Most High, and veteran of more than half a century in the ministry of the Methodist Church. He was seventy-five years of age and had just begun the fifth year of a happy and fruitful pastorage at Evergreen, to which he had been re-appointed at the request of his Church and the wish of the entire community. Thus ended an earthly career that was notably long, full and rich in the love and honor of a great multitude who had felt his influence through his many pastorates in Canada and the United States. Well did he deserve the title, than which there can be none higher: Good Minister of Jesus Christ.

As a member of the Alabama Conference for 21 years, William F. Cann had long since become known to all of us as a scholarly gentleman, a genial and companionable friend, a counselor wise with the experience of observant and thoughtful years, a pastor who made his own the joys and sorrows of his people, a preacher of the Gospel, who having learned from his Master, proclaimed the sublime simplicities of religion and life with the winsome clarity of perfect speech.

Wrote one of another communion who knew him well; "The Reverend Mr. Cann was a remarkable and charming man who had mastered the fine art of living a Christian life. To him, religion was simple, natural, practicable in every department of life. His sermons appealed to the finer, more abiding sensibilities of his hearers. His charming manner, sunny, genial disposition and keen intellect attracted people to him to become his warm personal friends. He was universally loved by those who knew him. His passing is a great loss to his family, friends and his Church.

William Frederick Cann, son of George and Anne Moffatt Cann, was born in Sydney, Nova Scotia, on November 17, 1866. In 1886 he joined the Methodist Church in his native city under the ministry of one Reverend F. H. Wright and was granted license to preach in 1888. He was educated in the schools of Nova Scotia, Wesley College, Winnipeg, Man., The Boston School of Expression, and the University of Chicago. Besides serving pastorates in the Manitoba and Nova Scotia Conferences, he filled the chair of Interpretation of Literature at Wesley College for 2 years, and was chaplain to the British Royal Navy stationed at Bermuda.

In 1891 he married Miss Elizabeth Mary Eaton of Nova Scotia. Of that marriage two daughters and one son survive him, as follows: Mrs. A. B. Dickey, Manitoba, Canada; Miss Lois Cann, Ashburnham, Mass.; and Elbridge G. Cann, Pepperell, Mass. Some years after the death of the first Mrs. Cann he was happily married to Miss Grace Vandiver of Spartanburg, S. C., who survives him. Thus was established the home known to so many of us in Alabama as a place of sweet courtesy and kindly light. There were those not a few who never departed from it without a heightened appreciation of the finer graces of life.

He transferred from the Nova Scotia Conference to the Western North Carolina in 1919, and was for two years pastor of Chestnut Street Church in Asheville. In 1921 he came to the Alabama conference and since that time had lived and worked among us. He served successively the following charges: Associate pastor, St. Francis Street, Mobile; Brewton; First Church, Opelika; Demopolis; Bay Minette; and Evergreen.

Funeral services were held at the Methodist Church in Evergreen on Sunday afternoon, February 8th, and were conducted by the Rev. A. E. Shafer, District Superintendent, assisted by other ministers of the Conference. The services were concluded at Union Cemetery in Brewton, where the Rev. G. W. Kerlin was assisted by the Rev. Lemuel B. Green.

"Passed to his reward", we say. Yes, the reward of "going on and yet to be". For life would be but a mocking squanderer of its highest values, were not so fine a soul as he still faring on in "realms beyond the sun-rising", upholding with gentle strength the banner of his high faith.

And so, in reason as in faith, we reverse the ancient salutation and call to him as he goes: Farewell and Hail!

JNO. C. JAMES.

### REV. JOHN ALLEN WHITSETT

Rev. J. A. Whitsett was born in Washington County, Alabama, August 25, 1877, and grew to manhood in that section. In early life he definitely committed himself to God with all he had and all he was, and joined the Methodist Episcopal Church, South. In 1910 at the Mobile District Conference held at Jackson, Alabama, he was licensed to preach. And in the fall of the same year the licensing committee recommended him for admission on trial into the Alabama Annual Conference.

The first few years of his ministry he served mission charges in the Marianna District; 1913-1915, Rutledge Circuit; 1916-1917 Panama City; 1918-1919 Brewton Circuit; 1920-1921 Daleville Circuit; 1922-1924 Georgiana; 1925 Phenix City; 1926-1928 Abbeville; 1929-1932 Broad Street, Mobile; 1933 Alabama Avenue, Selma; 1934-1935 Fifth Avenue, Montgomery;

1936-1939 Broad Street, Mobile; 1940-1941 and 1942 to the end which came February 26th, Clayton.

He was a most enthusiastic worker in the Kingdom. He had a most commanding personality. His fine physique and immaculate cleanliness attracted attention. His cheerful spirit was contagious. As he moved among his people, they were always glad to see him. It made life a little brighter for him to be around. His people loved him and rallied to him. If he made an enemy, it was because he refused to make a compromise with sin. For he would stand by his conviction at any cost. He not only had power in the social circle but he had power in the pulpit. When he asked people to do something, somehow they wanted to do it, and did it. His preaching brought conviction and made people want to be religious. And that, after all, is the best preaching. He had a passion for lost souls and was a tower of strength exhorting sinners to come to God and live. The crowning excellency in the character of Brother Whitsett was his consecration to Christ. His Christian life was as vital in the home as when he was in a revival meeting. And his life was not without effect on the family. The day after the funeral when the widow and the four sons with their families were leaving that parsonage never to enter it again as the home of husband and father, one of the sons, who holds a most responsible position in the business world, said "Wait a minute, come back and let's have prayer and go out as we always did when dad was with us." And he called on his preacher brother to lead them in prayer.

Brother Whitsett was twice married. First to Miss Lucy Catherine Winslett, who, as he would say, helped in a marvelous way to make him what he was. To this union four sons were born: Charles E. Whitsett, Lake Charles, Louisiana; W. Gavin Whitsett, New Orleans, Louisiana; Rev. Daniel C. Whitsett, Montgomery, Alabama; and Paul T. Whitsett, Jackson, Mississippi. His second marriage was to Miss Lovie Truett. She gave herself to the work of the church, as a minister's wife, in a most remarkable way. What was his she accepted as her own. She made his sons her sons and the devotion that existed between her and the boys was simply beautiful. It was, no doubt, her careful nursing that enabled him to continue his work as long as he did. For during the last six years of his life, we all knew the end was likely to come at any time. No one was more aware of that than he. The day before his passing, he was busy with his pastoral work and was in his Wednesday night prayer meeting. After the prayer meeting he remarked to the family "Come on now and let's talk; this may be the last night we will have together here." He seemed to be very conscious he was soon to go but he was as cheerful about it as if he had been going on a pleasure trip. The next morning after breakfast he said he was not feeling very well and wanted to lie down. And in just a little while he was gone. For God took him. The day following we laid his body away in the church yard at Clayton, Alabama. The people of Clayton said they felt honored to have his body rest in their churchyard. Not in the cemetery but in the churchyard. We do not think of him as being dead but as having gone to be with the Lord. We shall see him again.

D. H. McNEAL.

#### REV. JOSEPH CHRISTIAN WESTON

When I was a little boy my grandmother made me a quilt. I still have that quilt. It's colors are gay, bright and brilliant. One batch of bright red squares is abruptly next to a batch of gay green squares. So it is that the yellow, green, purple, orange, blue, and red parts make up the

quilt each in stark contrast with the other. The whole quilt is beautiful in the harmony of its paradoxes.

J. C. Weston was born in Philadelphia, Pennsylvania but spent his mature life in rural Alabama. He was brought up in the Roman Catholic Church but was a Methodist Preacher for twenty-nine years. His thorough education bore the marks of the parochial schools of the Mother Church and also had the cultural finish which The Southern University at Greensboro could so well give. To the religious solidarity imbibed from his Catholic background was added the "blood and fire" of evangelicalism when at the age of twenty, as he has said, "I was converted through the street preaching of The Salvation Army." Brother Weston's work with The Salvation Army carried him to the largest city in the world where he did rescue work in the most desperate slums and then to the completely rural sections of west Florida.

P. F. Brumeloe was pastor at Milton, Florida in 1913 and became interested in this lovable young man who was so far away from home. Largely through the encouragement of this Methodist circuit rider, J. C. Weston joined the Methodist Church, was licensed to preach, and finally, in 1916, went to Southern University. Regarding his admission on trial to The Alabama Conference in 1916, Brother Weston has said, "My Mother, though a Roman Catholic, was a devout Christian of deep piety and in her last days rejoiced with me in my call to preach."

This home was admirably suited for the cultivation of a prophet. Brother Weston's father was Dr. Henry Weston, a man of education and religious character. His mother was Margaret Christian Weston. Joseph Christian Weston was the youngest of the eleven children born to this union. His date of birth was November 18, 1886.

When a baby in his crib one day he was suddenly stricken with paralysis. For the rest of his life one half of his body was in the stern grip of this disease. This was the thorn in his flesh and having learned the sufficiency of the Lord's grace he could say with Paul, "... my strength is made perfect in weakness. Most gladly therefore will I glorify in my infirmities, that the power of Christ may rest upon me." Standing by his grave at Banks, Alabama just after the last "Amen" had been said in his funeral rites, his sister, Mrs. John Bull of Cambridge, Massachusetts, said to me, "His physical handicap was the making of his great soul." I have been with Brother Weston when pain and nervous tension had placed his poor body upon the rack. Under those conditions he was a marvel of self-possession. His tortured body was under the control of an indomitable will.

Forkland, in Green County, was on my first work. The people over there remember Brother Weston as the young man who came to the West Green Circuit in 1917. This was his first charge. While in Green County he met Miss Imogene Carrico. About a year later they were married.

It was a rewarding experience to enjoy the hospitality of this home. There was nothing stilted or strained about it. Mrs. Weston was a conscientious preacher's wife. Nothing but a deep love for her husband and a deeper love for the Cause he represented could account for her interest in the church and sacrifice in the parsonage. Five fine children were born into this home: Joseph Christian, Jr., United States Army; Margaret Catherine, Dothan; Billy Hasty, Birmingham-Southern College; Norma Rose, and Anne Ruth. Mrs. Weston with Norma Rose and Anne Ruth lives at Banks, Alabama, where Brother Weston died in the parsonage on March 1, 1942.

Although he had lived but fifty-five years when death came, his influence on people will not soon be erased. I shall never forget what he meant to me. When I was at Coatopa, he was at Gainesville. It had been

just a little while since my father's death. Brother Weston had appreciated my Father. At Coatopa I was very young and very lonesome. Then Brother Weston was a father to me and remained so until the end. I can see him now in Gainesville, as he moved among his cultured people—a perfect gentleman, never in his shirtsleeves, always neat and always wearing a black bow tie. He was pastor at Gainesville for six years and could have stayed there indefinitely. Those cultured Black Belt people appreciated his fine mind and rare culture. Senator John A. Rogers, when upon his death bed, sent for Brother Weston who then was pastor in a distant community. I have been with Brother Weston in the humble homes of the poor and ignorant and they, too, love him dearly.

J. C. Weston served rural circuits and mission charges from start to finish. He learned the heart beat of rural Alabama. He looked upon this work as a special opportunity and not as something he hoped to be delivered from. The economic and sociological background of his rural world constantly had his attention. He approached his ministry socially intelligent. I remember when a bloody race disturbance occurred in Sumter County within the bounds of his charge. This "little Yankie," as he sometimes called himself, came to the scene with the healing touch of the Nazarene. Both the white men involved and the colored held the gracious little minister in the highest respect and he is given large credit for averting an interracial explosion.

Brother Weston's reading was as cosmopolitan as his life had been. His was an open mind and he was a critical student of religion in the days when such were generally misunderstood. Yet he had patience with those who could not understand. He dearly loved men and his Master and that gave him his broad and deep sympathy. Young preachers wanted to go to him and talk over the controversial issues of religion. He would write interesting and encouraging letters to them. His vigorous mind was stimulating and provocative; yet his spirit was kind and healing.

He could preach a fresh and lucid sermon with the Queen's English at its best. His thought was strong and sometimes spiritually daring. The phrases were cryptic and keen. Sometimes bright sparks of humor would fly from his anvil. His exegesis usually was unique. But in it all there was conviction and power. Men would know the Christ better for it and hate their sin more for it.

The checkered ministry of this man is matched only by his variegated background. His characteristics do not blend or shade one into the other. Rather each trait independently stands out in its own brightness and brilliance. But the whole of his life is beautiful in the harmony of its paradoxes.

#### REV. JASPER MARVIN TRUETT

The request to write a brief memoir of my friend, Rev. Jasper Marvin Truett is at once a high honor and a gracious privilege. For a quarter of a century we have been intimate friends and never did he falter or waver in loyalty or disappoint in attitude. He was born in Dale County near Echo, Alabama, May 9, 1881, and crossed the threshold to the Father's other room at Dothan, Alabama, March 5, 1942. His parents were Darling Buford Truett and Amelia Angelie Brannon of Dale County. They were honest, industrious people and devout Methodists. At the age of nine years Brother Truett united with the church under the ministry of Rev. W. F. Arnold of sainted memory. After attending the public schools of his native county

and the Marianna District High School, he taught for a time in the schools of Henry County, Alabama. But the urge of his soul was to the ministry and he applied for license to preach which was granted at Ozark, Alabama in 1907. He entered Southern University at Greensboro, Alabama in September 1907 and remained two sessions. In 1909 he was admitted on trial in the Alabama Conference at Opelika and was assigned to the Perote Circuit. On June 14, 1910, he was happily married to Miss Louise Haddock, of Columbus, Georgia. To them were born five children, Fred Haddock, Buford Glenn, Mamie Stoval, Jasper Marvin and Pugh. His wife and four of these survive; Fred Haddock having died in childhood. His appointments were Perote Circuit 1910, North Girard and Epworth 1911, Coffee Springs 1912, Daleville 1913, Eufaula Circuit 1914-16, Fitzpatrick 1917-1919, Butler 1920, Grove Hill 1921-25, Samson 1926, Phenix City 1927-29, Panama City 1930, Headland-Midland City 1931-32, Andalusia 1933-34, Jackson 1935-36, Clanton 1937-38, Enterprise 1939, LaFayette St., Dothan, 1940-41. At the last session of the Conference in Mobile he was assigned to Chipley, Fla., where he was stricken March 1st and rushed to a hospital at Dothan. Four days later he answered the call of the Great Bishop of his soul.

The funeral services were conducted by Dr. E. C. Moore, his District Superintendent, at Newton, Alabama, on March 6, 1942. His obsequies were attended by more of his brethren of the Conference than any like service this writer has ever witnessed. He was loved by his fellow ministers as few men ever are. His noble, unselfish, jovial spirit attracted all who ever knew him. He never failed a friend or spoke unkindly of his brethren. No one could be in doubt, however, of his attitude on any issue. Always courteous in approach and immaculate in appearance, he extended a cheerful greeting to everyone he met. In his home he was a loving husband, devoted father and a royal host. As a pastor he was untiring, diligent and sympathetic. He constantly sought to assist people in their trials and help them bear their sorrows and misfortunes. As a preacher his efforts were unequalled. In revivals his wit, earnestness, zeal and pathos found their surest expressions. He possessed an almost uncanny insight into the characters and motives of men. Without surrendering established principles, he was intuitively a diplomat. Often I have heard him say, "If a man is a keen enough observer of men and patient enough with his plans, all will be right in God's time." If to love Christ and your fellow men more than self is goodness, then Marvin Truett was a good man. If to support moral righteousness and maintain Christian virtue in the presence of opposition and attack is fortitude, then Marvin Truett was courageous. If to be loyal to your friends, generous in your judgment of others, kind to the unfortunate and invincible in your devotion to the gospel is evidence of Christian character, then Marvin Truett was a royal Christian. And now at the age of sixty years the transportation angel of death touched his heart amid the cares of a new and happy pastorate. He sleeps in the sanctuary of mother earth, beneath the quiet stars in the Newton cemetery. He will be missed by all who knew him but by none more than I.

"We cannot think of them as dead  
Who walk with us no more  
Along the path of life we tread  
They have but gone before.

And still their silent ministries  
Within our hearts have place  
As when on earth they walked with us  
And met us face to face."

## REV. ROBERT ALLEN FOSTER

Robert Allen Foster, son of John Lewis Foster and Martha Ann Roundtree, was born near Eufaula, Barbour County, Alabama, on April 8, 1859. He received his elementary education from his father who was for more than 25 years a teacher at Little Oak in Pike County. Brother Foster himself taught school for several years. He entered the Southern University at Greensboro, Ala., in the fall of 1880. In 1882 he went to Emory College, Oxford, Georgia, where Dr. Atticus G. Haygood (later Bishop Haygood) was the President.

Brother Foster joined the Bethel Methodist Church on the Brundidge charge in October 1874, under the ministry of Anthony Dickinson. He was licensed to preach by the Brundidge Quarterly Conference in the Bethel Church, Little Oak, Ala., October 18, 1884. Rev. W. M. Motley was the Presiding Elder and Rev. W. S. Turner the pastor.

In the summer of 1885, because of the illness of his wife, he went to the high altitudes of the West. On July 21 of that year Bishop R. K. Hargrove appointed him as supply on the Elbert Circuit, Denver District, Denver Conference. In July 1886 he was admitted on trial in that Conference. Ordained deacon by Bishop Eugene R. Hendrix at the Denver Conference August 5, 1888, he was admitted into full connection at this same conference and sent to Beulah charge where he served two years. In December 1889 he was transferred to the Alabama conference by Bishop Hendrix. He was sent to Randolph Circuit. At the conference held at Pensacola in December 1890 Brother Foster was ordained Elder by Bishop J. C. Granberry. He always held sacred these ordinations, and preaching at Bethel Church on the fiftieth anniversary of his first sermon there, he read these papers with great pride and reverence.

Brother Foster was twice married. At the parsonage of the Court St. Church, Montgomery, he was married to Miss Esther McHerness, April 4, 1885, by the Rev. J. O. Andrew, pastor. To this union six children were born: Mrs. Esther Yielding, San Antonio, Texas; Mrs. Beulah Chapman, Andalusia, Alabama; Mrs. Ethel Studstill, West Palm Beach, Florida; Mrs. Martha Carson, West Palm Beach, Florida; Robert M., Washington, D. C.; Walter W., Orlando, Florida. He was married for the second time at Perote, Alabama, to Miss Abbie Peach, October 29, 1902, the ceremony being performed by the Revs. W. H. Wild and C. A. Rush. The following children were born to this union: Mrs. Lucile May, West Palm Beach, Florida; Miss Susie Peach Foster, Nashville, Tennessee; Henry Candler, Brantley, Alabama; Mrs. Abbie McLeod, Midway, Alabama and John Lewis, who died in infancy. He is also survived by two brothers and two sisters.

Brother Foster was a good preacher. He was studious in preparation of his sermons and uncompromising in his loyalty to Christ and the Gospel. His conviction that Methodism's interpretation of the Gospel was the truth about God and rightly followed the Spirit of Jesus, never wavered. Religious conviction, to Brother Foster, was something more than a system of religious thinking; it was the truth to be enfolded. More than what he said, Brother Foster was himself the gospel he preached. As a pastor, he was the sort of person who won the loyalty of friends and the souls of many by the power of his life lived under the direction of his Lord. Speaking at Little Oak church on the fiftieth anniversary of his being licensed to preach, Brother Foster said "The affectionate, tender relations of a pastor to his flock has had for me life's happiest expressions." In this relationship he was unexcelled. During his ministry of more than fifty years he received into the church one thousand five hundred fifty on profession of faith.

Brother Foster was the Priest of his household. No one ever had the privilege of visiting in that home without feeling the influence of the two great spirits who guided its life and created its atmosphere. Their children rise up to call them blessed. All of them are members of and working in the church. Miss Susie Peach, a missionary to Korea for many years and now doing missionary work in this country under the direction of the Woman's Council of the Methodist Church; Mrs. W. J. Yielding, director of Religious Education in the Travis Park Methodist Church, San Antonio, Texas; Mrs. J. F. McLeod, Jr., a pastor's wife in the Alabama Conference; and a grandson, Robert Chapman, a preacher in the Florida conference; give some idea of the contribution this family is making to the church and the Kingdom of God.

Brother Foster, in his later years, recalled many experiences that were unique even in those pioneer days of our Conference. During the first 7 years he had a different Presiding Elder very year; H. Urquhart, J. C. Keener, A. J. Lamar, T. F. Mangum, W. H. Wild, W. S. Wade, and C. B. Pilley. His outstanding appointment was Chipley Circuit which he served from 1896 through 1899. The first year he led his people to build a church on a ten acre plot of ground between Graceville and Chipley, and received 260 into the church and baptized 67 infants. The second year he secured the present lot and built a church at Chipley, Florida. He has gloried in the growth of this church through the years.

At the Conference in Opelika in 1935 he retired after 51 years. Since he has lived in his home at Brantley. The latter part of August most of his family spent a few days with him and as usual Brother Foster enjoyed their presence and sent them back to homes and work with his benedictions and blessings. Saturday morning, September 12, his son Henry dropped in to see him and in a few minutes the family doctor came. Quietly and quickly with these and his devoted companion of more than forty years doing every thing they could, he slipped away to be forever with Him whom he had so faithfully served and whose life and spirit he had so completely emulated.

The funeral was held in the Methodist Church at Brantley on Monday morning, September 14. Rev. B. M. Herlong was assisted by the Rev. Carlton Preer, the District Superintendent and Rev. J. F. McLeod of Demopolis.

His family will always rejoice in his triumph, for of such is the kingdom of heaven. The preachers of this conference will cherish his memory and take a new grip on the reality of the presence of the Spirit of Christ.

J.F.McLEOD.
